Pew End Candlesticks

This elegant product will add to the beauty and ambience of your church, creating an extra warmth for special occasions such as weddings, Christmas and candlelit services.

The candlesticks are available with three exquisite heads and in two lengths – one for fixing to the side of the pew and the other for fixing to the floor.

The hardwood poles are finished in dark oak with solid brass fittings and strong clear glass. Pew End Candlesticks are made to order and will be subject to an eight-week lead time.

These beautiful hand-painted porcelain plates make the perfect keepsake of your special occasion. Each design has been individually hand-painted by the outstanding artist Melody-Anne Lee.

The signature plate is a unique idea. Each plate comes with its own porcelain pen for your friends, family and party guests to sign or draw on the plate. Once the designs are dry (which takes seconds) the plate is then ready to be displayed, used or cherished as an everlasting memento of your special day.

Bespoke plates also available, please call our sales team for more information.

Caring for your Church Building

James Halsall has been Secretary of the Diocesan Advisory Committee for the Care of Churches in the Diocese of St Edmundsbury and Ipswich since 1994.

He has dealt with everything from shoe-horning an equal access WC into the confines of an ancient church tower to the ins and outs of finding the right solution to an extension on a grade I listed church.

James is therefore ideally qualified to offer advice and encouragement to churchwardens, PCCs, clergy and all others responsible for the maintenance and adaptation of church buildings.

His newly published reference book offers comprehensive practical help and clear signposting through the complexities of processes and permissions involved in caring for church buildings and adapting them to meet the changing needs of local communities.
