# Songs to Shake Us Up

John Campbell has written 200 innovative hymn texts that succeed in stirring and challenging us to address serious issues that affect church and society.

Quirky, distinctive and forthright, his lyrics don't pull any punches. John has quite deliberately chosen well-known, congregation-friendly tunes, lowered to make them easily singable, so that the hymns can be sung immediately, with the focus on the words, not concentrating on learning a new tune.

- The 15 tunes not usually found in a hymn book have all been recorded with their full lyrics on the accompanying CD.
- Also included is a CD-Rom of the complete texts of every hymn in the book for reproduction on service sheets.

John's outstanding lyrics set us free to explore and express our faith and celebrate the love of life in all its fullness that lay at the heart of Jesus' ministry.

### A

A crown of piercing thorns  
All nations of the world  
*All the time*  
An urgent voice is calling  
And can we hope  
At this day's end  
At this table we remember  
At your feet

### B

B-b-b Bless this hard city  
Be the God of all my Sundays  
Be the hands of Jesus  
Breathe in me, Lord  
Bring to God your new,  
*best songs*  
*Broken image*

### C

Called by Christ to be disciples  
Called to shed light  
Christ, here we are!  
Christ, my teacher  
Come, rest in the love of Jesus  
Come with newly-written  
*anthems*

Creating God, we bring our  
songs of praise  
Creation sings!  
Cry 'Freedom!'

### D

Don't be afraid  
Draw us together at the close  
of day

**E**

Every land in all creation  
Extol the God of justice

**F**

*Faithful God*  
Fearful, uncertain  
Feast your mind on what is pure  
Finding a way  
For beauty which delights  
our eyes  
*For I can do all things*  
For riches of salvation  
For those who strive for justice  
Forgive us when our deeds  
ignore  
From a manger in a stable  
From near and far  
From opposite directions  
From the heart of God  
the Father  
From the heights of glory

**G**

Give me a heart that will  
honour you  
*Give thanks*  
God beyond earth's finest  
treasures  
God has called us to a journey  
God has promised many things  
God is our strength from days  
of old  
God of life, we come in worship  
God of love  
God of present, God of past  
God of the nations  
*God of the second chance*  
*God's surprise*  
Good Joseph was a man  
Good Lord, deliver us  
*Good news to the poor*  
Gracious God, in adoration

**H**

Hallelu, hallelu, hallelujah  
Hallelujah  
*Hallelujah Chorus*  
Happy to share  
*Have we any room or Jesus?*  
He broke the rules  
Hear our prayer for others  
Hold tight  
How amazing  
How did you feel, Lord Jesus

How rich and deep  
God's judgements are  
Humble yourselves

**I**

I lift my eyes to the hills  
I live, dependent on Jesus  
I stand on a rock  
I was lost but now I'm found  
I will always sing the praises  
If we have never sought  
Image of our God and Father  
In an age of twisted values  
In glad and sad remembrance  
In the night, the sound of crying  
In the peace of a garden  
In vast, ornate cathedrals  
Is the church a building?  
It's the morning after

**J**

*Jesus came to save us*  
Jesus, in your life we see you  
Jesus meets us at the margins  
*Jesus of the scars*  
Jesus shall reign, his power  
be shown  
Jesus, the Holy One  
Jesus, we have heard your Spirit  
Justice like a river

**L**

Let all creation's wonders  
*Let justice roll*  
Let love be our glory  
Let love be real  
Let the world be changed  
Let us all, with grateful minds  
Let us rejoice  
Light of her life  
Listen up  
Living God, your word has  
called us  
Living water  
Long ago you taught your people  
Lord, at a time when our tables  
are laden  
Lord, change our world  
*Lord, close to you*  
Lord, give us vision  
Lord Jesus, plant a seed of faith  
Lord, today your voice is calling  
Lord, we know that we have  
failed you  
Lord, what a sacrifice I see

Lord, you amaze us  
Lord, you have blessed me

**M**

Mary, blessed teenage mother  
Mighty, magnificent God  
Mother of Christ, called  
from above  
*Mothers of the world*

**N**

No gift so wonderful  
Now as the evening shadows fall  
Now, come to the water  
Now is the time

**O**

O Christ, remember them  
O Father; on your love we call  
O God of hope  
O God of thoughts and feelings  
O holy, heavenly kingdom  
O Lord, how long  
O Lord, you've searched me  
O Love that searches all my soul  
O West Bank town of Bethlehem  
*Oh, what a day!*  
One of us, flesh and blood  
Open our eyes to see  
Open the door  
Our Father (Caribbean)  
Our Father in heaven  
Out of the darkness of the night

**P**

People, look east  
Praise to Christ, the Lord  
incarnate

**R**

Room prepared; disciples meet

**S**

Sad, confused and shaken  
Saviour, precious Saviour  
Set the sail on your boat  
Sing 'Hey!' for the God who  
is eternally new  
Sing, my tongue, the glorious  
struggle  
Sing the gospel of salvation  
Sound out his praises  
Such a host as none can number

**T**

Teach me, dear Lord  
Teach us how to walk  
Tell, my tongue, the awesome  
mystery  
*That's why we're here*  
The day will come, that  
glorious day  
The gracious invitation  
*The greatest love*  
The heavens proclaim  
God's glory  
The Lord created family  
The Lord reveals his glory  
The man of the margins  
The only power that  
cleanses me  
The path is stony  
The promised time arrives  
The Spirit of God  
The Tango of our lives  
The universe was waiting  
There's a long way  
There's a time come nearer  
Thirsty for the living water  
This heavenly love brings life  
This side of heaven  
Together we proclaim

**W**

We have a vision  
We hear your cry, Lord  
We owe our thanks to you, Lord  
We remember you  
We saw beauty in the ashes  
We will pray for you, sister  
We've silenced our prophets  
*What a gift*  
What a night to remember  
What can we say?  
When the day grows cold  
When we were little, hurt  
and lost  
Where love is met with hatred  
*Where you lead us*  
Where you're going I will follow  
Within the busy rush of life  
*Wonderful, glorious day!*

**Y**

You are the Bread of Life  
You've called us as your  
Church, Lord

## Alternative titles are indented and in italics

**A**  
 A brighter dawn is breaking  
 A great and mighty wonder  
 A man there lived in Galilee  
 A new commandment  
     *A touching place*  
 Abba, Father; let me be  
 Abide with me  
 Above all powers, above all kings  
 Adoramus te, Domine  
 Ah, holy Jesu, how hast  
     thou offended  
     *All are welcome*  
 All creatures of our God and King  
 All for Jesus! All for Jesus!  
 All glory, laud and honour  
 All hail the Lamb  
 All hail the power of Jesus' name  
 All heaven declares  
 All I once held dear  
 All in an Easter garden  
 All my days

All my hope on God is founded  
 All over the world  
 All people that on earth do dwell  
 All praise to our redeeming Lord  
 All praise to thee  
 All that I am  
 All the nations of the earth  
 All things bright and beautiful  
 All who would valiant be  
 All you who seek a comfort sure  
 Alleluia (x 8)  
 Alleluia! Alleluia!  
     *Alleluia! Raise the Gospel*  
 Alleluia, alleluia, give  
     thanks to the risen Lord  
 Alleluia, alleluia, hearts to  
     heaven and voices raise  
 Alleluia, sing to Jesus  
 Amazing grace  
     *Amazing love*  
 An upper room did our  
     Lord prepare

*Ancient of Days*  
 And can it be  
 And did those feet in  
     ancient time  
 And now, O Father, mindful  
     of the love  
 Angels from the realms of glory  
 Angel-voices ever singing  
     *As gentle as silence*  
 As Jacob with travel was  
     weary one day  
 As pants the hart for  
     cooling streams  
 As the deer pants for the water  
 As the disciples  
 As we are gathered  
 As with gladness men of old  
 As your family, Lord,  
     see us here  
 Ascribe greatness  
 At even, ere the sun was set  
 At the cross she keeps  
     her station  
 At the Lamb's high feast we sing

At the name of Jesus  
 At this table we remember  
 At this time of giving  
 Author of life divine  
 Awake, awake: fling off the night  
 Awake, my soul, and with the sun  
 Awake, our souls; away, our fears  
 Away in a manger

**B**  
 Be bold, be strong  
 Be still and know that I am God  
 Be still, for the presence  
     of the Lord  
 Be still, my soul  
 Be the centre of my life  
     *Be the centre*  
 Be thou my guardian and  
     my guide  
 Be thou my vision  
     *Beautiful one*  
     *Beautiful Saviour*  
     *Beautiful world*

Beauty for brokenness  
*Because of you*  
 Before Jehovah's awful throne  
 Before the ending of the day  
 Before the throne  
 Behold, the great Creator  
 Beneath the cross of Jesus  
 Bind us together; Lord  
 Bless the Lord, my soul  
 Blessèd assurance  
*Blessed be the Lord God Almighty*  
 Blessèd be your name  
 Blessèd city, heavenly Salem  
 Blessing and honour  
 Blest are the pure in heart  
 Blest Creator of the light  
 Born in the night, Mary's child  
 Bread is blessed and broken  
 Bread of heaven, on thee we feed  
 Bread of the world in  
 mercy broken  
 Break the bread and pour  
 the wine  
 Break thou the bread  
 Breathe on me, Breath of God  
*Breathe*  
 Brightest vision that delighted  
 Brightest and best  
 Broken for me  
 Brother, sister, let me serve you

**C**  
 Calm me, Lord  
 Celtic Alleluia  
 Christ be with me  
 Christ for the world we sing!  
 Christ is made the  
 sure foundation  
 Christ is our cornerstone  
 Christ is the heavenly food  
 Christ is the King!  
 Christ is the world's Light  
 Christ, the fair glory of the  
 holy angels  
 Christ the Lord is risen again  
 Christ triumphant  
*Christ, be our light*

 were baptised  
 Christ, Christ, whose glory fills  
 the skies  
 Christian people, raise your song  
 Christians, awake!  
 Christians, lift up your hearts  
 Christians lift your hearts  
 and voices  
 Christ's is the world  
 City of God, how broad and far  
 Clap your hands, all you people  
*Close to you*  
 Cloth for the cradle  
 Colours of day  
 Come, all who look to  
 Christ today  
 Come and celebrate  
 Come and join the celebration  
 Come and see  
 Come and see the shining hope  
 Come down, O Love divine

Come, faithful pilgrims all  
 Come, gracious Spirit,  
 heavenly Dove  
 Come, Holy Ghost,  
 our hearts inspire  
 Come, Holy Ghost,  
 our souls inspire  
 Come, Holy Spirit, come  
 Come into his presence  
 Come, let us join our  
 cheerful songs  
 Come, let us use the grace divine  
 Come, let us with our Lord arise  
*Come, light of our hearts*  
*Come, Lord Jesus*  
 Come, Lord, to our souls  
 Come, my Way, my Truth, my Life  
 Come, now is the time to worship  
 Come, now, the table's spread  
 Come, O thou traveller unknown  
 Come on and celebrate  
 Come on, let's get up and go  
 Come, risen Lord  
 Come, see the Lord  
 Come, thou Holy Spirit, come  
 Come, thou long-expected Jesus  
 Come, wounded healer  
 Come, ye faithful, raise the anthem  
 Come, ye faithful, raise the strain  
 Come, ye thankful people, come  
 Confitemini Domino  
 Creation sings!  
 Creator of the earth and skies  
 Creator of the starry height  
 Creator Spirit, come  
 Crown him with many crowns

**D**  
 Dance and sing  
*Days of Elijah*  
 Dear Lord and Father of mankind  
 Deck thyself, my soul,  
 with gladness  
*Deeper, wider, higher*  
 Ding dong, merrily on high!  
 Disposer supreme  
 Do not be afraid  
*Doxology*  
 Draw nigh and take the body

**E**  
 Earth has many a noble city  
 Eat this bread  
*Enemy of apathy*  
 Eternal Father; strong to save  
 Eternal God, we consecrate  
 Eternal Ruler of the  
 ceaseless round  
 Every minute of every day  
 Exaudi nos, Domine

**F**  
 Faithful One, so unchanging  
 Faithful Shepherd, feed me  
 Faithful vigil ended  
 Father God, I wonder  
 Father; hear the prayer we offer  
 Father; I place into your hands  
 Father in heaven, how we  
 love you

Father; Lord of all creation  
 Father; most holy, merciful  
 and loving  
 Father of heaven,  
 whose love profound  
 Father of peace, and God of love  
 Father; we adore you  
 Father; we love you  
 Father; we thank thee  
 Father welcomes all his children  
 Father; who in Jesus found us  
 Fight the good fight  
 Fill thou my life, O Lord my God  
 Fill your hearts with joy and  
 gladness  
 Filled with the Spirit's power  
 Finished the strife  
 Firmly I believe and truly  
 Fishes of the ocean  
 5000 + hungry folk  
 Follow me  
 For all the saints  
 For all thy saints, O Lord  
 For all your saints still active  
*For ever*  
 For I'm building a people of power  
 For Mary, mother of our Lord  
 For the beauty of the earth  
 For the days when you feel near  
 For the fruits of his creation  
 For the healing of the nations  
 Forgive our sins as we forgive  
 Forth in the peace of Christ  
 we go  
 Forth in thy name, O Lord, I go  
 Forty days and forty nights  
*Freely, freely*  
 From all that dwell below  
 the skies  
 From glory to glory advancing  
 From heaven you came  
 From many grains  
 From the eastern mountains  
 From the falter of breath  
 From the rising of the sun  
 From the sun's rising  
 From the very depths of darkness  
 From thee all skill and  
 science flow

**G**  
 Gather around, for the table  
 is spread  
*Gather us in*  
 Gifts of bread and wine  
 Give me joy in my heart  
 Give me peace, O Lord  
 Give thanks for those  
 Give thanks to the Lord  
 Give thanks with a grateful heart  
 Give to our God immortal praise  
 Give us the wings of faith  
 Gloria (Anderson)  
*Glorify your name*  
 Glorious things of thee  
 are spoken  
 Glory be to Jesus  
 Glory, love, and praise,  
 and honour

Glory to God (Peruvian Gloria)  
 Glory to God!  
 Glory to God above  
 Glory to thee, my God, this night  
 Glory to thee, O God  
 Go back, go back to Galilee  
 Go forth and tell  
 Go, tell it on the mountain  
 Go wandering in the sun  
*Go, tell everyone*  
 God be in my head  
 God be with you till we  
 meet again  
 God forgave my sin  
 God has spoken –  
 by the prophets  
 God, in the planning  
 God is good, God is great  
 God is here! As we his people  
 God is love: his the care  
 God is love: let heaven adore him  
 God is our strength from days  
 of old  
 God is the giver of love  
 God is working his purpose out  
*God knows me*  
 God moves in a mysterious way  
 God of grace and God of glory  
 God of life, God of love  
 God of love  
*God of mercy*  
 God of mercy, God of grace  
 God of the Passover  
*God of the poor*  
*God on earth*  
 God, our Creator  
 God rest you merry, gentlefolk  
 God save our gracious Queen  
 God that madest earth  
 and heaven  
 God the Father; name we treasure  
 God to whom you  
 God, whose city's sure foundation  
 God, whose farm is all creation  
 God's love is deeper  
 God's Spirit is in my heart  
*God's surprise*  
 Going home, moving on  
 Goliath was big and Goliath  
 was strong  
 Good Christians all, rejoice  
 Good Christians all, rejoice  
 and sing  
 Good King Wenceslas  
 Gracious Spirit, Holy Ghost  
 Grant us the courage,  
 gracious God  
*Great big God*  
 Great God, your love has called us  
 Great is the darkness  
 Great is the Lord and  
 most worthy of praise  
 Great is thy faithfulness  
*Great love*  
 Great Shepherd of thy people  
 Guide me, O thou  
 great Redeemer

**H**  
 Hail, gladdening Light  
 Hail the day that sees him rise  
 Hail, thou once despisèd Jesus  
 Hail to the Lord who comes  
 Hail to the Lord's anointed  
 Hail, true body  
 Halle, halle, halle  
 Hallelu, hallelu  
*Hallelujah*  
 Hands that have been handling  
 Happy are they, they that  
 love God  
 Hark! A herald voice is calling  
 Hark, my soul, it is the Lord  
 Hark, the glad sound!  
 Hark, the herald-angels sing  
 Have faith in God, my heart  
 Have you heard the raindrops  
 He has risen  
 He is exalted  
 He is Lord  
 He is the Lord  
*Heaven is in my heart*  
 Heaven is open wide  
 Heaven shall not wait  
 Help us, O Lord, to learn  
 Help us to help each other; Lord  
 Here am I, Lord  
 Here I am  
*Here I am, Lord*  
*Here I am to worship*  
 Here in this place  
 Here is bread  
 Here, O my Lord  
 Here on the threshold of a  
 new beginning  
 He's got the whole world in  
 his hand  
 Hills of the north, rejoice  
*Holy and anointed One*  
*Holy, holy*  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord  
 God almighty  
 Holy Spirit, come, confirm us  
 Holy Spirit, truth divine  
 Holy Spirit, will you be  
 Hosanna, hosanna  
*Hosanna to the Son of David*  
 How beauteous are their feet  
 How bright these glorious  
 spirits shine!  
 How deep the Father's love for us  
 How good is the God we adore  
*How great thou art*  
 How lovely on the mountains  
 How shall I sing that mastery  
 How sweet the name of  
 Jesus sounds

**I**  
 I am a new creation  
 I am the bread of life  
 I am trusting thee, Lord Jesus  
 I believe in Jesus  
 I bind unto myself today  
 I cannot tell  
 I come with joy  
*I could sing of your love for ever*  
 I danced in the morning  
 I give my hands  
 I give you all the honour  
 I give you love  
*I give you my heart*  
 I have a friend  
 I heard the voice of Jesus say  
 I love you, Lord, and I lift my voice  
 I need thee every hour  
*I really want to worship you*  
*I stand in awe*  
 I, the Lord of sea and sky  
 I watch the sunrise  
 I will offer up my life  
 I will sing the wondrous story  
*I will sing your praises*  
 I will worship  
*I worship you*  
 If I were a butterfly  
 If we only seek peace  
 If you believe and I believe  
 I'm accepted, I'm forgiven  
 I'm black, I'm white, I'm short,  
 I'm tall  
 I'm not ashamed to own my Lord  
 I'm special  
 Immortal, invisible, God only wise  
 Immortal love, for ever full  
 In bread we bring you, Lord  
 In Christ alone  
 In Christ there is no east or west  
 In full and glad surrender  
 In heavenly love abiding  
*In love for me*  
 In our day of thanksgiving  
 In the bleak mid-winter  
 In the Cross of Christ I glory  
 In the garden Mary lingers  
 In the Lord I'll be ever thankful  
 In the Lord is my joy  
 Inspired by love and anger  
 It came upon the midnight clear  
 It is a thing most wonderful  
*It's all about you*  
 It's me, O Lord  
 It's rounded like an orange

**J**  
*Jerusalem*  
 Jesu, grant me this, I pray  
 Jesu, Jesu, fill us with your love  
 Jesu, lover of my soul

Jesu, our hope, our heart's desire  
 Jesu, Son of Mary  
 Jesu, tawa pano  
 Jesu, the very thought of thee  
 Jesu, thou joy of loving hearts  
 Jesus, all for Jesus  
 Jesus, be the centre  
 Jesus bids us shine  
 Jesus calls us here to meet him  
 Jesus calls us: o'er the tumult  
 Jesus Christ  
 Jesus Christ is risen today  
 Jesus Christ is waiting  
 Jesus, good above all other  
 Jesus, humble was your birth  
 Jesus is greater  
 Jesus is King  
 Jesus is Lord! Creation's voice  
 proclaims it  
*Jesus is our God*  
*Jesus is our joy*  
 Jesus is the name we honour  
 Jesus, Jesus  
 Jesus lives! thy terrors now  
 Jesus, Lord, we look to thee  
 Jesus, Lord, we pray  
 Jesus' love is very wonderful  
 Jesus, lover of my soul  
 Jesus, name above all names  
 Jesus, Prince and Saviour  
 Jesus put this song  
 Jesus, remember me  
 Jesus shall reign  
 Jesus shall take the highest honour  
 Jesus, stand among us  
 Jesus, stand among us in thy  
 risen power  
 Jesus the Lord said: 'I am  
 the Bread'  
 Jesus, the name high over all  
*Jesus, we are here*  
 Jesus, we celebrate your victory  
 Jesus, we have heard your Spirit  
 Jesus, where'er thy people meet  
 Join the song of praise and protest  
 Joy to the world!  
 Jubilate, everybody  
 Judge eternal, throned  
 in splendour  
 Just a closer walk with thee  
 Just as I am, without one plea

**K**  
 Keep watch with me  
 Kindle a flame  
 King of glory, King of peace  
 King of kings and Lord of lords  
 King of kings, majesty  
*Knowing you*  
 Kum ba yah

**L**  
 Laudate Dominum  
 Lead, kindly light  
 Lead us, heavenly Father; lead us  
 Led like a lamb  
 Let all mortal flesh keep silence  
 Let all the world in every  
 corner sing  
 Let everything that has breath  
 Let love be found among us  
 Let saints on earth in concert sing  
*Let the flame burn brighter*  
 Let the mountains dance and sing  
 Let there be love  
 Let us break bread together  
 Let us build a house  
 Let us praise God together  
 Let us talents and tongues employ  
 Let us, with a glad some mind  
 Life for the poor was hard  
 and tough  
 Lift high the Cross  
 Lift up your heads  
 Lift up your hearts!  
 Lift up your voice  
 Light of the world  
*Light up the fire*  
 Light's abode, celestial Salem  
 Light's glittering morn  
 Like a candle flame  
 Like a mighty river flowing  
 Listen, let your heart keep seeking  
 Little donkey  
 Little Jesus, sweetly sleep  
*Living Lord*  
 Lo, he comes with clouds  
 descending  
 Lo, round the throne,  
 a glorious band  
 Long ago, prophets knew  
 Longing for light  
 Lord, enthroned in  
 heavenly splendour  
 Lord, for the years  
 Lord, have mercy (Ghana)  
 Lord, have mercy (Russian)  
 Lord, I come before your  
 throne of grace  
 Lord, I come to you  
 Lord, I have made thy word  
 my choice  
 Lord, I lift my hands to you  
 in prayer  
 Lord, I lift your name on high  
 Lord, it belongs not to my care  
 Lord Jesus Christ  
 Lord Jesus Christ, be present  
 Lord Jesus, think on me  
 Lord of all being  
 Lord of all hopefulness  
 Lord of all life and power

Lord of all, to whom alone  
 Lord of beauty, thine the  
 splendour  
 Lord of creation,  
 to you be all praise!  
 Lord of creation, may your  
 will be done  
 Lord of life  
 Lord of lords and King eternal  
 Lord of the boundless curves  
*Lord of the Dance*  
 Lord of the future  
 Lord of the worlds above  
 Lord, teach us how to pray aright  
 Lord, the light of your love  
 Lord, there are times  
 Lord, thy word abideth  
 Lord, today your voice is calling  
 Lord, we come to ask your healing  
 Lord, we thank you for  
 the promise  
 Lord, we turn to you for mercy  
 Lord, when I turn my back on you  
 Lord, you call us to a journey  
 Lord, you created  
 Lord, you have my heart  
 Love came down at Christmas  
 Love divine, all loves excelling  
 Love is his word  
 Lovely in your littleness  
 Love's redeeming work is done  
 Loving Shepherd of thy sheep  
 Low in the grave he lay

**M**

Magnificat  
*Magnificat*  
 Majesty, worship his majesty  
 Make me a channel of your peace  
 Make way, make way  
*Mallaig Sprinkling Song*  
 Mary, blessed grieving mother  
 Mary had a baby  
 May God's blessing surround you  
 May the fragrance of Jesus fill  
 this place  
 May the grace of Christ our  
 Saviour  
 May the mind of Christ  
 my Saviour  
 Meekness and majesty  
 Men of faith  
 Morning glory, starlit sky  
 Morning has broken  
 Moses, I know you're the man  
*My desire*  
 My faith looks up to thee  
 My Father, for another night  
 My God, accept my heart this day  
 My God, and is thy table spread  
 My God, how wonderful you are  
 My God, I love thee  
 My heart will sing to you  
 My Jesus, my Saviour  
 My Lord, what love is this  
 My song is love unknown  
 My spirit longs for thee

**N**

Nada te turbe  
 Name of all majesty  
 Nearer, my God, to thee  
 New every morning is the love  
 New songs of celebration render  
*New Wine*  
 Not far beyond the sea  
*Nothing can trouble*  
 Now is eternal life  
 Now let us from this table rise  
 Now, my tongue,  
 the mystery telling  
 Now thank we all our God  
 Now the green blade riseth

**O**

O come, all ye faithful  
 O come, O come, Emmanuel  
 O comfort my people  
 O day of God, draw nigh  
 O dearest Lord, thy sacred head  
 O for a closer walk with God  
 O for a heart to praise my God  
 O for a thousand tongues to sing  
 O give thanks (Kendrick)  
 O give thanks (Pond)  
 O God beyond all praising  
 O God of Bethel, by whose hand  
 O God of earth and altar  
 O God, our help in ages past  
 O God, unseen but ever near  
 O God, you search me  
 O happy band of pilgrims  
 O happy day  
 O, heaven is in my heart  
 O holy, heavenly kingdom  
 O Holy Spirit, Lord of grace  
 O, how good is the Lord  
 O Jesus, I have promised  
 O King enthroned on high  
 O let the Son of God enfold you  
 O little town of Bethlehem  
 O Lord, all the world belongs  
 to you  
 O Lord, hear my prayer  
 O Lord, listen to my prayer  
 O Lord, my God!  
 O Lord, my heart is not proud  
 O Lord of every shining  
 constellation  
 O Lord of heaven and earth  
 and sea  
 O Lord, we want to praise you  
 O Lord, your tenderness  
 O love divine, how sweet  
 thou art!  
 O love, how deep, how broad,  
 how high  
 O love that wilt not let me go  
 O my Saviour, lifted from  
 the earth  
 O perfect love  
 O praise ye the Lord!  
 O raise your eyes on high  
 O sacred head, surrounded  
 O strength and stay  
 O, the love of my Lord

O thou, who at thy Eucharist  
 didst pray  
 O thou who camest from above  
 O when the saints go marching in  
 O worship the King  
 O worship the Lord in the beauty  
 of holiness  
 Of the Father's love begotten  
 Oft in danger, oft in woe  
 Oh, the life of the world  
 On a hill far away  
 On Christmas night all  
 Christians sing  
 On Jordan's bank the Baptist's cry  
 On the day of Pentecost  
 On the holy cross I see  
*Once again*  
 Once in royal David's city  
 Once, only once, and once for all  
 One is the body  
 One more step along the  
 world I go  
 One shall tell another  
*One who intercedes*  
 One whose heart is hard as steel  
 Only by grace  
 Onward, Christian pilgrims  
 Open our eyes, Lord  
 Open the eyes of my heart  
 Our blest Redeemer, ere he  
 breathed  
 Our Father (Caribbean)  
 Our Father (Wiener)  
 Our Father God in heaven  
 Our God is a great big God  
 Our God is so great  
 Our God loves us  
*Our God reigns*  
 Over all the earth  
 Over the earth is a mat of green  
 Over the mountains and the sea  
 Overwhelmed by love

**P**

Peace is flowing like a river  
 Peace, perfect peace, in this dark  
 world of sin  
 Peace, perfect peace, is the gift  
 Peace to you  
*Power of your love*  
 Praise and thanksgiving  
 Praise God from whom all  
 blessings flow  
 Praise him on the trumpet  
 Praise him, praise him,  
 all his children  
 Praise him, praise him, praise him  
 Praise, my soul, the King of heaven  
 Praise, O praise our God and King  
 Praise the Lord, ye heavens,  
 adore him  
 Praise to God for saints  
 and martyrs  
 Praise to the Holiest  
 Praise to the Lord, the Almighty  
 Praise we now the word of grace  
 Proclaim, proclaim the story  
 Purify my heart  
 Push, little seed  
 Put peace into each other's hands  
 Put thou thy trust in God

**R**

*Refiner's fire*  
 Rejoice in God's saints  
 Rejoice in the Lord always  
 Rejoice, O land, in God thy might  
 Rejoice, the Lord is King  
*Reproaches*  
 Restore, O Lord  
*Resurrection breakfast*  
 Ride on, ride on in majesty  
*Right where we are*  
 Rise and hear! The Lord  
 is speaking  
 Rise and shine  
 Rock of ages  
 Round me falls the night

**S**

Saint Luke, beloved physician  
 Salvation belongs to our God  
 Sanctus, sanctus, sanctus  
 Saviour, again to thy dear name  
 we raise  
 See, amid the winter's snow  
 See him lying on a bed of straw  
 See the holy table, spread for  
 our healing  
 Seek ye first  
 Send forth your Spirit, Lord  
*Send me, Lord*  
 She sits like a bird  
 Shepherd divine, our wants relieve  
*Shine, Jesus, shine*  
 Shout for joy and sing  
*Shout to the Lord*  
*Shout to the north*  
 Show me how to stand for justice  
*Show your power*  
 Silent night  
 Silent, surrendered  
*Sing hosanna*  
 Sing it in the valleys  
 Sing lullaby  
 Sing, my tongue, the glorious  
 battle  
 Sing of the Lord's goodness  
*Sing praise*  
 Sing praise to God who reigns  
 above  
 Sing to God a song of glory  
 Sing we of the blessed Mother  
 Son of God, eternal Saviour  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Spirit divine, attend our prayers  
 Spirit of God  
 Spirit of God, our light amid the  
 darkness  
 Spirit of the living God  
 (Armstrong)  
 Spirit of the living God (Iverson)  
*Spirit song*  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Stay with me  
 Steal away  
*Story of love*  
 Strengthen for service, Lord  
 Such love

The world is full of smelly feet  
Thee we adore, O hidden  
    Saviour; thee  
There are hundreds of sparrows  
There in God's garden  
There is a green hill far away  
There is a land of pure delight  
There is a longing  
There is a Redeemer  
There's a place where the  
    streets shine  
There's a quiet understanding  
There's a spirit in the air  
There's a wideness in  
    God's mercy  
These are the days  
These vows of love are taken  
Thine arm, O Lord, in days of old  
Thine be the glory  
Thine for ever! God of love  
Think of a world without  
    any flowers  
This day God gives me  
This is my body  
This is my desire  
This is my will  
This is the air I breathe  
This is the day  
This is the day the Lord has made  
    *This is your God*  
This joyful Eastertide  
This little light of mine  
    *This thankful heart*  
This world you have made  
Thou art the Christ, O Lord  
Thou art the Way; by thee alone  
Thou didst leave thy throne  
Thou, whose almighty word  
Though pilgrim strangers  
    here below  
Through all the changing scenes  
    of life  
Through the night of doubt  
    and sorrow

Thuma mina  
Thy hand, O God, has guided  
Thy kingdom come  
Thy kingdom come, O God  
'Tis good, Lord, to be here  
To be in your presence  
To God be the glory!  
To mock your reign,  
    O dearest Lord  
To the name of our salvation  
To thee, O Lord, our hearts  
    we raise

**U**  
Ubi caritas  
Unto us a boy is born  
**V**  
Veni, lumen cordium  
Virgin-born, we bow before thee

**W**  
Wait for the Lord  
Wake, O waker! with  
    tidings thrilling  
Waken, O sleeper; wake and rise  
    *Walk in the light*  
Walk with me, O my Lord  
    *Water of life*  
We are marching  
We believe in God the Father  
We bow down  
We cannot measure  
We eat the plants that grow  
    from the seed  
We gather here  
We give immortal praise  
We hail thy presence glorious  
We have a dream  
We have a gospel to proclaim  
We have a King who rides  
    a donkey  
We love the place, O God  
We plough the fields and scatter  
We praise you, Lord  
We pray thee, heavenly Father  
We sing the praise of him  
    who died  
We three kings of Orient are  
We turn to you  
We want to see Jesus lifted high  
We will lay our burden down  
    *We worship at your feet*  
We'll walk the land  
Were you there when they  
    crucified my Lord?  
What a friend we have in Jesus  
What child is this  
When all thy mercies, O my God  
When God almighty came  
    to earth

When God made the garden  
    of creation  
When God of old came down  
    from heaven  
When I feel the touch  
When I look into your holiness  
When I needed a neighbour  
When I survey the  
    wondrous cross  
When Jesus came to Jordan  
When morning gilds the skies  
When the music fades  
When the Spirit of the Lord  
Where is this stupendous  
    stranger?  
Wherefore, O Father  
While shepherds watched  
Who are these like  
    stars appearing  
Who can sound the depths  
    of sorrow  
Who is there like you  
Who put the colours in the  
    rainbow?  
Who would think that what  
    was needed  
Wide, wide as the ocean  
Will you come and follow me  
Will your anchor hold  
With joy we meditate the grace  
Within our darkest night  
    *Within the reign of God*  
Wonderful, so wonderful

**Y**  
Ye choirs of new Jerusalem  
Ye holy angels bright  
Ye servants of God  
Ye servants of the Lord  
Ye that know the Lord is gracious  
Ye watchers and ye holy ones  
Ye who own the faith of Jesus  
Yesterday, today, for ever  
You are beautiful  
You are the centre  
You are the King of Glory  
    *You came from heaven to earth*  
You laid aside your majesty  
You, living Christ, our  
    eyes behold  
You, Lord, are in this place  
You shall go out with joy  
You stood there on the shoreline  
Your love is amazing  
    *You're alive*  
    *You're worthy of my praise*  
Your love's greater

Abba, Father, let me be  
Abide with me  
A brighter dawn is breaking  
A great and mighty wonder  
Ah, holy Jesu, how hast  
    thou offended  
    *All are welcome*  
All creatures of our God  
    and King  
Alleluia (x8)  
Alleluia! alleluia!  
Alleluia, alleluia, give thanks  
Alleluia, alleluia, hearts to heaven  
    *Alleluia! Raise the Gospel*  
Alleluia, sing to Jesus  
All for Jesus!  
All glory, laud and honour  
All hail the Lamb

All hail the power of Jesus' name  
All heaven declares  
All in an Easter garden  
All I once held dear  
All my hope on God is founded  
All night, all day  
All over the world  
All people that on earth  
    do dwell  
All praise to our redeeming Lord  
All that I am  
All the nations of the earth  
All things bright and beautiful  
All who would valiant be  
All you who seek a comfort sure  
A man there lived in Galilee  
    *Amazing grace*  
And can it be

And did those feet in  
    ancient time  
And now, O Father, mindful  
    of the love  
A new commandment  
Angels from the realms of glory  
Angel-voices ever singing  
An upper room did our  
    Lord prepare  
Ascribe greatness  
    *As gentle as silence*  
As pants the hart for cooling  
    streams  
As the deer pants for the water  
As we are gathered  
As with gladness men of old  
As your family, Lord, see us here  
At even, ere the sun was set  
    *A touching place*

At the cross her station keeping  
At the dawning of creation  
At the Lamb's high feast we sing  
At the name of Jesus  
At this time of giving  
Author of life divine  
Awake, awake, fling off the night  
Awake, my soul, and with the sun  
Away in a manger

#### B

Beauty for brokenness  
    *Because he lives*  
Before the ending of the day  
Before the throne of God above  
Beloved, let us love  
Beneath the cross of Jesus  
Be still and know that I am God

# Hymns Old & New One Church, One Faith, One Lord

## A to Z of First Lines *Alternative titles are indented and in italics*

Be still for the presence of  
the Lord  
Be still, my soul  
*Be the centre*  
Be the centre of my life  
Be thou my guardian and  
my guide  
Be thou my vision  
Beyond all mortal praise  
Blessèd be the Lord God Almighty  
*Biggest isn't always best*  
Bind us together, Lord  
Blessed assurance  
*Blessèd be the Lord God*  
*Almighty*  
Bless the Lord, O my soul  
Blest are the pure in heart  
Blest Creator of the light  
Born in the night, Mary's child  
Bread is blessed and broken  
Bread of heaven, on thee we feed  
Bread of the world in  
mercy broken  
Break the bread and pour  
the wine  
Break thou the bread  
Breathe on me, Breath of God  
*Bridegroom and bride*  
Brightest and best  
Bright the vision that delighted  
Broken for me  
Brother, sister, let me serve you

Clap your hands, all you people  
*Close to you*  
Cloth for the cradle  
Colours of day  
Come, all who look to  
Christ today  
Come, and celebrate  
Come and see  
Come and see the shining hope

Come down, O Love divine  
Come, faithful pilgrims all  
Come, Holy Ghost, our  
hearts inspire  
Come, Holy Ghost, our  
souls inspire  
Come, Holy Spirit, come  
Come into his presence  
Come, let us join our

Come, let us sing  
Come, let us use the grace divine  
*Come, Lord Jesus*  
Come, my Way, my Truth, my Life  
Come, now is the time  
Come now, the table's spread  
Come on and celebrate  
Come on, let's get up and go  
Come, thou Holy Spirit, come  
Come, thou long-expected Jesus  
Come, wounded Healer  
Come, ye faithful, raise the anthem  
Come, ye faithful, raise the strain  
Come, ye thankful people, come  
Compassion walks the city streets  
Creation sings!  
Creator of the starry height  
Crown him with many crowns  
Cry 'Freedom!'

**D**

Dance in your Spirit  
Dear Lord and Father of mankind  
*Deeper, wider, higher*  
Ding dong, merrily on high!  
Disposer supreme  
Do not be afraid

**E**  
Earth has many a noble city  
*Enemy of apathy*

Eternal Ruler of the

**F**  
Faithful One, so unchanging  
Faithful Shepherd, feed me  
Faithful vigil ended  
Father God, I wonder  
Father, hear the prayer we offer  
Father in heaven, how we love you  
Father, I place into your hands  
Father, Lord of all creation  
Father most holy, merciful  
and loving  
Father of heaven, whose love  
profound

Father of peace, and God of love  
Father, we adore you  
Father welcomes all his children  
Father, we love you  
Father, who in Jesus found us  
Fight the good fight  
Filled with the Spirit's power  
Fill thou my life, O Lord my God  
Fill your hearts with joy and  
gladness  
Finished the strife  
Firmly I believe and truly  
Fishes of the ocean  
5000 + hungry folk  
Follow me  
For all the saints  
For all your saints still active  
Forgive our sins as we forgive  
For God so loved the world  
For I'm building a people of power  
For Mary, mother of our Lord  
For the beauty of the earth  
For the days when you feel near  
For the fruits of his creation  
For the healing of the nations  
Forth in the peace of Christ  
we go  
Forth in thy name, O Lord, I go  
Forty days and forty nights  
*Freely, freely*  
From glory to glory advancing  
From heaven you came  
From many grains  
From the falter of breath  
From the rising of the sun  
From the sun's rising  
From the very depths of darkness

**G**  
Gather around, for the table  
is spread  
*Gather us in*  
Gifts of bread and wine  
Give me joy in my heart  
Give me peace, O Lord  
*Give thanks for saints*  
Give thanks for those  
Give thanks with a grateful heart  
Give to our God immortal praise  
Give us the wings of faith  
*Glorify your name*  
Glorious things of thee are spoken  
Glory be to Jesus  
Glory to God above  
Glory to thee, my God, this night  
Go back, go back to Galilee  
God be in my head  
God be with you till we meet again  
God forgave my sin  
God has spoken – by  
the prophets

God, in the planning  
God is good, God is great  
God is here! As we his people  
God is love: his the care  
God is love: let heaven adore him  
God is our strength from days  
of old  
God is the giver of love  
God is working his purpose out  
*God knows me*  
God moves in a mysterious way  
God of grace and God of glory  
God of life, God of love  
God of love  
*God of mercy*  
God of mercy, God of grace  
God of the Passover  
*God of the poor*  
*God on earth*  
God our Creator  
God rest you merry, gentlefolk  
God save our gracious Queen  
God sent his Son  
God's love is deeper  
God's not dead  
God's Spirit is in my heart  
*God's surprise*  
God that madest earth  
and heaven  
God to enfold you  
God, whose farm is all creation  
God, whose love is all around us  
Go forth and tell  
Go forward, people of God, today  
Going home  
Goliath was big and Goliath  
was strong  
Good Christians all, rejoice  
Good Christians all, rejoice  
and sing  
Good King Wenceslas  
Go peaceful, in gentleness  
*Go tell everyone*  
Go, tell it on the mountain  
Go wandering in the sun  
Gracious Spirit, Holy Ghost  
Grant us the courage,  
gracious Lord  
*Great big God*  
Great God, your love has called us  
Great is the darkness  
Great is the Lord and most  
worthy of praise  
Great is thy faithfulness  
*Great love*  
Great Shepherd of thy people  
Guide me, O thou  
great Redeemer

**H**

Hail, gladdening Light  
 Hail the day that sees him rise  
 Hail, thou once despised Jesus  
 Hail to the Lord's anointed  
 Hallelu, hallelu  
 Happy are they, they that love God  
 Hark! A herald voice is calling  
 Hark, my soul, it is the Lord  
 Hark, the glad sound!  
 Hark, the herald-angels sing  
 Have faith in God, my heart  
 Have mercy on us, O Lord  
 Have you heard the raindrops

*Heaven is in my heart*  
 Heaven is open wide  
 Heaven shall not wait  
 He is exalted  
 He is Lord  
 Help us, O Lord, to learn  
 Help us to help each other; Lord  
 Here I am

*Here I am, Lord*  
 Here in this place  
 Here is bread  
 Here is love  
 Here, Lord, we take the  
 broken bread  
 Here, O my Lord  
 Here on the threshold of a  
 new beginning

Here you are among us  
 He's got the whole world in  
 his hand  
 He's the Saviour of my soul  
 Hills of the north, rejoice  
*His eye is on the sparrow*  
*Holy and anointed One*  
*Holy, holy*

Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God almighty  
 Holy Spirit, come, confirm us  
 Holy Spirit, hear us  
 Holy Spirit, truth divine  
 Holy Spirit, will you be  
 Hosanna, hosanna

*Hosanna to the Son of David*  
 How good is the God we adore  
*How great thou art*  
 How lovely on the mountains  
 How shall I sing that majesty  
 How sweet the name of  
 Jesus sounds  
*Humble dignity*

**I**

I am a new creation  
 I am the bread of life  
 I am trusting thee, Lord Jesus  
 I believe in Jesus  
 I bind unto myself today  
 I cannot tell  
 I come with joy  
*I could sing of your love forever*

I danced in the morning  
 If I were a butterfly  
 If on our hearts  
 If we only seek peace  
 If you believe and I believe  
 I give my hands  
 I give you all the honour  
 I give you love  
 I gotta home in gloryland  
 I have a friend  
 I heard the voice of Jesus say  
 I know that my Redeemer lives  
 I lift my eyes to the quiet hills  
 I love you, Lord, and I lift my voice  
 I'm accepted, I'm forgiven  
 I'm black, I'm white, I'm short,  
 I'm tall

Immortal, invisible, God only wise  
 Immortal love, for ever full  
 I'm not ashamed to own my Lord  
 In bread we bring you, Lord  
 In Christ alone  
 In Christ there is no east or west  
 I need thee every hour  
 I need you, Lord  
 Infant holy, infant lowly  
 In full and glad surrender  
 In heavenly love abiding

*In love for me*  
 In our day of thanksgiving  
 Inspired by love and anger  
 In the bleak mid-winter  
 In the cross of Christ I glory  
 In the darkness of night  
 In the garden Mary lingers  
 I reach up high  
*I really want to worship you*  
*I stand in awe*

It came upon the midnight clear  
 I, the Lord of sea and sky  
 It is a thing most wonderful  
 It's me, O Lord  
 It's rounded like an orange  
 I watch the sunrise  
 I will offer up my life  
 I will sing the wondrous story  
*I will sing your praises*  
*I worship you*

**J**

*Jerusalem*  
 Jesu, grant me this, I pray  
 Jesu, Jesu, fill us with your love  
 Jesu, lover of my soul  
 Jesus, be the centre  
 Jesus bids us shine  
 Jesus calls us here to meet him  
 Jesus calls us: o'er the tumult  
 Jesus Christ  
 Jesus Christ is risen today  
 Jesus Christ is waiting  
 Jesus, good above all other  
 Jesus is greater  
 Jesus is King  
 Jesus is Lord! Creation's voice  
 proclaims it

*Jesus is our God*  
*Jesus is our joy*  
 Jesus is the name we honour  
 Jesus, Jesus  
 Jesus, Jesus, Jesus  
 Jesus lives! Thy terrors now  
 Jesus' love is very wonderful  
 Jesus, name above all names  
 Jesu, Son of Mary  
 Jesus, Prince and Saviour  
 Jesus put this song  
 Jesus shall reign  
 Jesus shall take the highest honour  
 Jesus, stand among us at the  
 meeting of our lives  
 Jesus, stand among us in thy  
 risen power  
 Jesus the Lord said: 'I am  
 the Bread'  
 Jesus, the name high over all  
 Jesus turned the water into wine  
 Jesus, where'er thy people meet  
 Jesu, the very thought of thee  
 Jesu, thou joy of loving hearts  
*Jesus, we are here*  
 Join the song of praise and protest  
 Joy to the world!  
 Jubilate, everybody  
 Judge eternal, throned in  
 splendour  
 Just a closer walk with thee  
 Just as I am, without one plea

**K**

King of glory, King of peace  
 King of kings and Lord of lords  
*Knowing you*  
 Kum ba yah

**L**

Lead, kindly light  
*Lead my people to freedom*  
 Lead us, heavenly Father, lead us  
 Led like a lamb  
 Let all mortal flesh keep silence  
 Let all the world in every  
 corner sing  
 Let love be real  
 Let saints on earth in concert sing  
*Let the flame burn brighter*  
 Let the heavens worship  
 Let the mountains dance and sing  
 Let there be love  
 Let us break bread together  
 Let us build a house where love  
 can dwell  
 Let us praise God together  
 Let us talents and tongues employ  
 Let us with gladsome mind  
 Let your living water flow  
 Life for the poor was hard  
 and tough  
 Lift high the Cross  
 Lift up your hearts!  
 Lift up your voice  
 Light's abode, celestial Salem

*Light up the fire*  
 Like a candle flame  
 Like a dove come to me  
 Like a mighty river flowing  
 Listen, let your heart keep seeking  
 Little donkey  
 Little Jesus, sleep away  
*Living Lord*  
*Living Water*  
 Living with sorrow  
 Lo, he comes with clouds  
 descending  
 Long ago, prophets knew  
 Longing for light  
 Lord, enthroned in heavenly  
 splendour  
 Lord, for the years  
 Lord, I come to you  
 Lord, I lift my hands to you  
 Lord, I lift your name on high  
 Lord Jesus, at your coming  
 Lord Jesus Christ  
 Lord Jesus, think on me  
 Lord of all hopefulness  
 Lord of all life and power  
 Lord of Creation  
 Lord of our life, and God of  
 our salvation  
*Lord of the dance*  
 Lord of the future  
 Lord, teach us how to pray aright  
 Lord, the light of your love  
 Lord, there are times when I have  
 to ask 'Why?'  
 Lord, thy word abideth  
 Lord, today your voice is calling  
 Lord, we come to ask your healing  
 Lord, we thank you for  
 the promise  
 Lord, we turn to you for mercy  
 Lord, when I turn my back on you  
 Lord, you call us to a journey  
 Lord, you created a world full  
 of splendour  
 Lord, you have my heart  
 Love came down at Christmas  
 Love divine, all loves excelling  
 Love is his word  
 Lovely in your littleness  
 Love's redeeming work is done  
 Loving Shepherd of thy sheep  
 Low in the grave he lay

**M**

*Magnificat*  
 Majesty, worship his majesty  
 Make me a channel of your peace  
 Make way, make way  
*Mallaig sprinkling song*  
 Man of sorrows  
 Mary, blessed grieving mother  
 Mary had a baby  
 Mary kneeling, at the angel's word  
 May God's blessing surround you  
 May the fragrance of Jesus fill  
 this place

# Hymns Old & New One Church, One Faith, One Lord

## A to Z of First Lines *Alternative titles are indented and in italics*

May the grace of Christ  
our Saviour  
May the mind of Christ  
my Saviour  
Meekness and majesty  
Mine eyes have seen the glory  
Morning has broken  
Moses, I know you're the man  
Most glorious God, for breath  
and birth  
*My desire*  
My faith looks up to thee  
My God, and is thy table spread  
My God, how wonderful you are  
My God, I love thee  
My heart will sing to you  
My Jesus, my Saviour  
My Lord, what love is this  
My song is love unknown  
*My tribute*

**N**  
Name of all majesty  
Nearer, my God, to thee  
New every morning is the love  
Newness  
New songs of celebration render  
*New Wine*  
Now is eternal life  
Now let us from this table rise  
Now, my tongue, the mystery  
telling  
Now thank we all our God  
Now the green blade riseth

**O**  
O Breath of Life  
O come, all ye faithful  
O come, O come, Emmanuel  
O comfort my people  
O dearest Lord, thy sacred head  
O for a closer walk with God  
O for a heart to praise my God  
O for a thousand tongues to sing  
Of the Father's love begotten  
Oft in danger, oft in woe  
O give thanks  
O give thanks  
O God beyond all praising  
O God of Bethel, by whose hand  
O God of earth and altar  
O God of grace, we thank you  
O God, our help in ages past  
O God, unseen but ever near  
O God, you search me  
O happy band of pilgrims  
O happy day  
O, heaven is in my heart  
O Holy, Heavenly Kingdom  
O Holy Spirit, Lord of grace  
O, how good is the Lord

Oh the life of the world  
O Jesus, I have promised  
O King enthroned on high  
O let the Son of God enfold you  
O little one sweet, O little  
one mild  
O little town of Bethlehem  
O Lord, all the world belongs  
to you  
O Lord, my God  
O Lord, we want to praise you  
O Lord, your tenderness  
O love, how deep, how broad,  
how high  
O love that wilt not let me go  
O my Saviour, lifted from  
the earth  
On a hill far away  
*Once again*  
Once in royal David's city  
Once, only once, and once for all  
On Christmas night all  
Christians sing  
One is the body  
One more step along the  
world I go  
One shall tell another  
One whose heart is hard as steel  
On Jordan's bank the Baptist's cry  
Only by grace  
*One who intercedes*  
Onward, Christian pilgrims  
Open our eyes, Lord  
O perfect love  
O praise ye the Lord!  
O sacred head, surrounded  
O strength and stay  
O the deep, deep love of Jesus!  
O, the love of my Lord  
O thou, who at thy Eucharist  
did pray  
O thou who camest from above  
Our blest Redeemer, ere he  
breathed  
Our Father (Caribbean)  
Our Father (Wiener)  
Our Father God in heaven  
Our God is a great big God  
Our God is so great  
Our God loves us  
*Our God reigns*  
Over the earth is a mat of green  
Over the mountains and the sea  
Overwhelmed by love  
O when the saints go marching in  
O worship the King  
O worship the Lord in the  
beauty of holiness

**P**  
Peace before us

Peace is flowing like a river  
Peace, perfect peace in this dark  
world of sin  
Peace, perfect peace, is the gift  
Peace to you  
*Power of your love*  
Praise and thanksgiving  
Praise be to God for servants  
of the world  
*Praise for creation*  
Praise God from whom all  
blessings flow  
Praise God from whom all  
blessings flow  
Praise him on the trumpet  
Praise him, praise him, all  
his children  
Praise him, praise him, praise him  
Praise, my soul, the King of heaven  
Praise, O praise our God and King  
Praise the Lord, ye heavens,  
adore him  
Praise to God for saints  
and martyrs  
Praise to the Holiest  
Praise to the Lord, the Almighty  
*Prayer of peace*  
Proclaim, proclaim the story  
Purify my heart  
Push, little seed  
Put peace into each other's hands  
Put thou thy trust in God

**R**  
*Refiner's Fire*  
Rejoice, heavenly powers  
Rejoice in God's saints  
Rejoice in the Lord always  
Rejoice, O land, in God thy might  
Rejoice, the Lord is King  
*Reproaches*  
Restore, O Lord  
*Resurrection breakfast*  
Ride on, ride on in majesty  
*Right where we are*  
Rise and shine  
Rock of ages

**S**  
Saint Luke, beloved physician  
Sanctus, sanctus, sanctus  
Saviour; again to thy dear name  
we raise  
See, amid the winter's snow  
See him lying on a bed of straw  
Seek ye first  
See the holy table, spread for  
our healing  
Send forth your Spirit, Lord  
*Send me, Lord*  
She sits like a bird

*Shine, Jesus, shine*  
Shout for joy and sing  
*Shout to the Lord*  
Silent night  
Sing for God's glory  
*Sing hosanna*  
Sing lullaby  
Sing, my tongue, the glorious  
battle  
Sing of the Lord's goodness  
*Sing praise*  
Sing to God new songs  
of worship  
Sing we of the blessed Mother  
Sing we to God our Father  
Songs of praise the angels sang  
Songs of thankfulness and praise  
Soul of my Saviour  
Spirit divine, attend our prayers  
Spirit of God  
Spirit of God, our light amid the  
darkness  
Spirit of the living God  
(Armstrong)  
Spirit of the living God (Iverson)  
*Spirit song*  
Stand up and bless the Lord  
Stand up, stand up for Jesus  
Steal away  
*Story of love*  
Strengthen for service, Lord  
Such love  
Sun of my soul, thou Saviour dear  
Sweet sacrament divine

**T**  
Take me, Lord  
Take my hands, Lord  
Take my life, and let it be  
Take this day  
Take this moment  
Take up thy cross, the Saviour said  
Teach me, my God and King  
Teach me to dance  
Tell his praise in song and story  
Tell out, my soul  
Thanks be to God  
Thanks for the fellowship  
Thanks to God whose word  
Thank you for saving me  
Thank you for the summer  
morning  
Thank you, Lord  
The advent of our King  
The angel Gabriel from  
heaven came  
*The Beatitudes*  
*The candle song*  
The Church of God a kingdom is  
The Church's one foundation

The day of resurrection  
 The day thou gavest, Lord,  
 is ended  
 Thee we adore, O hidden  
 Saviour; thee  
 The first Nowell  
*The giving song*  
 The God of Abraham praise  
 The God of love my shepherd is  
 The gracious invitation stands  
 The head that once was crowned  
 with thorns  
*The heart of worship*  
 The holly and the ivy  
 The kingdom of heaven  
 The King is among us  
 The King of love my shepherd is  
*The last journey*  
 The Lord is risen indeed  
 The Lord's my shepherd  
 (Crimond)  
 The Lord's my shepherd  
 (Townend)  
 The love we share  
*The old rugged cross*  
 The peace of the earth be  
 with you  
*The people of God*  
 The race that long in  
 darkness pined  
 The Summons  
 There are hundreds of sparrows  
 There is a green hill far away  
 There is a longing  
 There is a Redeemer  
 There's a quiet understanding  
 There's a song in the heart  
 of creation  
 There's a spirit in the air  
 There's a wideness in  
 God's mercy  
 The royal banners forward go  
 The Saviour will come,  
 resplendent in joy  
*The Servant King*  
*The servant song*  
 These vows of love are taken  
*The giving song*

The Spirit lives to set us free  
 The strife is o'er, the battle done  
*The Summons*  
*The trees of the field*  
 The Virgin Mary had a baby boy  
 The voice from the bush  
 The wise man  
 The world is full of smelly feet  
 They had lost the will to live  
 Thine arm, O Lord, in days of old  
 Thine be the glory  
 Thine for ever! God of love  
 Think of a world without  
 any flowers  
 This thankful heart  
 This is my body  
 This is my will  
 This is the day  
 This is the day the Lord has made  
*This is your God*  
 This joyful Eastertide  
 This little light of mine  
*This thankful heart*  
 This world you have made  
 Thou art the Way; by thee alone  
 Thou didst leave thy throne  
 Though pilgrim strangers  
 Thou, whose almighty word  
 Three in One, and One in Three  
 Through all the changing scenes  
 of life  
 Through the night of doubt and  
 sorrow  
 Tú estas presente  
 Thuma Mina  
 Thy hand, O God, has guided  
 Thy kingdom come!  
 Thy kingdom come, O God  
 Thy way, not mine, O Lord  
 To be in your presence  
 To God be the glory!  
 To God be the glory (Crouch)  
 To thee, O Lord, our hearts  
 we raise  
 To the name of our salvation  
*Trust in the Lord*

**U**  
 Unto us a boy is born

**V**  
 Virgin-born, we bow before thee

**W**  
 Walk in the light  
 Waken, O sleeper; wake and rise  
 Wake, O wake! With tidings  
 thralling  
 Walking in a garden  
*Walk in the light*  
*Water of Life*  
 We are marching  
 We believe in God the Father  
 We call to mind the needs  
 We cannot measure  
 We eat the plants that grow from  
 the seed  
 We gather here, we gather now  
 We give immortal praise  
 We hail thy presence glorious  
 We have a dream  
 We have a gospel to proclaim  
 We have a King who rides on  
 a donkey  
 We'll walk the land  
 We love the place, O God  
 We plough the fields and scatter  
 We pray thee, heavenly Father  
 Were you there when they  
 crucified my Lord?  
 We sing the praise of him  
 who died  
 We three kings of Orient are  
 We turn to you  
 We want to see Jesus lifted high  
 We will lay our burden down  
 We will praise  
*We worship at your feet*  
 What a friend we have in Jesus  
 What a wonderful change  
 What child is this  
 What debt of sin that none  
 can pay  
 What kind of greatness  
 When a knight has won his spurs  
 When all thy mercies, O my God

When days are touched  
 with sadness  
 When God Almighty came  
 to earth  
 When God made the garden  
 of creation  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When I survey the  
 wondrous cross  
 When morning gilds the skies  
 When our God came to earth  
 When the music fades  
 When the Spirit of the Lord  
 When we walk with the Lord  
 While shepherds watched  
 Who can sound the depths  
 of sorrow  
 Who is this so weak and helpless  
 Who put the colours in  
 the rainbow?  
 Who would think  
 Why should I feel discouraged  
 Wide, wide as the ocean  
 Will you come and follow me  
 Will your anchor hold

**Y**  
 Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye servants of the Lord  
 Yesterday, today, for ever  
 Ye watchers and ye holy ones  
 Ye who own the faith of Jesus  
 You are beautiful  
 You are the King of Glory  
 You laid aside your majesty  
*You're alive*  
 You ride on the wings of the wind  
 Your love's greater  
 You shall go out with joy  
 You stood there on the shoreline

**Z**  
 Zacchaeus was a very little man  
 Zip bam boo

 Keep watch with me  
 Kindle a flame  
 Laudate Dominum  
 Lord, have mercy (Ghana)  
 Lord, have mercy (Russia)  
 Lord of creation  
 Lord of life

Magnificat  
 Nada te turbe  
*Nothing can trouble*  
 O Lord, hear my prayer  
 O Lord listen to my prayer  
 O Lord, my heart is  
 not proud  
 On the holy cross I see  
 Silent, surrendered  
 Stay with me  
 Surrexit Christus

The Lord is my light  
 The Lord is my song  
 Ubi caritas  
 Veni, lumen cordium  
 Wait for the Lord  
 Within our darkest night  
 You are the centre  
 You, Lord, are in this place

## A to Z of First Lines

Alternative titles are indented and in italics

**A**  
Abba, Father, let me be  
Abide with me  
A brighter dawn is breaking  
*Advent acclamations*  
A great and mighty wonder  
*A healing song*  
Ah, holy Jesu, how hast  
thou offended  
All creatures of our God and King  
Alleluia (x8)  
Alleluia, alleluia, give thanks to  
the risen Lord

Alleluia, alleluia, hearts to heaven  
and voices raise  
Alleluia: All the earth  
Alleluia: Praise God  
Alleluia, sing to Jesus  
All for Jesus!  
All glory, laud and honour  
All hail and welcome, holy child  
All hail the power of Jesus' name  
All heaven declares  
All I once held dear  
All my hope on God is founded  
All over the world  
All people that on earth do dwell

All praise to thee, for thou,  
O King divine  
All that I am  
All the ends of the earth  
All things bright and beautiful  
All you who seek a comfort sure  
Almighty God, we come to make  
confession  
A man there lived in Galilee  
Amazing grace  
*Amazing love*  
Among us and before us  
An army of ordinary people  
And can it be

And did those feet in  
ancient time  
And now, O Father,  
mindful of the love  
A new commandment  
Angels from the realms of glory  
Angel-voices ever singing  
An upper room did our  
Lord prepare  
A purple robe  
Arise to greet the Lord of light  
Around the throne of God  
Ascribe greatness  
*As gentle as silence*

As now the sun's declining rays  
 As pants the hart for cooling  
 streams  
 As the deer pants for the water  
 A still small voice  
 As we are gathered  
 As we break the bread  
 As with gladness men of old  
 At even, ere the sun was set  
*A touching place*  
 At the cross her station keeping  
 At the dawning of creation  
 At the Lamb's high feast we sing  
 At the name of Jesus  
 At this time of giving  
 Author of life divine  
 Awake, awake: fling off the night  
 Awake, my soul, and with the sun  
 Awake, our souls

**B**  
*Beautiful world*  
 Beauty for brokenness  
 Before the ending of the day  
 Behold, the great Creator  
 Behold, the Saviour of the nations  
*Be humble of heart*  
 Beloved, let us love  
 Beneath the cross of Jesus  
 Be still and know that I am God  
 Be still, for the presence of the Lord  
 Be still, my soul  
 Be thou my guardian and my guide  
 Be thou my vision  
 Beyond all mortal praise  
 Bind us together, Lord  
 Bless and keep us, God  
 Blessed assurance  
 Blessed be God  
 Bless the Lord, my soul  
 Blest are the pure in heart  
 Blest are you, Lord of creation  
 Blest Creator of the light  
 Born in the night, Mary's child  
 Bread is blessed  
 Bread of heaven, on thee we feed  
 Bread of the world in  
 mercy broken  
*Break the bread*  
 Breathe on me, Breath of God  
*Bridegroom and Bride*  
 Brightest and best  
 Bright the vision that delighted  
 Broken for me, broken for you  
 Brother, sister, let me serve you  
 By his grace  
 By your side

**C**  
 Captains of the saintly band  
*Celebrate*  
 Change my heart, O God  
 Child in the manger  
 Christians, awake!

 Christ is our cornerstone  
 Christ is the world's light

Christ is the world's true light  
 Christ's is the world  
 Christ, the fair glory of the  
 holy angels  
 Christ the Lord is risen again  
 Christ triumphant  
 Christ, whose glory fills the skies  
 City of God, how broad and far  
*Close to you*  
 Cloth for the cradle  
 Colours of day  
 Come and see  
 Come and see the shining hope  
 Come, build the Church  
 Come, come, come to the manger  
 Come, dearest Lord  
 Come down, O Love divine  
 Come, faithful pilgrims all  
 Come, gracious Spirit  
 Come, Holy Ghost, our  
 hearts inspire  
 Come, Holy Ghost, our  
 souls inspire  
 Come, Holy Spirit, come  
 Come, let us join our  
 cheerful songs  
 Come, let us sing  
 Come, Lord, to our souls  
 Come, my Way, my Truth, my Life  
 Come, O Lord, inspire us  
 Come on and celebrate  
 Come, risen Lord  
 Come, thou Holy Spirit, come  
 Come, thou long-expected Jesus  
 Come to me, come, my people  
 Come, wounded healer  
 Come, ye faithful, raise the anthem  
 Come, ye faithful, raise the strain  
 Come, ye thankful people, come  
 Creating God, we bring our song  
 of praise  
 Creator of the starry height  
 Cross of Jesus  
 Crown him with many crowns  
 Cry 'Freedom!'

**D**  
 Dance and sing  
 Dance in your Spirit  
 Day of wrath and day of wonder  
 Dear Christ, uplifted from the earth  
 Dearest Jesu, we are here  
 Dear Lord and Father of mankind  
 Dear Lord, to you again  
 Deck thyself, my soul, with gladness  
 Deep within my heart  
 Ding dong, merrily on high  
 Disposer supreme  
 Do not be afraid  
*Doxology*  
 Drop, drop, slow tears

**E**  
 Earth has many a noble city  
*Enfold me in your love*  
 Eternal Father, strong to save  
 Eternal Ruler of the  
 ceaseless round  
*Exsultet*

**F**  
 Fair waved the golden corn  
 Faithful Shepherd, feed me  
 Faithful vigil ended  
 Father God, gentle Father God  
 Father God, I wonder  
 Father God, we worship you  
 Father; hear the prayer we offer  
 Father; I place into your hands  
 Father; Lord of all creation  
 Father most holy, merciful  
 and loving  
 Father of heaven, whose  
 love profound  
 Father, we adore you  
 Father, we love you  
 Father, who in Jesus found us  
 Fight the good fight  
 Filled with the Spirit's power  
 Fill thou my life, O Lord my God  
 Fill your hearts with joy  
 and gladness  
 Finished the strife  
 Firmly I believe and truly  
 First light  
 Follow me  
 For all the saints  
 For all the saints (alternative text)  
 For all thy saints  
 Forgive our sins as we forgive  
 For I'm building a people of power  
 For Mary, mother of our Lord  
 For ourselves no longer living  
 For the beauty of the earth  
 For the fruits of his creation  
 For the healing of the nations  
 Forth in the peace of Christ we go  
 Forth in thy name, O Lord, I go  
 For thy mercy and thy grace  
 Forty days and forty nights  
 Forty days and forty nights in  
 Judah's desert  
*Freely, freely*  
 From all that dwell below the skies  
 From east to west  
 From glory to glory advancing  
 From heaven you came  
 From many grains  
 From the sun's rising  
 From the very depths of darkness

**G**  
 Gather around, for the table  
 is spread  
 Gifts of bread and wine  
 Give me joy in my heart  
 Give thanks with a grateful heart  
 Give to our God immortal praise  
 Give us the wings of faith  
*Glorify your name*  
 Glorious things of thee are spoken  
 Glory be to Jesus  
 Glory, love, and praise, and honour  
 Glory to thee, my God, this night  
 Glory to thee, O God  
 God! As with silent hearts  
 God be in my head  
 God forgave my sin  
 God in the planning

God is good  
 God is love  
 God is love: his the care  
 God is love: let heaven adore him  
 God is my great desire  
 God is our strength and refuge  
 God is our strength from days  
 of old  
 God is working his purpose out  
 God moves in a mysterious way  
 God of all human history  
 God of freedom  
 God of grace and God of glory  
 God of love  
 God of mercy, God of grace  
 God of the Passover  
*God of the poor*  
*God on earth*  
 God rest you merry, gentlemen  
 God save our gracious Queen  
 God's Spirit is in my heart  
*God's surprise*  
 God that madest earth and heaven  
 God, the source and goal of being  
 God! When human bonds  
 are broken  
 God who made the earth  
 God, whose farm is all creation  
 God, you meet us in our weakness  
 Go forth and tell  
 Go forth in his name  
 Going home  
 Good Christians all, rejoice  
 Good Christians all, rejoice and sing  
 Good King Wenceslas  
 Go tell everyone  
 Go, tell it on the mountain  
 Gracious God, in adoration  
 Gracious Spirit, Holy Ghost  
 Great God, your love has called us  
 Great indeed are your works,  
 O Lord  
 Great is the Lord and most  
 worthy of praise  
 Great is thy faithfulness  
*Great love*  
 Great Shepherd of thy people  
 Great Son of God  
 Guide me, O thou great Redeemer

**H**

 Hail, O Star that pointest  
 Hail the day that sees him rise  
 Hail thee, Festival Day (Ascension  
 version)  
 Hail thee, Festival Day  
 (Easter Version)  
 Hail, thou once despised Jesus  
 Hail to the Lord's anointed  
 Hail, true Body  
 Hallelujah, my Father  
 Happy are they, they that love God  
 Hark! a herald voice is calling  
 Hark, my soul, it is the Lord  
 Hark, the glad sound  
 Hark, the herald-angels sing  
 Hark! the sound of holy voices  
 Have faith in God, my heart

# Complete Anglican Hymns Old & New

**A to Z of First Lines** Alternative titles are indented and in italics

Have mercy on us, O Lord  
*Healer of the sick*  
*Heal our nation*  
 Heaven is in my heart  
 Heaven is open wide  
 Heaven shall not wait  
 He is exalted  
 He is Lord  
 Help us to help each other; Lord  
 Here hangs a man discarded  
*Here I am, Lord*  
 Here is bread  
 Here, Lord, we take the  
 broken bread  
 Here, O my Lord  
 Here on the threshold of a new  
 beginning  
 He who would valiant be  
 Hills of the north, rejoice  
*Holy and anointed one*  
 Holy Father; cheer our way  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God almighty  
 Holy Jesu, by thy passion  
 Holy Spirit, come, confirm us  
 Holy Spirit, truth divine  
 Hosanna, hosanna  
*Hosanna to the Son of David*  
 How brightly shines the  
 Morning Star!  
 How firm a foundation  
 How good is the God we adore  
 How great thou art  
 How lovely, Lord, how lovely  
 How lovely on the mountains  
 How shall I sing that majesty  
 How sweet the name of  
 Jesus sounds

**I**  
 I am a new creation  
 I am the bread of life  
 I am trusting thee, Lord Jesus  
 I believe in Jesus  
 I bind unto myself today  
 I cannot tell  
 I come with joy  
 I danced in the morning  
 I do not know the man  
 If we only seek peace  
 I give you all the honour  
 I give you love  
 I heard the voice of Jesus say  
 I know that my Redeemer lives  
 I lift my eyes to the quiet hills  
 I love you, Lord, and I lift my voice  
 Immortal, invisible, God only wise  
 Immortal love, for ever full  
 I'm not ashamed to own my Lord

In an age of twisted values  
 In bread we bring you, Lord  
 In Christ there is no east or west  
 I need thee every hour  
*I need you, Lord*  
 Infant holy, infant lowly  
 In full and glad surrender  
 In heavenly love abiding  
*In love for me*  
 In our day of thanksgiving  
 Inspired by love and anger  
 In the bleak mid-winter  
 In the Cross of Christ I glory  
*In the shadow of your wings*  
 In you, my God  
 I stand amazed in the presence  
*I stand in awe*  
 It came upon the midnight clear  
 It fell upon a summer day  
 I, the Lord of sea and sky  
 It is a thing most wonderful  
 I watch the sunrise  
 I will bless the Lord  
 I will enter his gates  
 I will sing the wondrous story  
*I will sing your praises*  
*I worship you*

**J**  
 James and Andrew, Peter and John  
*Jerusalem*  
 Jerusalem, my happy home  
 Jerusalem the golden  
 Jesu, all holy  
 Jesu, grant me this, I pray  
 Jesu, lover of my soul  
 Jesu, priceless treasure  
 Jesu, at your name  
 Jesus calls us  
 Jesus calls us: o'er the tumult  
 Jesus Christ is risen today  
 Jesus, good above all other  
 Jesus, in the new dawn  
 Jesus is Lord! Creation's voice  
 proclaims it  
*Jesu is our joy*  
 Jesus, Jesus  
 Jesus lives! Thy terrors now  
 Jesus, name above all names  
 Jesu, Son of Mary  
 Jesus, on the mountain peak  
 Jesus, Prince and Saviour  
 Jesus shall reign  
 Jesus shall take the highest honour  
 Jesus, stand among us at  
 the meeting of our lives  
 Jesus, stand among us in thy  
 risen power  
 Jesus, the broken bread

Jesu, the name high over all  
 Jesu, these eyes have never seen  
 Jesu took a piece of bread  
 Jesu, where'er thy people meet  
 Jesu, the very thought of thee  
 Jesu, thou joy of loving hearts  
 Joy to the world  
 Jubilate, everybody  
 Judge eternal, throned in splendour  
 Just a closer walk with thee  
 Just as I am, without one plea

**K**  
 King of glory, King of peace  
 King of kings and Lord of lords  
*Knowing you*

**L**  
 Lamb of God, Holy One  
 Lead, kindly light  
 Lead us, heavenly Father; lead us  
*Leave your gift*  
 Led like a lamb  
 Let all mortal flesh keep silence  
 Let all the world in every  
 corner sing  
 Let love be real  
 Let saints on earth in concert sing  
*Let the flame burn brighter*  
 Let the heavens declare  
 Let there be love  
 Let us break bread together  
 Let us praise God together  
 Let us rejoice  
 Let us sing your glory  
 Let us talents and tongues employ  
 Let us, with a gladsome mind  
 Life is great!  
 Lift high the Cross  
 Lift up your hearts!  
 Light a candle for thanksgiving!  
 Light of the minds that know him  
 Light's abode, celestial Salem  
*Light up the fire*  
 Like a candle flame  
 Like a mighty river flowing  
 Listen, let your heart keep seeking  
 Listen to me, Yahweh  
 Listen to my voice  
 Living God, your word has called us,  
*Living Lord*  
 Lo, he comes with clouds  
 descending  
 Long ago, prophets knew  
 Lord Christ, who on thy heart  
 Lord, enthroned in heavenly  
 splendour  
 Lord, for the years  
 Lord, for tomorrow and its needs  
 Lord Jesus Christ

Lord Jesus, think on me  
 Lord of all hopefulness  
 Lord of all life and power  
 Lord of beauty; thine the splendour  
 Lord of life  
 Lord of our life, and God of  
 our salvation  
 Lord, teach us how to pray aright  
 Lord, the light of your love  
 Lord, thy word abideth  
 Lord, unite all nations  
 Lord, we come to ask your healing  
 Lord, we know that we have  
 failed you  
 Lord, we thank you for the promise  
 Lord, when I turn my back on you  
 Lord, your voice in Eden's garden  
 Love came down at Christmas  
 Love divine, all loves excelling  
 Love is his word  
 Love is the only law  
 Lovely in your littleness  
 Love of the Father  
 Love's redeeming work is done  
 Loving Shepherd of thy sheep  
 Low in the grave he lay

**M**  
 Majesty, worship his majesty  
 Make me a channel of your peace  
 Make way, make way  
*Mallaig Sprinkling Song*  
 Man of sorrows  
 March on, my soul, with strength  
 Mary, blessed grieving mother  
 Mary, blessed teenage mother  
 Mary had a baby  
 May God's blessing surround you  
 May the fragrance of Jesus fill  
 this place  
 May the grace of Christ our Saviour  
 May the mind of Christ my Saviour  
 Meekness and majesty  
 Mine eyes have seen the glory  
 Morning has broken  
 Moses, I know you're the man  
 Most glorious Lord of life  
*My desire*  
 My faith looks up to thee  
 My Father, for another night  
 My God, accept my heart this day  
 My God, and is thy table spread  
 My God, how wonderful you are  
 My God, I love thee  
 My gracious Lord  
 My heart will sing to you  
 My Jesus, my Saviour  
 My Lord, what love is this  
 My song is love unknown  
 My soul, there is a country  
 Lord Jesus Christ

**N**

Name of all majesty  
 Nearer, my God, to thee  
 New every morning is the love  
 New songs of celebration render  
*New wine*  
 Now I know what love is  
 Now is eternal life  
 Now join we, to praise the creator  
 Now let us from this table rise  
 Now, my tongue, the  
 mystery telling  
 Now thank we all our God  
 Now the green blade riseth  
*Nunc Dimittis*

**O**

O Breath of Life  
 O Christ the same  
 O Christ, who art the Light and Day  
 O come, all ye faithful  
 O come, O come, Emmanuel  
 O comfort my people  
 O dearest Lord, thy sacred head  
 O for a closer walk with God  
 O for a heart to praise my God  
 O for a thousand tongues to sing  
 Of the Father's love begotten  
 Oft in danger, oft in woe  
 O give thanks  
 O God beyond all praising  
 O God, enthroned in majesty  
 O God of Bethel, by whose hand  
 O God of earth and altar  
 O God, of hope  
 O God, our help in ages past  
 O God, please listen  
 O God, unseen but ever near  
 O happy band of pilgrims  
 O happy day  
 O heaven is in my heart  
 O Holy Ghost, thy people bless  
 O Holy Spirit, Lord of grace  
 O, how good is the Lord  
 O Jesus, I have promised  
 O King enthroned on high  
 O Lamb of God  
 O let the Son of God enfold you  
 O little one sweet, O little one mild  
 O little town of Bethlehem  
 O Lord, all the world belongs  
 to you  
 O Lord, I would delight in thee  
 O Lord, my God  
 O Lord of every shining  
 constellation  
 O Lord of our salvation  
 O Lord, we long to see your face  
 O Lord, your tenderness  
 O love, how deep, how broad,  
 how high  
 O love, that wilt not let me go  
 O most merciful  
 O my Saviour; lifted from the earth  
 On a hill far away  
 Once in royal David's city  
 Once, only once, and once for all  
 On Christmas night all  
 Christians sing

One Father  
*One God*  
 One more step along the world  
 I go  
 One shall tell another  
 On Jordan's bank the Baptist's cry  
 Open by grace  
 On this day of joy  
 On this day, the first of days  
 Onward, Christian pilgrims  
 Open our eyes, Lord  
 O perfect love  
 O praise ye the Lord!  
 O sacred head, surrounded  
 O sing a song of Bethlehem  
 O strength and stay  
 O the deep, deep love of Jesus!  
 O, the love of my Lord  
 O thou, who at thy Eucharist  
 didst pray  
 O thou who camest from above  
 O Trinity, most blessed light  
 Our blest Redeemer, ere he  
 breathed  
 Our Father (Caribbean)  
 Our Father (White)  
 Our Father (Wiener)  
 Our God is so great  
 Our God loves us  
*Our God reigns*  
 Out of our failure to create  
 O what their joy and their glory  
 must be  
 O worship the King  
 O worship the Lord in the beauty  
 of holiness

**P**

Peace is flowing like a river  
 Peace, perfect peace, in this dark  
 world of sin  
 Peace, perfect peace, is the gift  
 Peace to you  
 People, look east  
 Praise and thanksgiving  
 Praise God for the harvest  
 Praise God from whom all  
 blessings flow  
 Praise him on the trumpet  
 Praise him, praise him  
 Praise him, praise him,  
 all his children  
 Praise him, praise him, praise him  
 Praise, my soul, the King of heaven  
 Praise, O praise our God and King  
 Praise the Lord  
 Praise the Lord of heaven  
 Praise the Lord, rise up rejoicing  
 Praise the Lord, ye heavens  
 adore him  
 Praise to God for saints  
 and martyrs  
 Praise to the Holiest  
 Praise to the Lord, the Almighty  
 Purify my heart  
 Put peace into each other's hands  
 Put thou thy trust in God

**R**

*Refiner's fire*  
 Rejoice, heavenly powers  
 Rejoice in the Lord always  
 Rejoice, O land, in God thy might  
 Rejoice, the Lord is King  
 Rejoice, the year upon its way  
*Reproaches*  
 Restore, O Lord  
 Ride on, ride on in majesty  
 Rock of ages  
 Round me falls the night

**S**

Save us, O Lord  
 Saviour, again to thy dear name  
 we raise  
 See, amid the winter's snow  
 See him lying on a bed of straw  
 Seek ye first  
 See the conqueror mounts  
 in triumph  
 See the holy table, spread for our  
 healing  
 Send forth your Spirit, Lord  
 Shall we gather at the river  
 Shall we not love thee,  
 Mother dear  
 Shout for joy and sing  
 Silent night  
 Sing for God's glory  
 Sing glory to God the Father  
*Sing hosanna*  
 Sing it in the valleys  
 Sing lullaby  
 Sing, my tongue, the glorious battle  
 Sing to God new songs of worship  
 Sing we a song of high revolt  
 Sing we of the blessed Mother  
 Soldiers of Christ, arise  
 Soldiers who are Christ's below  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Spirit of God  
 Spirit of God within me  
 Spirit of mercy, truth and love  
 Spirit of the living God (Armstrong)  
 Spirit of the living God (Iverson)  
*Spirit Song*  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Steal away  
*Story of love*  
 Strengthen for service, Lord  
 Such love  
 Sun of my soul, thou Saviour dear  
 Sweet sacrament divine

**T**

Take me, Lord  
 Take my hands, Lord  
*Take my life*  
 Take my life, and let it be  
 Take up thy cross, the Saviour said  
 Take up your cross, he says  
 Taste and see the goodness  
 of the Lord  
 Teach me, my God and King

Tell his praise in song and story  
 Tell out, my soul  
 Thanks for the fellowship  
 The advent of our King  
 The angel Gabriel from  
 heaven came  
*The Beatitudes*  
*The candle song*  
 The Church of God a kingdom is  
 The Church's one foundation  
 The day of resurrection  
 The day thou gavest, Lord, is ended  
 The eternal gifts of Christ the King  
 Thee we adore, O hidden  
 Saviour; thee  
 The first Nowell  
 The God of Abraham praise  
 The God of love my shepherd is  
 The head that once was crowned  
 with thorns  
 The holly and the ivy  
 The kingdom of God  
 The kingdom of heaven  
 The King is among us  
 The King of love my shepherd is  
 The Lord is King!  
 The Lord is my song  
 The Lord is risen indeed  
 The Lord my pasture shall prepare  
 The Lord's my shepherd  
 The Lord will come and  
 not be slow  
*The old rugged cross*  
*The people of God*  
 The race that long in  
 darkness pined  
 There is a green hill far away  
 There is a Redeemer  
 There's a quiet understanding  
 There's a song in the heart of  
 creation  
 There's a spirit in the air  
 There's a witness in God's mercy  
 The royal banners forward go  
 The Saviour will come, resplendent  
 in joy  
*The Servant King*  
 The spacious firmament on high  
 The Spirit lives to set us free  
 The strife is o'er; the battle done  
*The Summons*  
 The table's set, Lord  
*The trees of the field*  
 The universe was waiting  
 The Virgin Mary had a baby boy  
 Thine arm, O Lord, in days of old  
 Thine be the glory  
 Thine be the glory  
 Thine for ever! God of love  
 This is my body  
 This is my will  
 This is the day  
 This is the day the Lord has made  
 This is the truth sent from above  
 This is the year  
*This is your God*  
 This joyful Eastertide  
 This world you have made  
 Thou art the Way; by thee alone  
 Thou didst leave thy throne

# Complete Anglican Hymns Old & New

## A to Z of First Lines *Alternative titles are indented and in italics*

Thou, whose almighty word  
 Three in One, and One in Three  
 Through all the changing scenes  
 of life  
 Through the night of doubt  
 and sorrow  
 Thy ceaseless, unexhausted love  
 Thy hand, O God, has guided  
 Thy kingdom come!  
 Thy kingdom come, O God  
 Thy way, not mine, O Lord  
 Thy will be done  
 To be in your presence  
 To God be the glory!  
 To thee, O Lord, our hearts  
 we raise  
 To thee our God we fly  
 To the name of our salvation  
 Travelling, travelling

**U**  
 Unto us a boy is born

**V**  
 Virgin-born, we bow before thee

**W**  
 Waken, O sleeper; wake and rise  
 Wake, O waker! with tidings thrilling  
 Wake up, O people  
 Walking in a garden  
*Walk in the light*  
 Warm as the sun  
 We are his children  
 We are his people  
 We are marching  
 We are not our own  
 We believe in God the Father  
 We cannot measure  
 We give immortal praise  
 We hail thy presence glorious  
 We have a dream  
 We have a gospel to proclaim  
 We'll walk the land  
 We love the place, O God  
 We plough the fields and scatter  
 We pray thee, heavenly Father  
 Were you there when they  
 crucified my Lord?  
 We shall stay awake  
 We sing the praise of him  
 who died

We three kings of Orient are  
 We turn to you  
 We will lay our burden down  
*We worship at your feet*  
 What a friend we have in Jesus  
 What a wonderful change  
 What child is this  
 What shall we bring  
 When a knight won his spurs  
 When all thy mercies, O my God  
 When God Almighty came  
 to earth  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When, in our music, God is glorified  
 When I survey the wondrous cross  
 When morning gilds the skies  
 When our God came to earth  
 When we walk with the Lord  
 Where true love is found  
 with charity  
 Where true love is present  
 Wherever you go  
 While shepherds watched

Who are these like stars appearing  
 Who can sound the depths  
 of sorrow  
 Who is this so weak and helpless  
 Who sees it all  
 Who would think  
 Wide, wide as the ocean  
 Will you come and follow me  
 Will your anchor hold

**Y**  
 Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye servants of the Lord  
 Ye watchers and ye holy ones  
 Ye who own the faith of Jesus  
 You are beautiful  
 You are beneath me  
*You are the Christ*  
 You are the King of Glory  
 You are the light  
 You give, Lord  
*You're alive*  
 Your love's greater  
 You shall go out with joy

## Children's Hymns and Songs

**A**  
 A butterfly, an Easter egg  
 All in an Easter garden  
 All night, all day  
 All of my heart  
 All of the creatures God had made  
 All of the people  
 All the nations of the earth  
 And everyone beneath the vine  
 and fig tree  
 As Jacob with travel was weary  
 one day  
 Away in a manger  
 A wiggly, waggly worm

**B**  
 Be the centre of my life  
*Big and little you's and me's*  
*Biggest isn't always best*  
*Black and white*  
 Boisterous, buzzing, barking things  
 Break the bread and pour the  
 wine

**C**  
 Can you see what we have made  
*Care for your world*  
 Caterpillar; caterpillar  
 'Cheep' said the sparrow  
 Christ is our King  
*Circle of friends*  
 Clap your hands, all you people  
 Clap your hands and sing this song  
*Colours of hope*  
 Come into his presence

Come on, let's get up and go  
 Come, they told me  
**D**  
*Deeper, wider, higher*  
 Don't build your house on the  
 sandy land  
 Do what you know is right  
 Do you ever wish you could fly

**E**  
 Each of us is a living stone  
 Every bird, every tree  
 Every minute of every day

**F**  
 Farmer, farmer, why do you plough?  
 Father welcomes all his children  
 Father, we want to thank you  
 Fishes of the ocean  
 Forward in faith  
 Friends, all gather here in a circle

**G**  
 Give me peace, O Lord  
 Give thanks to the Lord  
 God almighty set a rainbow  
 God is good, God is great  
*God knows me*  
 God made a boomerang  
 God our Father gave us life  
 God sends a rainbow  
 God's love is deeper  
 God's not dead  
 God turned darkness into light

Goliath was big and Goliath  
 was strong  
*Gotta get out and scatter*  
*some seed*  
 Go wandering in the sun

**H**  
 Hallelu, hallelu  
 Have we made our God  
 too small?  
 Have you got an appetite?  
 Have you heard the raindrops  
 He is the King  
 He's got the whole world in  
 his hand  
 Hey, now, everybody sing  
 Ho, ho, ho, hosanna

**I**  
*I could sing of your love, for ever*  
 I could sing unending songs  
 I feel spring in the air today  
 If I were a butterfly  
 If I were an astronaut  
 I give my hands  
 I gotta home in gloryland  
 I have a friend  
 I'm accepted, I'm forgiven  
 I may live in a great big city  
 I'm black, I'm white, I'm short,  
 I'm tall  
 I'm gonna click  
 I'm singing your praise, Lord  
 In the upper room  
 I reach up high  
 Isn't it good

It's me, O Lord  
 It's rounded like an orange  
 It takes an almighty hand  
 I've got peace like a river  
*I want to be a blooming tree*  
 I want to be a tree that's  
 bearing fruit  
 I will click my fingers  
 I will wave my hands

**J**  
 Jesus bids us shine  
 Jesus had all kind of friends  
 Jesus is greater  
 Jesus is special  
*Jesus is the living way*  
 Jesus' love has got under our skin  
 Jesus' love is very wonderful  
 Jesus put this song  
*Jesus turned the water into wine*  
 Jesus went away to the desert  
 Jesus will never; ever  
 Jesus, you love me  
*Just be glad God made you 'you'*  
 Just imagine

**K**  
 Kum ba yah

**L**  
*Lead my people to freedom*  
 Let the mountains dance and sing  
 Life for the poor was hard  
 and tough  
 Little donkey

 your Son

 Nobody's a nobody

**O**

 One hundred and fifty three!

 Over the mountains and the sea  
 O when the saints go marching in

 The ink is black  
*The little drummer boy*  
 There are hundreds of sparrows  
 There is so much to discover  
 There's a great big world out there  
 There's a rainbow in the sky  
 There's a seed  
 There was one, there were two  
 The voice from the bush  
*The wiggly waggly song*  
 The wise man  
 The world is full of smelly feet

 Think of a world without any  
 flowers  
 This little light of mine  
 Tick tock

 Under our skin

 We thank God for the harvest  
 We will praise  
 What noise shall we make  
 When God made the garden of  
 creation  
 When Jesus was my age  
 When the Spirit of the Lord  
 When the time is right  
 When your Father made the  
 world  
 Who put the colours in the  
 rainbow?

## A to Z of First Lines

Alternative titles are indented and in italics

**A**  
A brighter dawn is breaking  
A great and mighty wonder  
A man there lived in Galilee  
A new commandment  
    *A touching place*  
Abba, Father; let me be  
Abide with me  
Adoramus te, Domine  
Ah, holy Jesu, how hast  
    thou offended  
All creatures of our God and King  
All for Jesus!  
All glory, laud and honour  
All hail and welcome holy child  
All hail the power of Jesus' name

All heaven declares  
All my hope on God is founded  
All over the world  
All people that on earth do dwell  
All praise to thee, for thou,  
    O King divine  
All that I am  
All the nations of the earth  
All things bright and beautiful  
All you who seek a comfort sure  
Alleluia (x 8)  
Alleluia, alleluia, give thanks to  
    the risen Lord  
Alleluia, alleluia, hearts to  
    heaven and voices raise  
Alleluia, sing to Jesus  
Amazing grace

*Amazing love*  
Among us and before us  
An upper room did our Lord  
    prepare  
And can it be  
And did those feet in  
    ancient time  
And now, O Father, mindful  
    of the love  
Angel-voices ever singing  
Angels from the realms of glory  
Around the throne of God  
    *As gentle as silence*  
As Jacob with travel was weary  
    one day  
As now the sun's declining rays

As pants the hart for cooling  
    streams  
As the deer pants for the water  
As we are gathered  
As with gladness men of old  
Ascribe greatness to our God  
At even, ere the sun was set  
At the cross her station keeping  
At the Lamb's high feast we sing  
At the name of Jesus  
At this time of giving  
Author of life divine  
Awake, awake: fling off the night  
Awake, my soul, and with the sun  
Away in a manger

**B**

*Beautiful World*  
 Be still and know that I am God  
 Be still, for the presence of  
 the Lord  
 Be still, my soul  
 Be thou my guardian and  
 my guide  
 Be thou my vision  
 Before the ending of the day  
 Behold, the great Creator  
 Beneath the cross of Jesus  
 Bind us together; Lord  
*Black and white*  
 Bless the Lord, my soul  
 Blessed assurance, Jesus is mine  
 Blest are the pure in heart  
 Blest Creator of the light  
 Born in the night, Mary's child  
 Bread is blessed and broken  
 Bread of heaven, on thee we feed  
 Bread of the world in  
 mercy broken  
 Breathe on me, Breath of God  
 Bright the vision that delighted  
 Brightest and best of the suns  
 Broken for me, broken for you  
 Brother, sister, let me serve you  
 By your side I would stay

**C**

*Calypso Carol*  
*Celebrate*  
 Child in the manger  
 Christ is made the  
 sure foundation  
 Christ is our cornerstone  
 Christ is the world's true Light  
 Christ, the fair glory of the  
 holy angels  
 Christ the Lord is risen again  
 Christ triumphant  
 Christ, whose glory fills the skies  
 Christ's in the world  
 Christians, awake!  
 City of God, how broad and far  
 Cloth for the cradle  
 Colours of day  
 Come and see  
 Come, come, come to the manger  
 Come down, O Love divine  
 Come, Holy Ghost, our  
 hearts inspire  
 Come, Holy Ghost, our  
 souls inspire  
 Come, Holy Spirit, come  
 Come, let us join our  
 cheerful songs  
 Come on and celebrate  
 Come, risen Lord  
 Come, thou Holy Spirit, come  
 Come, thou long-expected Jesus  
 Come, ye faithful, raise the anthem  
 Come, ye faithful, raise the strain  
 Come, ye thankful people, come  
 Creator of the starry height

Crown him with many crowns  
 Cry 'Freedom!'

**D**

Dance and sing  
 Dear Lord and Father of mankind  
 Dearest Jesu, we are here  
 Deck thyself, my soul,  
 with gladness  
 Ding dong! merrily on high!  
 Disposer supreme  
 Do not be afraid  
*Doxology*  
 Drop, drop, slow tears

**E**

Earth has many a noble city  
 Eternal Father; strong to save  
 Eternal Ruler of the  
 ceaseless round

**F**

Fair waved the golden corn  
 Faithful Shepherd, feed me  
 Faithful vigil ended  
 Father God, I wonder  
 Father; hear the prayer we offer  
 Father; I place into your hands  
 Father; Lord of all creation  
 Father; most holy, merciful  
 and loving  
 Father of heaven, whose  
 love profound  
 Father; we adore you  
 Father; we love you  
 Father; who in Jesus found us  
 Fight the good fight  
 Fill thou my life, O Lord my God  
 Fill your hearts with joy and  
 gladness  
 Filled with the Spirit's power  
 Finished the strife  
 Firmly I believe and truly  
 For all the saints  
 For I'm building a people of power  
 For Mary, mother of our Lord  
 For the beauty of the earth  
 For the fruits of his creation  
 For the healing of the nations  
 For thy mercy and thy grace  
 Forgive our sins as we forgive  
 Forth in the peace of Christ we go  
 Forth in thy name, O Lord, I go  
 Forty days and forty nights in  
 Judah's desert  
 Forty days and forty nights  
*Freely, freely*  
 From all that dwell below  
 the skies  
 From glory to glory advancing  
 From heaven you came  
 From many grains  
 From the sun's rising  
 From the very depths of darkness

**G**

Gather around, for the table  
 is spread  
 Give me joy in my heart  
 Give thanks with a grateful heart  
 Give to our God immortal praise  
 Give us the wings of faith  
 Gloria  
*Glorify your name*  
 Glorious things of thee  
 are spoken  
 Glory be to Jesus  
 Glory, love, and praise,  
 and honour  
 Glory to God  
 Glory to thee, my God, this night  
 Glory to thee, O God  
*Glory's dawn*  
 Go forth and tell  
*Go, tell everyone*  
 Go, tell it on the mountain  
 God be in my head  
 God forgave my sin  
 God is good  
 God is love: his the care  
 God is love: let heaven adore him  
 God is our strength from days  
 of old  
 God is working his purpose out  
*God knows me*  
 God moves in a mysterious way  
 God of grace and God of glory  
 God of mercy, God of grace  
*God on earth*  
 God rest you merry, gentlemen  
 God save our gracious Queen  
 God that madest earth  
 and heaven  
 God, whose farm is all creation  
 God's Spirit is in my heart  
*God's surprise*  
 Good Christians all, rejoice  
 Good King Wenceslas  
 Gracious Spirit, Holy Ghost  
 Great is the Lord  
 Great is thy faithfulness  
*Great love*  
 Great Son of God  
 Guide me, O thou great  
 Redeemer

**H**

Hail, gladdening Light  
 Hail, O Star that pointest  
 Hail the day that sees him rise  
 Hail, thou once despised Jesus  
 Hail to the Lord's anointed  
 Hallelujah, my Father  
 Happy are they, they that  
 love God  
 Hark! A herald voice is calling  
 Hark, my soul, it is the Lord  
 Hark, the glad sound  
 Hark, the herald-angels sing  
 Hark! the sound of holy voices  
 Have faith in God, my heart

Have you heard the raindrops  
*He has made me glad*  
 He is exalted  
 He is Lord  
 He who would valiant be  
 He's got the whole world in  
 his hand  
 Heaven shall not wait  
 Help us to help each other; Lord  
*Here am I, Lord*  
 Hills of the north, rejoice  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God almighty  
 Holy Jesu, by thy passion  
 Holy Spirit, come, confirm us  
*Hosanna to the Son of David*  
 Hosanna, hosanna  
 How firm a foundation  
 How good is the God we adore  
*How great thou art*  
 How lovely, Lord, how lovely  
 How lovely on the mountains  
 How shall I sing that majesty  
 How sweet the name of  
 Jesus sounds

**I**

I am a new creation  
 I am the bread of life  
 I am trusting thee, Lord Jesus  
 I believe in Jesus  
 I bind unto myself today  
 I cannot tell  
 I come with joy  
 I danced in the morning  
 I do not know the man  
 I give my hands  
 I give you all the honour  
 I heard the voice of Jesus say  
 I know that my Redeemer lives  
 I love you, Lord  
 I need thee every hour  
*I stand in awe*  
 I, the Lord of sea and sky  
 I will enter his gates  
 I will sing the wondrous story  
*I will sing your praises*  
 I wonder as I wander  
*I worship you*  
 I'm accepted  
 I'm not ashamed to own my Lord  
 If I were a butterfly  
 Immortal, invisible, God only wise  
 Immortal love, for ever full  
 In Christ there is no east or west  
 In full and glad surrender  
 In heavenly love abiding  
*In love for me*  
 In our day of thanksgiving  
 In the bleak mid-winter  
 In the Cross of Christ I glory  
 In the Lord I'll be ever thankful  
 Infant holy, infant lowly  
 Inspired by love and anger  
 It came upon the midnight clear

# Hymns Old & New – New Anglican Edition

## A to Z of First Lines Alternative titles are indented and in italics

It fell upon a summer day  
It is a thing most wonderful  
It's me, O Lord

**J**  
James and Andrew, Peter and John  
*Jerusalem*  
Jerusalem, my happy home  
Jerusalem the golden  
Jesus, grant me this, I pray  
Jesus, priceless treasure  
Jesus, Son of Mary  
Jesus, the very thought of thee  
Jesus, thou joy of loving hearts  
Jesus calls us: o'er the tumult  
Jesus Christ is risen today  
Jesus Christ is waiting  
Jesus, good above all other  
Jesus is Lord  
Jesus, Jesus, holy and anointed one  
Jesus lives! thy terrors now  
Jesus, name above all names  
Jesus, Prince and Saviour  
Jesus put this song into our hearts  
Jesus, remember me  
Jesus shall reign  
Jesus shall take the highest honour  
Jesus, stand among us at the  
meeting of our lives  
Jesus, stand among us in thy risen  
power  
Jesus took a piece of bread  
Jesus, where'er thy people meet  
Joy to the world!  
Jubilate, everybody  
Judge eternal, throned  
in splendour  
Just a closer walk with thee  
Just as I am, without one plea

**K**  
King of glory, King of peace  
Kum ba yah  
Kyrie

**L**  
Laudate Dominum  
Lead, kindly light  
Lead us, heavenly Father; lead us  
Led like a lamb  
Let all mortal flesh keep silence  
Let all the world in every  
corner sing  
Let saints on earth in concert sing  
*Let the flame burn brighter*  
Let there be love  
Let us break bread together  
Let us praise God together  
Let us talents and tongues employ

Let us, with a gladsome mind  
Lift high the Cross  
Lift up your hearts!  
*Light up the fire*  
Light's abode, celestial Salem  
Little Jesus, sweetly sleep  
*Living Lord*  
Lo, he comes with clouds  
descending  
Lord Christ who on thy heart  
Lord, enthroned in heavenly  
splendour  
Lord, for the years  
Lord Jesus Christ  
Lord Jesus, think on me  
Lord of all hopefulness  
Lord of beauty, thine  
the splendour  
Lord of our life, and God of  
our salvation  
*Lord of the Dance*  
Lord, teach us how to pray aright  
Lord, the light of your love  
Lord, we come to ask your healing  
Love came down at Christmas  
Love divine, all loves excelling  
Love is his word  
Love of the Father  
Love's redeeming work is done  
Loving Shepherd of thy sheep  
Low in the grave he lay

**M**  
Majesty, worship his majesty  
Make me a channel of your peace  
Make way, make way  
Man of sorrows  
Mary, blessed grieving mother  
Mary, blessed teenage mother  
May the grace of Christ  
our Saviour  
May the mind of Christ  
my Saviour  
Meekness and majesty  
Mine eyes have seen the glory  
Morning has broken  
Moses, I know you're the man  
My faith looks up to thee  
My Father, for another night  
My God, accept my heart this day  
My God, and is thy table spread  
My God, how wonderful thou art  
My God, I love thee  
My Lord, what love is this  
My song is love unknown

**N**  
Nada te turbe  
Nearer, my God, to thee

New every morning is the love  
New songs of celebration render  
*Nothing can trouble*  
Now is eternal life  
Now let us from this table rise  
Now, my tongue, the  
mystery telling  
Now thank we all our God  
Now the green blade riseth

**O**  
O breath of Life  
O come, all ye faithful  
O come, O come, Emmanuel  
O dearest Lord, thy sacred head  
O for a closer walk with God  
O for a heart to praise my God  
O for a thousand tongues to sing  
O God beyond all praising  
O God of Bethel, by whose hand  
O God of earth and altar  
O God, our help in ages past  
O God, unseen but ever near  
O happy band of pilgrims  
O happy day  
O holy Ghost, thy people bless  
O Holy Spirit, Lord of grace  
O Jesus, I have promised  
O King enthroned on high  
O lamb of God  
O let the Son of God enfold you  
O little one sweet, O little one mild  
O little town of Bethlehem  
O Lord, all the world belongs  
to you  
O Lord, hear my prayer  
O Lord, my God!  
O Lord, of our salvation  
O Lord, your tenderness  
O love divine, how sweet thou art!  
O love, how deep, how broad,  
how high  
O Love that wilt not let me go  
O most merciful  
O my Saviour, lifted from  
the earth  
O perfect love  
O praise ye the Lord!  
O sacred head, surrounded  
O strength and stay  
O thou, who at thy Eucharist  
didst pray  
O thou who camest from above  
O worship the King  
O worship the Lord in the beauty  
of holiness  
Of the Father's love begotten  
Oft in danger; oft in woe

Oh, Oh! Oh! how good is  
the Lord  
Oh, the love of my Lord  
On a hill far away  
On Christmas night all  
Christians sing  
On Jordan's bank the Baptist's cry  
On this day, the first days  
Once in royal David's city  
Once, only once, and once for all  
One more step along the  
world I go  
One shall tell another  
Only by grace  
Onward, Christian pilgrims  
Open our eyes, Lord  
Our blest Redeemer, ere he  
breathed  
Our Father  
*Our God reigns*

**P**  
Peace is flowing like a river  
Peace, perfect peace, in this  
dark world of sin  
Peace, perfect peace, is the gift  
Peace to you  
*Peruvian Gloria*  
Peter and John went to pray  
Praise God from whom all  
blessings flow  
Praise him on the trumpet  
Praise him, praise him, all his  
children  
Praise him, praise him  
Praise him, praise him, praise him  
in the morning  
Praise, my soul, the King of heaven  
Praise, O praise our God and King  
Praise the Lord, rise up rejoicing  
Praise the Lord, ye heavens,  
adore him  
Praise to the Holiest  
Praise to the Lord, the Almighty  
Purify my heart  
Put thou thy trust in God

**R**  
*Refiner's fire*  
Rejoice in the Lord always  
Rejoice, O land, in God thy might  
Rejoice, the Lord is King  
Rejoice, the year upon its way  
Restore, O Lord  
Ride on, ride on in majesty  
*Right where we are*  
Rise and shine  
Rock of ages

**S**

Saviour, again to thy dear name  
we raise  
See, amid the winter's snow  
See him lying on a bed of straw  
See the conqueror mounts  
in triumph  
Seek ye first  
Shall we not love thee,  
Mother dear  
*Shine, Jesus, shine*  
Silent night  
*Silver and gold*  
*Sing hosanna*  
Sing lullaby  
Sing, my tongue, the glorious battle  
Sing to God new songs  
of worship  
Sing we of the blessed Mother  
Soldiers of Christ, arise  
Soldiers who are Christ's below  
Soul of my Saviour  
Spirit of mercy, truth and love  
Spirit of the living God (Iverson)  
Spirit of the living God (Armstrong)  
*Spirit song*  
Stand up and bless the Lord  
Stand up, stand up for Jesus  
*Standing in the need of prayer*  
Stay with me  
Steal away  
*Story of love*  
Strengthen for service, Lord  
Such love  
Sun of my soul, thou Saviour dear  
Sweet sacrament divine

**T**

Take my life, and let it be  
Take up thy cross, the Saviour said  
Teach me, my God and King  
Tell out, my soul  
Thank you, Lord, for this new day  
Thanks for the fellowship  
The advent of our King  
The angel Gabriel from  
heaven came  
The Church of God a kingdom is  
The Church's one foundation  
The day of resurrection  
The day thou gavest, Lord,  
is ended  
The eternal gifts of Christ the King  
The first Nowell  
The God of Abraham praise  
The God of love my shepherd is  
The head that once was crowned  
with thorns  
The holly and the ivy  
The ink is black  
The King is among us  
The King of love my shepherd is  
The Lord is King!  
The Lord is my light  
The Lord is my song

The Lord is risen indeed  
The Lord will come and not  
be slow  
The Lord's my shepherd  
*The old rugged cross*  
*The people of God*  
The race that long in  
darkness pined  
The royal banners forward go  
*The Servant King*  
*The Servant Song*  
The spacious firmament on high  
The Spirit lives to set us free  
The strife is o'er; the battle done  
*The Summons*  
*The trees of the field*  
The Virgin Mary had a baby boy  
*The wine of the kingdom*  
Thee we adore, O hidden  
Saviour; thee  
There are hundreds of sparrows  
There is a green hill far away  
There is a Redeemer  
There's a wideness in  
God's mercy  
Thine arm, O Lord, in days of old  
Thine be the glory  
Thine for ever! God of love  
Think of a world without  
any flowers  
This day God gives me  
This is my body  
This is my will  
This is the day  
*This is your God*  
This joyful Eastertide  
This little light of mine  
This world you have made  
Thou art the Way; by thee alone  
Thou didst leave thy throne  
Thou, whose almighty word  
Three in One, and One in Three

Through all the changing scenes  
of life  
Through the night of doubt  
and sorrow  
Thy hand, O God, has guided  
Thy kingdom come, O God  
Thy kingdom come!  
Thy way, not mine, O Lord  
To God be the glory!  
To the name of our salvation  
To thee, O Lord, our hearts  
we raise

**U**

Ubi caritas  
Unto us a boy is born

**V**

Virgin-born, we bow before thee

**W**

Wait for the Lord  
Wake, O wake! with  
tidings thrilling  
*Walk in the light*  
*Water of life*  
We believe in God the Father  
We hail thy presence glorious  
We have a gospel to proclaim  
We love the place, O God  
We plough the fields and scatter  
We pray thee, heavenly Father  
We sing the praise of him  
who died  
We three kings of Orient are  
We will lay our burden down  
*We worship at your feet*  
We'll walk the land  
Were you there when they  
crucified my Lord?  
What a friend we have in Jesus  
What child is this

What a knight won his spurs  
When all thy mercies, O my God  
When God almighty came  
to earth  
When I feel the touch  
When I look into your holiness  
When I needed a neighbour  
When I survey the  
wondrous cross  
When, in our music, Go  
is glorified  
When morning gilds the skies  
When our God came to earth  
When we walk with the Lord  
While shepherds watched  
Who are these like  
stars appearing  
Who is this so weak and helpless  
Who put the colours in  
the rainbow?  
Who would think  
Wide, wide as the ocean  
Will you come and follow me  
Will your anchor hold  
Within our darkest night

**Y**

Ye choirs of new Jerusalem  
Ye holy angels bright  
Ye servants of God  
Ye servants of the Lord  
Ye watchers and ye holy ones  
Ye who own the faith of Jesus  
You are beautiful  
You are the King of Glory  
You shall go out with joy  
*You're alive*

As the deer longs  
And did those feet  
Angels from the realms of glory  
Angels we have heard on high  
Arise, come to your God  
As earth that is dry

For all your saints still active  
For Mary, mother of our Lord  
For the days when you feel near  
For the fruits of his creation  
For the healing of the nations  
Forgive our sins as we forgive  
Forth in the peace of Christ we go  
Forth in thy name, O Lord, I go  
Forty days and forty nights  
*Freely, freely*  
From heaven you came  
From the depths we cry to thee  
From the very depths of darkness

Hail, glorious Saint Patrick  
Hail, Mary, full of grace

Hail, Queen of heaven  
Hail, Redeemer, King divine!  
Hail the day that sees him rise  
Hail thee, festival day!  
Hail, thou star of ocean  
Hail to the Lord's anointed  
Halle, halle, hallelujah!  
Hallelu, hallelu  
Hark! a herald voice is calling  
Hark, the herald-angels sing  
Have you heard the raindrops  
He brings us into his  
banqueting table  
He is Lord  
He is risen, tell the story  
Healer of the sick  
Hear my cry  
Hear our prayer, O gentle mother  
*Here I am, Lord*  
Here in this place  
He's got the whole world  
in his hand  
*Highland Cathedral*  
Hills of the north, rejoice  
*His banner over me is love*  
Holy God, we praise thy name  
Holy, holy, holy  
Holy, holy, holy is the Lord  
Holy, holy, holy is the Lord  
Holy, holy, holy Lord  
Holy, holy, holy! Lord God almighty!  
Holy, holy, holy the Lord  
Holy light on earth's horizon  
Holy Mary, you were chosen  
Holy, most holy  
(Slye Boat Song Sanctus)  
Holy, most holy (Sloane Sanctus)  
Holy Spirit, come, confirm us  
Holy Spirit, Lord of light  
Holy Spirit of fire  
Holy virgin, by God's decree  
Honour and glory, amen!  
Hosanna, hosanna  
*Hosanna to the Son of David*  
How deep the Father's love for us  
How good it is to trust in you  
How great is our God  
*How great thou art*  
How lovely on the mountains  
How privileged we are  
How sweet the name of  
Jesus sounds

**I**

I am the bread of life  
I bind unto myself today cannot tell  
I come with joy, a child of God  
I danced in the morning  
I give my hands  
I give you love  
I heard the voice of Jesus say  
I know that my Redeemer lives  
I received the living God  
I sing a song to you, Lord  
I, the Lord of sea and sky  
I watch the sunrise  
I will be with you  
I will never forget you  
I will sing, I will sing  
I will sing the wondrous story  
If God is for us  
If I were a butterfly  
I'll sing a hymn to Mary  
Immaculate Mary!  
Immortal, invisible, God only wise  
In bread we bring you, Lord  
In Christ alone  
In Christ there is no east or west  
In his temple now behold him  
*In love for me*  
In the bleak mid-winter  
*In the faith of Christ*

*The trees of the field*  
The Virgin Mary had a baby boy  
The voice of God  
Then, through him, with him  
and in him  
There is a green hill far away  
There is a longing  
There is a Redeemer  
There's a spirit in the air  
There's a wideness in God's mercy  
These vows of love are taken  
They had lost the will to live  
Thine be the glory  
Think of a world without any flowers  
This day God gives me  
This is my body  
This is my will  
This is the day  
This is the image of the queen  
*This is your God*  
This joyful Eastertide  
This little light of mine  
This, then, is my prayer  
Thou, whose almighty word  
Though the mountains may fall  
Thuma mina  
Thy hand, O God, has guided  
To be in your presence  
To Christ, the Prince of Peace  
To God be the glory!  
To Jesus' heart, all burning  
*To you alone*  
To your altar we bring  
*Trinity*  
*Trinity Song*  
Turn to me

Wait for the Lord  
Waken, O sleeper, wake and rise  
*Walk in the light*  
Walk with me, O my Lord  
*Water of life*  
We are gathering together  
We are marching  
We are waiting  
We behold the splendour of God  
We believe (Fitzpatrick)

We cannot measure  
We celebrate this festive day  
We come to share our story  
We gather here  
We have a dream  
We have a gospel to proclaim  
We have a King who rides a donkey  
We hold a treasure  
We plough the fields and scatter  
We shall draw water joyfully  
We shall go out with hope  
We shall stay awake  
We three kings of Orient are  
Welcome, all you noble saints  
Were you there when they  
crucified my Lord  
What a friend we have in Jesus  
What child is this  
Whatsoever you do  
When Christ our Lord to  
Andrew cried  
When days are touched with sadness  
When I needed a neighbour  
When I survey the wondrous cross  
When Jesus comes to be baptised  
When morning gilds the skies  
When the angel came to Mary  
When the King shall come again  
*When the Saints Sanctus*  
When the Spirit of the Lord  
Where are you bound, Mary  
Where the love of Christ unites us  
Where true love is found with charity  
While shepherds watched  
Who can sound the depths of sorrow  
Who put the colours in the rainbow?  
Will you come and follow me  
Within our darkest night  
*Within the reign of God*  
Within this place we gather  
*Woodlands Gloria*  
Word made flesh  
Word of justice, alleluia

**Y**

Ye choirs of new Jerusalem  
Ye holy angels bright  
Ye sons and daughters of the Lord  
Ye who own the faith of Jesus  
You are salt  
You are the Bread of Life  
You are the centre  
You are the King of glory  
*You came from heaven to earth*  
You have called us  
You, Lord, are in this place  
*You make the Father known*  
*Your love is finer than life*  
You shall cross the barren desert  
You shall go out with joy  
You stood there on the shoreline  
You who dwell in the shelter of  
the Lord  
Your love's greater

### A

A butterfly, an Easter egg  
A new commandment  
*A Blessing*  
*A touching place*  
Abba, Abba, Father  
Abba, Father, from your hands  
Abba, Father, send your Spirit  
Abide with me  
Across the years there  
    echoes still  
Adeste fideles  
Adoramus te, Domine  
Adoramus te, Domine Deus  
*Advent Ring*  
*Advent Song*  
*All are welcome*  
All creation, bless the Lord  
All creatures of our God  
    and King  
All glory, laud and honour  
All God's people, here together  
All hail the power of Jesus' name  
All heaven declares  
All my hope on God is founded

All over the world  
All people that on earth  
    do dwell  
All that I am  
All the earth proclaim the Lord  
All the nations of the earth  
All things bright and beautiful  
All who would valiant be  
All you who seek a comfort sure  
Alleluia, alleluia, give thanks to  
    the risen Lord  
Alleluia, alleluia! I will praise  
    the Father  
Alleluia, sing to Jesus  
Alma redemptoris mater  
Almighty Father, Lord most high  
Amazing grace  
An upper room did our  
    Lord prepare  
And did those feet  
Angels from the realms of glory  
Angels we have heard on high  
Arise, come to your God  
As earth that is dry  
As gentle as silence

As I kneel before you  
As the deer longs  
As the deer pants for the water  
As with gladness men of old  
At the cross she keeps  
    her station  
At the Lamb's high feast we sing  
At the name of Jesus  
At your feet  
Ave Maria  
Ave Maria, O maiden, O mother  
Ave, Regina caelorum!  
Ave verum corpus  
Awake, awake: fling off the night!  
Awake from your slumber!  
Away in a manger

### B

Battle is o'er, hell's armies flee  
*Be humble of heart*  
*Be not afraid*  
Be still and know  
Be still and know I am with you  
Be still and know that I am God  
Be still, for the presence of  
    the Lord

Be still, my soul  
Be thou my vision  
Because the Lord is my  
    shepherd  
Behold, the Lamb of God  
Benedictus qui venit  
Bethlehem, of noblest cities  
Bind us together, Lord  
Bless the Lord, my soul  
Bless the Lord, O my soul  
*Blessed be God*  
Blest are the pure in heart  
Blest are you, Lord  
Blest be the Lord  
Breathe, on me, Breath of God  
*Bridegroom and bride*  
Bring, all ye dear-bought nations  
Bring flowers of the rarest  
*Bring forth the kingdom*  
Broken for me  
Brother, sister, let me serve you  
By the blood that flowed  
    from thee  
By the waters of Babylon

**C**

Called to shed light  
 Calm me, Lord  
*Centre of my life*  
 Child in the manger  
 Children of Jerusalem  
 Christ be beside me  
 Christ be with me  
*Christ, be our light*  
 Christ is King of earth and heaven!  
 Christ is made the sure  
 foundation  
 Christ is our King  
 Christ the Lord is risen today  
 Christ triumphant  
 Christians, awake!  
 Christmas is coming  
 Christ's is the world  
 Christus vincit  
*Close to you*  
 Colours of day  
 Come and celebrate  
 Come and find the quiet centre  
 Come and join the celebration  
 Come and praise him  
 Come back to me  
 Come, come, come to the manger  
 Come down, O Love divine  
 Come, Holy Ghost, Creator, come  
 Come into his presence  
 Come, Lord Jesus  
 Come, Lord Jesus, come  
 Come, my Way, my Truth, my Life  
 Come now, the table's spread  
 Come, O divine Messiah!  
 Come on and celebrate  
 Come, praise the Lord  
 Come, they told me  
 Come, thou long-expected Jesus  
 Come to me, come, my people  
 Come to set us free  
 Come to the table of the Lord  
*Come to the water*  
 Come, ye thankful people, come  
 Confitemini Domino  
 Creator of the day  
 Creator of the stars of night  
 Crown him with many crowns

**D**

Daily, daily, sing to Mary  
 Dance in your Spirit  
 Day is done, but love unending  
 Dear Lord and Father of mankind  
 Ding dong, merrily on high!  
 Do not be afraid  
 Dona nobis pacem  
 Don't build your house on  
 the sandy land

**E**

*Earthen vessels*  
 Eat this bread  
 Embrace the universe with love  
*Enemy of apathy*  
 Eternal Father; strong to save  
 Exaudi nos, Domine

**F**

Faith of our fathers  
 Father and life-giver  
 Father; I place into your hands  
 Father; in my life I see  
 Father; we adore you  
 Father; we love you  
 Father welcomes all his children  
 Fearful, uncertain  
 Fight the good fight  
 Fill my house  
 Fill your hearts with joy  
 and gladness  
 Firmly I believe and truly  
 Follow me  
 For all the saints  
 For all your saints still active  
 For Mary, mother of our Lord  
 For the days when you feel near  
 For the fruits of his creation  
 For the healing of the nations  
 Forgive our sins as we forgive  
 Forth in the peace of Christ  
 we go  
 Forth in thy name, O Lord, I go  
 Forty days and forty nights  
*Freely, freely*  
 From heaven you came  
 From the depths we cry to thee  
 From the very depths of darkness

**G**

Gather around, for the table  
 is spread  
*Gather us in*  
 Gifts of bread and wine  
 Give me a new heart  
 Give me joy in my heart  
 Give me peace, O Lord  
 Give thanks for saints  
 Give thanks for those  
 Give thanks with a grateful heart  
*Glorify your name*  
 Glorious things of you are spoken  
 Glory and praise to our God  
 Glory be to Jesus  
*Glory of Mary*  
 Glory to thee, Lord God!  
 Glory to thee, my God, this night  
 Go back, go back to Galilee  
 Go forth and tell!  
 Go forward, people of God today  
 Go in peace  
 Go, tell it on the mountain  
 Go, the Mass is ended  
*Go, tell everyone*  
 God be in my head  
 God be with you till we  
 meet again  
*God beyond all names*  
 God, beyond our dreams  
 God everlasting, wonderful  
 and holy  
 God fills me with joy  
 God forgave my sin

God has filled me with endless joy  
 God in the planning  
 God is love  
 God is love: his the care  
 God is working his purpose out  
 God of life, God of love  
 God of life, we come in worship  
 God of mercy and compassion  
 God of the Passover  
 God, our Creator  
 God rest you merry, gentlefolk  
 God to enfold you  
 Godhead here in hiding  
 God's Spirit is in my heart  
 Going home  
 Good Christians all, rejoice  
 Good King Wenceslas  
 Grant to us, O Lord  
 Grant us the courage,  
 gracious God  
*Great love*  
 Guide me, O thou great  
 Redeemer

**H**

Hail, glorious Saint Patrick  
 Hail, Mary, full of grace  
 Hail, Queen of heaven  
 Hail, Redeemer; King divine!  
 Hail the day that sees him rise  
 Hail thee, festival day!  
 Hail, thou star of ocean  
 Hail to the Lord's anointed  
 Hallelu, hallelu  
 Hark! a herald voice is calling  
 Hark, the herald-angels sing  
 Have you heard the raindrops  
 He brings us in to his  
 banqueting table  
 He is Lord  
 He is risen, tell the story  
 Healer of the sick  
 Hear my cry  
 Hear our prayer; O gentle mother  
*Here I am, Lord*  
 Here in this place  
 He's got the whole world  
 in his hand  
*Highland Cathedral*  
 Hills of the north, rejoice  
 His banner over me is love  
 Holy God, we praise thy name  
*Holy, holy*  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God  
 almighty!  
 Holy Mary; you were chosen  
 Holy Spirit, come, confirm us  
 Holy Spirit, Lord of light  
 Holy Spirit of fire  
 Holy virgin, by God's decree  
 Hosanna, hosanna  
 How good it is to trust in you  
 How great is our God  
*How great thou art*  
 How lovely on the mountains  
 How privileged we are

**I**

I am the bread of life  
 I bind unto myself today

I cannot tell  
 I danced in the morning  
 I give my hands  
 I give you love  
 I heard the voice of Jesus say  
 I know that my Redeemer lives  
 I received the living God  
 I sing a song to you, Lord  
 I, the Lord of sea and sky  
 I watch the sunrise  
 I will be with you  
 I will never forget you  
 I will sing, I will sing  
 I will sing the wondrous story  
 If God is for us  
 If I were a butterfly  
 I'll sing a hymn to Mary  
 Immaculate Mary!  
 Immortal, invisible, God only wise  
 In bread we bring you, Lord  
 In Christ alone  
 In Christ there is no east or west  
 In his temple now behold him  
*In love for me*  
 In the bleak mid-winter  
 In the faith of Christ  
 In the garden Mary lingers  
 In the Lord I'll be ever thankful  
 In the Lord is my joy  
 In you, my God  
 Infant holy, infant lowly  
 Inspired by love and anger  
 Into one we all are gathered  
 It came upon the midnight clear  
 It's me, O Lord

**J**

*Jerusalem*  
 Jerusalem, the kingdom  
 Jesu, Jesu, fill us with your love  
 Jesu, lover of my soul  
 Jesu, tawa pano  
 Jesu, the very thought of thee  
 Jesu Christ  
 Jesu Christ is risen today  
 Jesu Christ is waiting  
 Jesu is Lord! Creation's voice  
 proclaims it  
*Jesu is our joy*  
 Jesu, Lord of glory  
 Jesu, my Lord, my God, my all  
 Jesu, Name above all names  
 Jesu, remember me  
 Jesu rose on Easter day  
 Jesu, stand among us  
 Jesu the Lord said:  
 'I am the bread'  
*Jesu the Lord says*  
*Jesu, we are here*  
 Jesu, who condemns you?  
 Jesu, you are Lord  
 Join in the dance  
 Joy to the world!  
 Jubilate Deo (Lourdes)  
 Jubilate Deo (Praetorius)

Lamb of God, Holy One  
Lauda Jerusalem  
*Laudate Dominum*  
Laudate Dominum  
Laudate omnes gentes  
Lay your hands gently upon us  
Lead, kindly light  
Lead us, heavenly Father, lead us  
Leader, now on earth no longer  
Lest we forget  
Let all mortal flesh keep silence  
Let all that is within me  
Let all the world in every  
corner sing  
Let earth rejoice!  
Let me wash your feet  
Let there be love  
Let us break bread together  
Let us build a house  
Let us, with a gladsome mind  
Lift high the Cross  
Lift up your voice  
*Light up the fire*  
Like a sea without a shore  
Like as the deer  
Listen, let your heart keep seeking  
Little donkey  
Little Jesus, sweetly sleep  
*Living Lord*  
Lo, he comes with clouds  
descending  
Longing for light  
Look around you  
Look down, O mother Mary  
Lord, accept the gifts we offer  
Lord, enthroned in heavenly  
splendour  
Lord, for the years  
Lord, for tomorrow and its needs  
Lord, have mercy  
Lord, I lift my hands to you  
in prayer  
Lord Jesus, as we turn from sin  
Lord Jesus Christ  
Lord Jesus, think on me  
Lord, make me a means of  
your peace  
Lord of all hopefulness  
Lord of life, I come to you  
*Lord of the Dance*  
Lord, the light of your love  
Lord, thy word abideth  
Lord, today your voice is calling  
Lord, we come to ask your healing  
Lord, who throughout these  
forty days  
Lord, you created

Lord, you give the great  
commission  
*Lourdes Hymn*  
Love came down at Christmas  
Love divine, all loves excelling  
Love is his word  
Lovely in your littleness  
Loving Shepherd of thy sheep

May the Lord bless you  
Meekness and majesty  
Morning has broken  
Moses, I know you're the man  
Mother of Christ, called  
from above  
Mother of God's living Word  
My heart will sing to you  
My Jesus, my Saviour  
My shepherd is the Lord  
My song is love unknown  
My soul is filled with joy  
My soul is longing for your peace  
My soul is sad  
My soul proclaims  
My soul proclaims you,  
mighty God

**N**

Nada te turbe  
*New Lourdes Hymn*  
New praises be given  
*Northern Saints*  
*Nothing can trouble*  
Now as the evening shadows fall  
Now thank we all our God  
Now the green blade riseth  
Now watch for God's coming  
Now with the fast-departing light

**O**

O bread of heaven  
O Christe, Domine Jesu  
O come, all ye faithful  
O come and mourn with  
me a while  
O come, divine renewing Spirit  
O come, O come, Emmanuel  
O comfort my people  
O food of travellers  
O God beyond all praising

O God of earth and altar  
O God, our help in ages past  
O God, we give ourselves today  
O God, who gives the fertile seed  
O God, you search me  
O God, your people gather  
O Godhead hid  
O, how good is the Lord!  
O Jesus Christ, remember  
O Jesus, I have promised  
O King of might and splendour  
O lady, full of God's own grace  
O let all who thirst  
O little town of Bethlehem  
O living water  
O Lord, all the world  
belongs to you  
O Lord, be not mindful  
O Lord, hear my prayer  
O Lord, my God  
O Lord, my heart is not proud  
O Lord, we want to praise you  
O Lord, your tenderness  
O Mary, when our God chose you  
O Mother blest  
O my people, what have I  
done to you?  
O perfect love  
O praise ye the Lord!  
O purest of creatures!  
O Sacrament most holy  
O sacred head ill-used  
O sacred head sore wounded  
O Sacred Heart  
O sing a new song  
O, the love of my Lord  
O the word of my Lord  
O thou, who at thy Eucharist  
didst pray  
O when the saints go marching in  
O Word, in uncreated light  
O worship the King  
O worship the Lord in the beauty  
of holiness  
Of the Father's love begotten  
Of the glorious body telling  
On a hill far away  
On Christmas night all  
Christians sing  
On eagle's wings  
On Jordan's bank the Baptist's cry  
On the holy cross I see  
On this church your blessing, Lord  
On this day of joy  
Once again  
Once in royal David's city  
One bread, one body  
One more step along the  
world I go  
Only a shadow  
Onward, Christian pilgrims  
Open our eyes, Lord  
Open your ears,  
O Christian people

Our God loves us  
Our God reigns  
Our God sent his Son long ago  
Our hearts were made for you  
Out of darkness

Said Judas to Mary  
Salve, Regina  
Sanctum nomen Domini  
Santo, santo, santo (Holy, holy)  
Save us, O Lord  
See, amid the winter's snow  
See, Christ was wounded  
See him lying on a bed of straw  
See the holy table, spread  
for our healing  
See us Lord, about your altar  
Seek ye first  
Send forth your Spirit, Lord  
Send forth your Spirit, O Lord  
*Send me, Lord*  
Shalom, my friend  
She sits like a bird  
Shepherd me, O God  
*Shine, Jesus, shine*  
*Shout to the Lord*

*Signs of new life*  
 Silent night  
 Silent, surrendered  
 Sing a new song  
 Sing, all creation  
 Sing hallelujah to the Lord  
*Sing hosanna*  
 Sing it in the valleys  
 Sing, my soul  
 Sing, my tongue, the song  
 of triumph  
 Sing of Mary, pure and lowly  
 Sing of the Lord's goodness  
*Sing praise*  
 Sing to the mountains  
 Sing we of the blessed Mother  
 Sleep, holy babe  
*Song of farewell*

 Soul of my Saviour  
 Spirit hovering o'er the waters

 the darkness  
 Spirit of the living God  
 Star of sea and ocean  
 Stay with me  
 Steal away  
 Surrexit Christus  
 Sweet heart of Jesus  
 Sweet sacrament divine  
 Sweet Saviour; bless us

**T**  
 Take me, Lord  
 Take my hands  
 Take my hands, Lord  
 Take my life, and let it be  
 Take our bread  
 Take the word of God with you  
 Take this moment  
 Teach me, dear Lord  
 Tell out, my soul  
 Thanks be to God  
 The angel Gabriel from  
 heaven came  
*The Beatitudes*  
 The Church is wherever  
 God's people  
 The Church's one foundation

The coming of our God  
 The day of resurrection!  
 The Day of the Lord shall come  
 The day thou gavest, Lord,  
 is ended  
 The first Nowell  
 The God of all eternity  
 The head that once was crowned  
 with thorns  
 The holly and the ivy  
 The King of glory comes  
 The King of love my shepherd is  
 The kingdom of heaven  
 The light of Christ  
*The little drummer boy*  
 The Lord hears the cry  
 of the poor  
 The Lord is alive!  
 The Lord is my light  
 The Lord is my song  
 The Lord's my shepherd (Irvine)  
 The Lord's my shepherd  
 (Townend)  
 The love I have for you  
 The love we share  
 The night before our Saviour died  
*The old rugged cross*  
 The peace of God  
 (Jesus the Lord says)  
*The people of God*  
 The race that long in  
 darkness pined  
 The royal banners forward go  
*The Servant King*  
*The servant song*  
*The song of the supper*  
 The Spirit lives to set us free  
*The Stations of the Cross*  
*The Summons*  
 The temple of the living God  
 The time was early evening  
*The trees of the field*  
 The Virgin Mary had a baby boy  
 There is a green hill far away  
 There is a longing  
 There's a spirit in the air  
 These vows of love are taken  
 They had lost the will to live  
 Thine be the glory  
 This day God gives me  
 This is my body  
 This is my will

This is the day  
 This is the image of the queen  
*This is your God*  
 This joyful Eastertide  
 This little light of mine  
 This, then, is my prayer  
 Thou, whose almighty word  
 Though the mountains may fall  
 Thuma mina  
 Thy hand, O God, has guided  
 To be in your presence  
 To Christ, the Prince of Peace  
 To Jesus' heart, all burning  
*To you alone*  
*Trinity*  
*Trinity Song*  
 Turn to me

**U**  
 Ubi caritas  
*Ubi caritas*  
 Unless a grain of wheat  
 Unto us a boy is born!  
 Upon thy table, Lord

**V**  
 Vaster far than any ocean  
 Veni, Creator Spiritus  
 Veni, lumen cordium  
 Veni, Sancte Spiritus  
 Veni, Sancte Spiritus (Vogler)  
 Veni, Sancte Spiritus (Walker)  
 Victimae Paschali laudes

**W**  
 Wait for the Lord  
 Waken, O sleeper; wake and rise  
*Walk in the light*  
 Walk with me, O my Lord  
*Water of life*  
 We are gathering together  
 We are marching  
 We are waiting  
 We behold the splendour of God  
 We cannot measure  
 We celebrate this festive day  
 We come to share our story  
 We gather here  
 We have a dream  
 We have a gospel to proclaim  
 We have a King who rides  
 a donkey

We hold a treasure  
 We plough the fields and scatter  
 We shall draw water joyfully  
 We shall go out with hope  
 We three kings of Orient are  
 Welcome, all you noble saints  
 Were you there when they  
 crucified my Lord?  
 What child is this  
 Whatsoever you do  
 When Christ our Lord to  
 Andrew cried  
 When days are touched  
 with sadness  
 When I needed a neighbour  
 When I survey the wondrous  
 cross  
 When Jesus comes to be baptised  
 When the angel came to Mary  
 When the Spirit of the Lord  
 Where are you bound, Mary  
 Where the love of Christ  
 unites us  
 Where true love is found  
 with charity  
 While shepherds watched  
 Will you come and follow me  
 Within our darkest night  
*Within the reign of God*  
 Within this place we gather  
 Word made flesh

**Y**  
 Yahweh, I know you are near  
 Ye choirs of new Jerusalem  
 Ye sons and daughters of the Lord  
 You are salt  
 You are the Bread of Life  
 You are the centre  
 You have called us  
 You, Lord, are in this place  
*You make the Father known*  
 You shall cross the barren desert  
 You shall go out with joy  
 You stood there on the shoreline  
 You who dwell in the shelter  
 of the Lord  
 Your love's greater

All creation, bless the Lord  
All creatures of our God  
and King  
Alleluia, alleluia, give thanks to  
the risen Lord  
Alleluia, alleluia! I will praise  
the Father  
Alleluia: Praise God  
Alleluia, sing to Jesus

All glory, laud and honour  
All glory, laud and honour

All my hope on God is founded  
All over the world  
All people that on earth  
do dwell  
All that I am

All the nations of the earth  
All things bright and beautiful  
All who would valiant be  
All you who seek a  
comfort sure  
Alma redemptoris mater  
Amazing grace  
And did those feet  
A new commandment

Angels from the realms of glory  
Angels we have heard on high  
An upper room did our  
Lord prepare  
Arise, come to your God  
As earth that is dry  
*As gentle as silence*  
As I kneel before you  
As the deer longs  
As the deer pants for the water  
As with gladness men of old  
*A touching place*  
At the cross she keeps  
her station  
At the name of Jesus  
At your feet  
Ave Maria, O maiden, O mother  
Ave, Regina caelorum  
Awake from your slumber  
Away in a manger

#### B

Battle is o'er, hell's armies flee  
*Because he lives*  
Because the Lord is my  
shepherd  
Be not afraid  
Be still and know I am with you  
*Be still and know*  
Be still and know that I am God  
Be still, for the presence of  
the Lord  
Be still, my soul  
Bethlehem, of noblest cities  
Be thou my vision  
Bind us together, Lord  
*Blessed be God*  
*Bless his holy name*  
Bless the Lord, O my soul  
Blest are the pure in heart  
Blest are you, Lord

Hear my cry  
Hear our prayer, O gentle mother  
He comes, the Way  
He is Lord

He is risen, tell the story  
Here be the peace  
*Here I am, Lord*  
Here in this place  
He's got the whole world in his  
hand  
He's the Saviour of my soul  
*He touched me*  
Hills of the north, rejoice  
Holy God, we praise thy name  
Holy, holy, holy  
Holy, holy, holy is the Lord  
Holy, holy, holy! Lord God almighty  
Holy Spirit, Lord of light  
Holy Spirit of fire  
Holy virgin, by God's decree  
Hosanna, hosanna  
How good it is to trust in you

How lovely on the mountains  
How privileged we are  
How shall I sing that majesty  
How shall they hear the word  
of God

**I**  
I am the bread of life (Toolan)  
I bind unto myself today  
I cannot tell  
I danced in the morning  
I dream of a Church  
If God is for us  
If I were a butterfly  
If you believe and I believe  
I give my hands  
I give you love  
I heard the voice of Jesus say  
I'll sing a hymn to Mary  
Immaculate Mary  
Immortal, invisible, God only wise  
In bread we bring you, Lord  
Infant holy, infant lowly  
In his temple now behold him  
In our journeying this day  
In the bleak mid-winter  
In the faith of Christ  
In the garden Mary lingers  
*In the shadow of your wings*  
Into one we all are gathered  
In you, my God  
In your coming and going  
I received the living God  
It came upon the midnight clear  
I, the Lord of sea and sky  
It's me, O Lord

I watch the sunrise  
I will be with you  
I will bless the Lord  
I will sing, I will sing  
I will walk in the presence of God

Let all mortal flesh keep silence  
Let all that is within me  
Let all the world in every  
corner sing  
Let earth rejoice!  
Let me wash your feet  
Let the heavens worship  
Let the hungry come to me  
Let there be love  
Let us build a house  
Let us, with a glad some mind  
Lift high the Cross  
Lift up your voice  
*Light up the fire*  
Listen, let your heart keep seeking  
Little donkey

Little Jesus, sleep away  
*Living Lord*  
Lo, he comes with clouds  
descending  
Longing for light  
Look around you  
Look down, O mother Mary  
Lord, accept the gifts we offer  
Lord, as I wake I turn to you  
Lord, enthroned in heavenly  
splendour  
Lord forgive me, for I've failed you  
Lord, for the years  
Lord, for tomorrow and its needs  
Lord, have mercy  
Lord, I lift my hands to you  
in prayer  
Lord Jesus, as we turn from sin

Lord of all hopefulness  
Lord of Life, I come to you  
*Lord of the dance*

Lord, the light of your love  
Lord, thy word abideth  
Lord, today your voice is calling  
Lord, we come to ask your healing  
Lord, who throughout these  
forty days  
Lord, you created  
Lord, you give the great  
commission

your glory!  
Mary Immaculate  
Mary most holy  
May the choirs of angels  
Meekness and Majesty  
Morning has broken  
Moses, I know you're the man  
Mother of Christ, called  
from above

Mother of God's living Word  
*My desire*  
My God, accept my heart this day  
My God, I love thee  
My God, my God, why have you  
forsaken me?  
My heart will sing to you  
My Jesus, my Saviour  
My shepherd is the Lord  
My song is love unknown  
My soul is filled with joy  
My soul proclaims  
My soul proclaims you,  
mighty God  
*My tribute*

**N**  
*New Lourdes Hymn*  
New praises be given  
Now as the evening shadows fall  
Now thank we all our God  
Now the green blade riseth  
Now watch for God's coming  
Now with the fast-departing light

**O**  
O bread of heaven  
O come, all ye faithful  
O come, divine Messiah  
O come, O come, Emmanuel  
O, come to the water  
O comfort my people  
O food of travellers  
Of the Father's love begotten  
Of the glorious body telling  
O God beyond all praising  
O Godhead hid  
O God of earth and altar  
O God, our help in ages past  
O God, please listen  
O God, who gives the fertile seed  
O God, your people gather  
O God, you search me  
O, how good is the Lord  
Oh the life of the world  
O Jesus Christ, remember  
O Jesus, I have promised  
O let all who thirst  
O little town of Bethlehem  
O living water  
O Lord, all the world  
O Lord, be not mindful  
O Lord, my God  
O Lord, we want to praise you  
O Lord, your tenderness  
O Mother blest  
O my people, what have I done  
to you?  
On a hill far away  
*Once again*  
Once in Royal David's city

On Christmas night all  
Christians sing  
*On eagle's wings*  
One bread, one body  
One is the body  
One more step along the world  
I go  
On Jordan's bank the Baptist's cry  
*Only a shadow*  
On this day of joy  
On this house your blessing, Lord  
Onward, Christian pilgrims  
Open our eyes, Lord  
O perfect love  
O praise ye the Lord!  
O purest of creatures  
O sacred head sore wounded  
O Sacred Heart  
O sing a new song  
O that today you would listen to  
his voice  
O, the love of my Lord  
O the word of my Lord  
O thou, who at thy Eucharist  
didst pray  
Our God loves us  
*Our God reigns*  
Our hearts were made for you  
Out of darkness  
O when the saints go marching in  
O Word, in uncreated light  
O worship the King  
O worship the Lord in the beauty  
of holiness

**P**  
Pange lingua gloriosi  
Peace I leave with you  
Peace is flowing like a river  
Peace is the gift  
Peace, perfect peace is the gift  
Praise him  
Praise my soul, the King of heaven!  
Praise the Lord, ye heavens,  
adore him!  
Praise to God for saints  
and martyrs  
Praise to the Holiest  
Praise to the Lord, the Almighty  
Praise to you, O Christ,  
our Saviour  
Praise we our God with joy  
Proclaim, proclaim the story  
Proud yet humble  
Put peace into each other's hands

Rejoice in the Lord always

### S

Said Judas to Mary

Salve, Regina

Sanctus, sanctus, sanctus

Save us, O Lord

See, amid the winter's snow

See him lying on a bed of straw

Seek ye first

See the holy table, spread for  
our healing

See us Lord, about your altar

Send forth your Spirit, Lord

Shackled by a heavy burden

Shalom, my friend

Shepherd me, O God

She sits like a bird

*Shine, Jesus, shine*

Silent night

Sing, all creation

Sing a new song

Sing hallelujah to the Lord

*Sing hosanna*

Sing it in the valleys

Sing, my soul

Sing, my tongue, the song of  
triumph

Sing of Mary, pure and lowly

Sing of the Lord's goodness

*Sing out earth and skies*

Sing praise to God, my Saviour

*Sing praise to the Lord*

Sing praise to Wisdom

Sing to the mountains

Sing we of the blessed Mother

Sleep, holy babe

*Song of farewell*

*Song of the Body of Christ*

Soul of my Saviour

Spirit hovering o'er the waters

Spirit of God

Spirit of God, our light amid  
the darkness

Spirit of God, unseen as the wind

Spirit of the living God (Iverson)

Star of sea and ocean

Steal away

Sweet heart of Jesus

Sweet sacrament divine

### T

Take me, Lord

Take my hands, Lord

Take my life and let it be

Take our bread

Take the word of God with you

Take this moment

Taste and see the goodness of  
the Lord

Teach me, dear Lord

Tell out, my soul

Thanks be to God

The angel Gabriel from  
heaven came

*The Beatitudes*

The Church is wherever God's  
people are praising

The Church's one foundation

The coming of our God

The day of resurrection

The Day of the Lord shall come

The day thou gavest, Lord,  
is ended

The first Nowell

The gifts we bring

The God of all eternity

The head that once was crowned  
with thorns

The holy and the ivy

The kingdom of heaven

The King of love my shepherd is

The light of Christ

*The little drummer boy*

The Lord hears the cry of  
the poor

The Lord is alive

The Lord's my shepherd

The love I have for you

The love we share

*The old rugged cross*

The peace of God

The race that long in  
darkness pined

There is a green hill far away

There is a longing

There's a spirit in the air

*There's something about  
that name*

The royal banners forward go

*The Servant King*

These vows of love are taken

The Spirit lives to set us free

*The Stations of the Cross*

*The Summons*

The temple of the living God

The time was early evening

*The trees of the field*

The Virgin Mary had a baby boy

They had lost the will to live

Thine be the glory

This day God gives me

This is my body

This is the day

This is the image of the queen

*This is your God*

This joyful Eastertide

This little light of mine

This, then, is my prayer

Though the mountains may fall

Thou, whose almighty word

Thy hand, O God, has guided

To be in your presence

To Christ, the Prince of peace

To God be the glory

*To you alone*

To you, O Lord, I lift up my soul

*Traveller's Prayer*

*Trinity Song*

Turn to me

### U

Unless a grain of wheat

Unto us a boy is born

Upon thy table, Lord

### V

Vaster far than any ocean

Veni, Creator Spiritus

Veni, Sancte Spiritus

*Veni, veni, Sancte Spiritus*

Victimae Paschali laudes

### W

Waken, O sleeper, wake and rise

Wake, O wake! With tidings thrilling

*Walk in the light*

Walk with me, O my Lord

We are gathering together

We are his people

We are marching

We behold the splendour of God

We celebrate this festive day

We come to him with our songs  
of great joy

We come to share our story

We gather here

We have a dream

We have a gospel to proclaim

We hold a treasure

We plough the fields and scatter

Were you there when they

crucified my Lord?

We shall draw water joyfully

We shall go out with hope

We three kings of Orient are

What can this mean, how  
can it be?

What child is this

Whatsoever you do

When Christ our Lord to  
Andrew cried

When days are touched  
with sadness

When I needed a neighbour

When is he coming

When I survey the  
wondrous cross

When Jesus comes to be baptised

When the angel came to Mary

When the Spirit of the Lord

Where are you bound, Mary

Where the love of Christ  
unites us

Who put the colours in the  
rainbow?

Will you come and follow me

*Within the reign of God*

Within this place we gather

With the Lord there is mercy

With you alone

With you, O God

Word made flesh

Yahweh, I know you are near

Ye choirs of new Jerusalem

Ye sons and daughters of the Lord

You are salt for the earth

You are the Bread of Life

You have called us

You have the message of  
eternal life

*You make the Father known*

Your kingdom is upside down

Your love's greater

You shall cross the barren desert

You shall go out with joy

You stood there on the shoreline

You who dwell in the shelter  
of the Lord

And so we shout aloud  
*Ancient Russian Blessing*  
A new commandment  
Angels we have heard in heaven  
Angels we have heard on high

Are not our hearts  
As bread my Lord comes to me  
As earth that is dry  
*As gentle as silence*  
As I kneel before you  
As one body we are wed  
As with gladness men of old  
At Bethlehem she bore her son  
At the cross her station keeping  
At the Lamb's high feast we sing  
At the name of Jesus  
*Ave Maria*  
Ave maria, O Maiden,  
O Mother  
Awake, awake, fling off the night  
Away in a manger

**B**

Battle is o'er  
*Beatitudes*  
 Be blessed, pure of heart  
 Before the light of evening fades  
 Behold, the Lamb of God  
*Be like your Father*  
*Benediction*  
 Benedictus qui venit  
*Be not afraid*  
 Be still and know that I am with you  
 Be still and know that I am God  
 Be still my soul  
 Bethlehem! of noblest city  
 Be thou my vision  
 Bind us together, Lord  
 Blessed are my people  
 Bless the Lord, my soul  
 Bless the Lord, O my soul (Anon.)  
 Bless the Lord, O my soul  
 (Baughen)  
 Blest are the pure in heart  
 Blest are you, Lord  
 Blest are you, O poor in spirit  
 Blest be the Lord  
 Bread I bring  
 Break forth into joy  
 Breathe on me, Breath of God  
 Breath of God  
 Bring, all ye dear-bought nations  
 Bring flowers of the rarest  
 Broken for me  
 Build, build your Church  
 But I say unto you  
 By the blood that flow'd  
 from thee  
 By the waters of Babylon  
 By your steadfast love

## A to Z of First Lines *Alternative titles are indented and in italics*

I am the vine  
*I am the vine*  
 I am with you forever  
 I ask your blessing, Lord  
 I believe in God almighty  
 If God is for us  
 If I am lacking in love  
 If I were a butterfly  
 If now my mind was still  
 If only you knew  
 I give my hands  
 I have made a covenant  
 I heard the Lord call my name  
 I'll be with you to the end of  
 the world  
*I'll send you my Spirit*  
 I'll sing a hymn to Mary  
 I looked up and I saw the Lord  
 Immaculate Mary  
 Immortal, invisible, God only wise  
 In bread we bring you  
 Increase my faith  
 In Christ there is no east or west  
 Infant holy  
 In him we knew a fullness  
 In him we live  
 In his days justice shall flourish  
*In love for me*  
 In the bleak midwinter  
 In the earth the small seed  
 is hidden  
 In the love of God and neighbour  
 Into one we all are gathered  
 Into the silence of our hearts  
 In you my God  
 In your coming and going  
 I saw the holy City  
 I see our hands and your side  
 I sing a song to you, Lord  
 I, the Lord of sea and sky  
 I, the servant-Lord  
 It came upon the midnight clear  
 It's me, O Lord  
 I want to build my life  
 I was glad when they said  
 I watch the sunrise  
 I will be with you  
 I will enter his gates  
 I will give you glory  
 I will never forget you  
 I will play before the Lord  
 I will shout for joy to Yahweh  
 I will sing a song to please our God  
 I will sing for ever  
 I will sing, I will sing  
 I will sing unto the Lord  
 I wonder as I wander

Veni, Creator Spiritus

Veni, Sancte Spiritus  
(Vogler-Mayhew)

### W

Wait for the Lord  
Wake up, O people  
*Walk humbly with your God*  
*Walk in the light*  
Walk with me, Oh my Lord  
We are bound for the  
promised land  
We are children of the Lord  
We are gathering  
We are God's people  
We are the Easter people  
We behold the splendour of God  
We believe in God almighty

We believe, we do believe  
We celebrate this festive day  
We come to you, Lord  
We come to your table  
We cry, "Hosanna, Lord"  
We gather together  
We have come into this house  
We hold a treasure  
Welcome, all ye noble saints  
We offer you bread and wine  
We plough the fields  
We praise you and thank you  
Were you there  
We see the Lord  
We shall overcome  
We three kings  
We will walk through the valley  
What a joy  
What can we offer you  
What child is this  
Whatsoever you do

When Christ, our Lord, to  
Andrew cried  
When is he coming  
When Israel was in Egypt's land  
When I survey the  
wondrous Cross  
When Mary listened to  
God's word  
When the day grows cold  
When we eat this bread and drink  
this cup (Tamblyn)  
When we eat this bread and  
drink this cup (Trad.)  
Where two or three are gathered  
Where are you bound, Mary  
Where is love and loving kindness  
Where love and charity endure  
Wherever you go  
Where would we be without  
Christ our Lord  
While shepherds watched

Within our darkest night  
Word made flesh

### Y

Yahweh, I know you are near  
Yahweh's love will last for ever  
*Yahweh, the faithful one*  
Yahweh, you are my strength  
Ye choirs of new Jerusalem  
Ye sons and daughters  
Ye who own the faith of Jesus  
*You are mine*  
Your Word is my light  
Your words are spirit, Lord  
You came down to earth  
You shall cross the barren desert  
You who dwell  
You who sleep, rise up

Abba, Abba, Father  
Abba, Father, from your hands  
Abba, Father, send your Spirit  
Abide with me  
A child is born in Bethlehem  
Across the years there  
echoes still  
Adeste fideles  
*Advent acclamations*  
*Advent song*  
*A healing song*  
A hymn of glory let us sing!  
All creation, bless the Lord  
All creatures of our God  
and King  
Alleluia: All the earth  
Alleluia, alleluia, give thanks to  
the risen Lord  
Alleluia, alleluia! I will praise  
the Father

Alleluia: Let us sing of the Lord  
*Alleluia: My soul praises the glory*  
Alleluia: Praise God  
Alleluia: Sing, my soul  
Alleluia, sing to Jesus  
Alleluia, thank you for fathers  
All for Jesus!  
All glory, laud and honour  
All glory to you, Redeemer Lord  
All God's people, here together  
All hail the power of Jesus' name  
All heaven declares  
All I once held dear  
All my hope on God is founded  
All over the world  
All people that on earth do dwell  
All that I am  
All the earth proclaims the Lord  
All the ends of the earth  
All things bright and beautiful

All you nations sing out your joy  
All you who seek a comfort sure  
Alma redemptoris mater  
Almighty Father; Lord  
most high  
Almighty Father; take this bread  
Amazing grace  
And did those feet in  
ancient time  
A new commandment  
Angels from the realms of glory  
Angels we have heard on high  
A noble flower of Judah  
Arise, come to your God  
Arise to greet the Lord of light  
As bread my Lord comes to me  
As earth that is dry  
*As gentle as silence*  
As I kneel before you  
As the deer pants for the water

As we are gathered  
As with gladness men of old  
*A touching place*  
At the cross she keeps  
her station  
At the Lamb's high feast we sing  
At the name of Jesus  
At your feet  
Ave Maria, O maiden, O mother  
Ave, Regina caelorum  
Ave verum corpus  
Awake, awake and greet  
the new morn  
Awake, awake: fling off the night  
Awake from your slumber  
Away in a manger

Battle is o'er; hell's armies flee  
Beauty for brokenness

 Before the night of evening fades  
 Behold the Lamb of God  
 Behold, the Saviour of the nations  
*Be humble of heart*  
 Beloved, let us love  
*Be not afraid*  
 Be still and know I am with you  
 Be still and know that I am God

 Blest are you, Lord of Creation  
 Blest are you, O God  
 Blest be the Lord  
 Born in the night, Mary's child  
 Bread from the earth  
 Bread is blessed and broken  
 Breathe on me, Breath of God  
 Breathe of God, O Holy Spirit  
*Bridegroom and bride*  
 Bring, all ye dear-bought nations  
 Bring flowers of the rarest  
*Bring forth the kingdom*  
 Brother, sister let me serve you  
 By his grace  
 By the blood that flowed from thee  
 By the cross  
 By the waters of Babylon

**C**  
 Called to be servants  
 Change my heart, O God

*Creator of the starry height*  
 Crown him with many crowns

**D**  
 Daily, daily, sing to Mary  
 Dance in your Spirit  
 Day is done, but love unending  
 Day of wrath and day of wonder  
 Dear Lord and Father of mankind  
*Dear maker of the stars at night*  
 Deep calls to deep  
 Deep peace of the running wave to you  
 Deep within my heart  
 Ding dong, merrily on high!  
 Donna nobis pacem  
 Do not be afraid  
 Dying destroyed our death

**E**  
*Earthen vessels*  
*Enemy of apathy*  
*Enfold me in your love*  
 Enter the wilderness  
 Eternal Father, strong to save

**F**  
 Faithful cross  
 Faith in God  
 Faith of our fathers  
 Father and life-giver  
 Father God, gentle Father God

Father God, I wonder  
 Father, in my life I see  
 Father; I place into your hands  
 Father; we adore you  
 Father we come to you  
 Father we love you  
 Fight the good fight  
 Fill my house  
 Fill your hearts with joy and gladness  
 Firmly I believe  
 Follow me  
 For all the saints  
 For the fruits of his creation  
 For the healing of the nations  
 Forth in the peace of Christ we go  
 Forty days and forty nights  
 For you my soul is thirsting  
 Freedom for my people  
*Freely, freely*  
 From heaven you came  
 From many grains  
 From the depths we cry to thee  
 From the sun's rising  
 From the very depths of darkness

**G**  
 Gather around, for the table is spread  
*Gather us in*  
 Gifts of bread and wine  
 Give me joy in my heart

*Glorify your name*  
 Glorious God, King of creation  
 Glory and praise to our God  
 Glory be to Jesus  
 Glory to thee, my God, this night  
 God be in my head  
 God everlasting, wonderful and holy  
 God fills me with joy

 Go, tell it on the mountain  
 Go, the Mass is ended  
 Grant to us, O Lord  
 Grant us your peace  
 Great indeed are your works  
*Great love*  
 Guide me, O thou great Redeemer

**H**  
 Hail, glorious Saint Patrick  
 Hail, Queen of heaven  
 Hail, Redeemer, King divine  
 Hail the day that sees him rise  
 Hail the risen Lord, ascending  
 Hail, thou star of ocean  
 Hail to the Lord's anointed  
 Hail true body  
 Hark! a herald voice is calling  
 Hark, the herald-angels sing  
 Have mercy on us, O Lord  
 Healer of our every ill  
 Healer of the sick  
 Hear my cry  
 Hear our cry  
 Heaven is open wide  
 He brings us into his banqueting table  
*He has made me glad*  
 He is Lord  
 He is risen, tell the story  
*Here I am, Lord*  
 Here in this place  
 Here is bread  
 Here's a child for you, O Lord  
 He's got the whole world in his hand  
 He who would valiant be  
*His banner over me is love*  
 Holy God, of righteous glory  
 Holy God, we praise thy name  
 Holy God, your pilgrim people  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God almighty  
 Holy Jesus, in our likeness born  
 Holy Mary, you were chosen  
 Holy Spirit, come confirm us  
 Holy Spirit, Lord of light  
 Holy Spirit of fire  
 Holy virgin, by God's decree  
 Hosanna, hosanna  
*Hosanna to the Son of David*  
 How great is our God  
*How great thou art*  
 How lovely on the mountains

How shall they hear the word  
of God

**I**  
I am the bread of life (Konstant)  
I am the bread of life (Toolan)  
I am the light  
I cannot tell  
I came like a beggar  
I danced in the morning  
If God is for us  
If I am lacking love  
I give you love  
I have loved you with an  
everlasting love  
I'll sing a hymn to Mary  
I'll turn my steps to that altar  
of God  
Immaculate Mary  
Immortal, invisible, God only wise  
In bread we bring you, Lord  
In company with Christians past  
Infant holy, infant lowly  
In the bleak mid-winter  
In the love of God and neighbour  
*In the shadow of your wings*  
In the tomb so cold  
Into one we all are gathered  
In you, my God  
In your coming and going  
I received the living God  
I saw streams of water flowing  
I saw the Holy City  
I sing a song to you, Lord  
*I stand in awe*  
It came upon the midnight clear  
I, the Lord of sea and sky  
I, the Servant-Lord  
I watch the sunrise  
I will be with you  
I will bless the Lord  
I will enter his gates  
I will never forget you  
I will seek your face, O Lord  
I will sing a song  
I will sing, I will sing  
*I will sing your praises*  
I will walk in the presence of God

**J**  
*Jerusalem*  
Jerusalem the golden  
Jesus calls us  
Jesus Christ is risen today  
Jesus Christ is waiting  
Jesus, ever flowing fountain  
Jesus, gentlest Saviour  
Jesus is God  
Jesus is Lord! Creation's voice  
proclaims it  
Jesus is Lord! In love he came  
*Jesus is our joy*  
Jesus, Lord of glory  
Jesus, my Lord, my God, my all  
Jesus, Name above all names  
Jesus rose on Easter day  
Jesus, the very thought of thee  
Jesus, the Word, has lived  
among us

Jesus, who condemns you?  
Join in the dance  
Joy to the world  
Jubilate Deo  
Jubilate, everybody  
*Judas and Mary*

**K**  
Keep in mind  
*Keep we the fast that men of old*  
King of glory, King of peace  
King of kings and Lord of lords  
*Kyrie eleison*

**L**  
Lamb of God, Holy One  
Laudate Jerusalem  
Laudato sii, O mi Signore  
Lay your hands gently upon us  
Leader; now on earth no longer  
Lead, kindly light  
Lead us, heavenly Father, lead us  
Leave your country and  
your people  
*Leave your gift*  
Let all mortal flesh keep silence  
Let all that is within me  
Let all the world in every  
corner sing  
Let love be real  
Let our praise to you be  
as incense  
Let the heavens declare  
Let there be love  
Let the world in concert sing  
Let us sing your glory  
Let us, with a gladsome mind  
Lift high the Cross  
Lift up your voice  
*Light up the fire*  
Like a sea without a shore  
Like as the deer  
Like the deer that yearns  
Like the murmur of the  
dove's song  
Listen, let your heart keep seeking  
Listen to me, Yahweh  
Listen to my voice  
*Living Lord*

Lo, he comes with clouds  
descending  
Longing for light  
Look around you  
Look at the sky  
Look down, O mother Mary  
Lord, accept the gifts we offer  
Lord, enthroned in  
heavenly splendour  
Lord, for tomorrow and its needs  
Lord, have mercy  
Lord Jesus Christ  
Lord Jesus, think on me  
Lord, make me a means of  
your peace  
Lord of all hopefulness  
Lord of Life  
*Lord of the dance*  
Lord our God  
Lord, the light of your love

Lord, thy word abideth  
Lord, unite all the nations  
Lord, we come to ask your healing  
Lord, when I wake I turn to you  
Lord, who throughout these  
forty days  
Lord, you give the great  
commission  
*Lourdes hymn*  
Love came down at Christmas  
Love divine, all loves excelling  
Love is his word  
Love is patient  
Love is the only law  
Lovely in your littleness  
Loving shepherd of thy sheep  
Lumen Christi

**M**  
Maiden, yet a mother  
Majesty, worship his majesty  
Make me a channel of your peace  
Make way, make way  
*Maranatha*  
Mary had a baby  
Mary Immaculate  
Mary you see the face of God  
Meekness and majesty  
Morning has broken  
Moses, I know you're the man  
Mother of God's living Word  
*My desire*  
My God, accept my heart this day  
My God, and thy table is spread  
My God, how wonderful you are  
*My God loves me*  
My God, my God, why have you  
forsaken me?  
My God said to me, 'Follow!'  
My heart will sing to you  
My people, what have I done  
to you?  
My shepherd is the Lord  
My song is love unknown  
My soul doth magnify the Lord  
My soul is filled with joy  
My soul is longing for your peace  
My soul proclaims you,  
mighty God

**N**  
New daytime dawning  
*New Lourdes Hymn*  
New praises be given  
Nothing shall separate us  
Now as the evening shadows fall  
Now I know what love is  
Now thank we all our God  
Now the green blade riseth  
*Now with the fading light of day*  
Now with the fast-departing light  
*Nunc Dimittis*

**O**  
O bread of heaven  
O come, all ye faithful  
O Godhead hid  
O God of earth and altar  
O God of grace, we thank you

O God, our help in ages past  
O God, please listen  
O God, we give ourselves today  
O God, your people gather  
O healing river  
O holy Lord, by all adored  
O, how good is the Lord  
O Jesus Christ, remember  
O Jesus, I have promised  
O King of might and splendour  
O lady, full of God's own grace  
O let all who thirst  
O little town of Bethlehem  
O living water  
O Lord, be not mindful  
O Lord, my God  
O Lord, your tenderness  
O Mary, when our God chose you  
O Mother blest  
O my God, within my heart  
O my people, what have I done  
to you?  
On a hill far away  
Once in Royal David's city  
On Christmas night all  
Christians sing  
*On eagle's wings*  
One bread, one body  
One cold night in spring  
One Father  
*One God*  
On Jordan's bank the  
Baptist's cry  
*Only a shadow*  
On this day of joy  
On this house your blessing, Lord  
Onward, Christian pilgrims  
Open our eyes, Lord  
Open your ears, O  
Christian people  
O perfect love  
O praise ye the Lord!  
O purest of creatures  
O Queen of heaven  
O sacred head ill-used  
O sacred head sore wounded  
O Sacred Heart  
O sing a new song  
O suffering Jesus  
O that today you would listen to  
his voice  
O, the love of my Lord  
O thou, who at thy Eucharist  
didst pray  
Our God loves us  
*Our God reigns*  
Our God sent his son long ago  
Our hearts were made for you  
Our Saviour, Christ  
Ours were the sufferings he bore  
Out of darkness  
O Wisdom, source of harmony  
O Word, in uncreated light  
O worship the King  
O worship the Lord in the beauty  
of holiness

We are his people

We are marching  
We behold the splendour of God  
We believe  
We cannot measure  
We celebrate the new creation  
We celebrate this festive day  
We have a dream  
We hold a treasure  
We plough the fields and scatter  
Were you there when  
they crucified my Lord?  
We shall draw water joyfully  
We shall stay awake  
We three kings of Orient are  
What child is this  
What feast of love  
What kind of greatness  
Whatever you do  
When Christ our Lord to  
Andrew cried  
When from bondage we  
are summoned  
When I feel the touch  
When I needed a neighbour  
When I survey the  
wondrous cross  
When the time came  
Where are you bound, Mary  
Where is love and kindness  
Where love and charity endure  
Where the love of Christ  
unites us  
Where true love is found  
with charity  
Where true love is present  
While shepherds watched  
Will you come and follow me  
With the Lord there is mercy  
With you, O God  
Word made flesh

### Y

Yahweh, I know you are near  
Yahweh is the God of  
my salvation  
Ye choirs of new Jerusalem  
Ye sons and daughters of the Lord  
You are beautiful  
You are salt for the earth  
You are King of glory  
You are the light  
You give, Lord  
You have been baptised in Christ  
You have called us  
You have the message of  
eternal life  
Your love's greater  
You shall cross the barren desert  
You shall go out with joy  
You who dwell in the shelter of  
the Lord

**A**

A butterfly, an Easter egg  
All in an Easter garden  
All of my heart  
All of the people  
All the nations of the earth  
And everyone beneath the vine  
and fig tree  
As Jacob with travel was weary  
one day

**B**

Be the centre of my life  
*Biggest isn't always best*

**C**

*Care for your world*  
Caterpillar, caterpillar  
Change my heart, O God  
'Cheep!' said the sparrow  
Christ is our King  
Clap your hands, all you people  
Clap your hands and sing this song  
*Colours of hope*  
Come and praise the Lord  
our King  
Come, God's children  
Come into his presence  
Come, they told me

**D**

Dear child divine  
Do not worry what to eat  
Don't build your house on  
the sandy land  
Do what you know is right

**E**

Each of us is a living stone  
Every bird, every tree

**F**

Father welcomes all his children  
Fishes of the ocean  
Forward in faith  
Friends, all gather here in a circle

**G**

Give me peace, O Lord  
God almighty set a rainbow  
God gives his people strength  
*God knows me*  
God our Father gave us life  
God sends a rainbow  
God turned darkness into light  
Goliath was big and Goliath  
was strong

**H**

Hail, Mary, full of grace  
Hallelu, hallelu  
Have you heard the raindrops  
He is the King  
Hey, now, everybody sing

**I**

If I were a butterfly  
I give my hands  
I'm black, I'm white, I'm short,  
I'm tall  
In the upper room  
Isn't it good  
It's me, O Lord  
I've got peace like a river  
I will wave my hands

**J**

Jesus had all kinds of friends  
Jesus is greater  
*Jesus is the living way*  
Jesus put this song into our hearts  
*Jesus turned water into wine*  
Jesus went away to the desert  
Jesus will never, ever  
Jesus, you love me  
Joseph was an honest man

**K**

Kum ba yah

**L**

*Lead my people to freedom*  
Let the mountain dance and sing  
Life for the poor was hard  
and tough  
Little donkey  
Little Jesus, sleep away  
*Living stones*  
*Lord, forgive us*  
Lord of the future  
Lord, we've come to worship you  
Lord, you've promised through  
your Son

O come and join the dance  
O give thanks  
O Lord, all the world  
One hundred and fifty-three!  
Our God is so great  
Out to the great wide world  
we go  
O when the saints go marching in

**P**

Peter and John went to pray  
Praise and thanksgiving  
Praise God in his holy place

**R**

*Right where we are*  
Rise and shine

**S**

*Signs of new life*  
*Silver and gold*  
Sing a simple song  
Sing praise to God  
Step by step, on and on

**T**

Thank you, Lord  
*The bird's song*  
*The children's band*  
*The little drummer boy*  
There are hundreds of sparrows  
There's great big world out there  
There's a rainbow in the sky  
There was one, there was two  
The voice from the bush  
The wise man  
The world is full of smelly feet  
This little light of mine

**W**

*Water of life*  
We will praise  
When is he coming  
When the Spirit of the Lord  
When your Father made  
the world  
Who put the colours in  
the rainbow?

## A to Z of First Lines

Alternative titles are indented and in italics

### A

A brighter dawn is breaking  
A great and mighty wonder  
A man there lived in Galilee  
A new commandment  
    *A touching place*  
Abba, Father, let me be  
Abide with me  
Above all powers, above all kings  
Adoramus te, Domine  
Ah, holy Jesu, how hast  
    thou offended  
    *All are welcome*  
All creatures of our God and King  
All for Jesus! All for Jesus!  
All glory, laud and honour  
All hail the Lamb  
All hail the power of Jesus' name  
All heaven declares

All I once held dear  
All in an Easter garden  
All my days  
All my hope on God is founded  
All over the world  
All people that on earth do dwell  
All praise to our redeeming Lord  
All praise to thee  
All that I am  
All the nations of the earth  
All things bright and beautiful  
All who would valiant be  
All you who seek a comfort sure  
Alleluia (x 8)  
Alleluia! Alleluia!  
    *Alleluia! Raise the Gospel*  
Alleluia, alleluia, give  
    thanks to the risen Lord  
Alleluia, alleluia, hearts to  
    heaven and voices raise

Alleluia, sing to Jesus  
Amazing grace  
    *Amazing love*  
An upper room did our  
    Lord prepare  
    *Ancient of Days*  
And can it be  
And did those feet in  
    ancient time  
And now, O Father, mindful  
    of the love  
Angels from the realms of glory  
Angel-voices ever singing  
    *As gentle as silence*  
As Jacob with travel was  
    weary one day  
As pants the hart for cooling  
    streams  
As the deer pants for the water  
As the disciples

As we are gathered  
As with gladness men of old  
As your family, Lord, see us here  
Ascribe greatness  
At even, ere the sun was set  
At the cross she keeps  
    her station  
At the Lamb's high feast we sing  
At the name of Jesus  
At this table we remember  
At this time of giving  
Author of life divine  
Awake, awake: fling off the night  
Awake, my soul, and with the sun  
Awake, our souls; away, our fears  
Away in a manger

### B

Be bold, be strong  
Be still and know that I am God

Blest Creator of the light  
Born in the night, Mary's child  
Bread is blessed and broken  
Bread of heaven, on thee we feed  
Bread of the world in  
mercy broken  
Break the bread and pour  
the wine  
Break thou the bread  
Breathe on me, Breath of God  
*Breathe*  
Bright the vision that delighted  
Brightest and best  
Broken for me  
Brother, sister, let me serve you

Christ is the King!  
Christ is the world's Light  
Christ, the fair glory of the

Christ, when for us you  
were baptised  
Christ, Christ, whose glory fills  
the skies

Christian people, raise your song

Come and celebrate  
Come and join the celebration  
Come and see

Come on and celebrate  
Come on, let's get up and go  
Come, risen Lord  
Come, see the Lord  
Come, thou Holy Spirit, come  
Come, thou long-expected Jesus  
Come, wounded healer  
Come, ye faithful, raise the anthem  
Come, ye faithful, raise the strain  
Come, ye thankful people, come  
Confitemini Domino  
Creation sings!  
Creator of the earth and skies  
Creator of the starry height  
Creator Spirit, come  
Crown him with many crowns

**D**  
Dance and sing  
*Days of Elijah*  
Dear Lord and Father of mankind  
Deck thyself, my soul, with gladness  
*Deeper, wider, higher*  
Ding dong, merrily on high!  
Disposer supreme

Do not be afraid  
*Doxology*  
Draw nigh and take the body

**E**  
Earth has many a noble city  
Eat this bread  
*Enemy of apathy*  
Eternal Father, strong to save  
Eternal God, we consecrate  
Eternal Ruler of the  
ceaseless round  
Every minute of every day  
Exaudi nos, Domine

**F**  
Faithful One, so unchanging  
Faithful Shepherd, feed me  
Faithful vigil ended  
Father God, I wonder  
Father; hear the prayer we offer  
Father; I place into your hands  
Father in heaven,  
how we love you  
Father; Lord of all creation  
Father; most holy, merciful  
and loving  
Father of heaven, whose  
love profound  
Father of peace, and God of love  
Father; we adore you  
Father; we love you  
Father; we thank thee  
Father welcomes all his children  
Father; who in Jesus found us  
Fight the good fight  
Fill thou my life, O Lord my God  
Fill your hearts with joy and  
gladness  
Filled with the Spirit's power  
Finished the strife  
Firmly I believe and truly  
Fishes of the ocean  
5000 + hungry folk  
Follow me  
For all the saints  
For all thy saints, O Lord  
For all your saints still active  
*For ever*  
For I'm building a people of power  
For Mary, mother of our Lord  
For the beauty of the earth  
For the days when you feel near  
For the fruits of his creation  
For the healing of the nations  
Forgive our sins as we forgive  
Forth in the peace of Christ  
we go  
Forth in thy name, O Lord, I go  
Forty days and forty nights  
*Freely, freely*  
From all that dwell below  
the skies

From glory to glory advancing  
From heaven you came  
From many grains  
From the eastern mountains  
From the falter of breath  
From the rising of the sun  
From the sun's rising  
From the very depths of darkness  
From thee all skill and  
science flow

**G**  
Gather around, for the table  
is spread  
*Gather us in*  
Gifts of bread and wine  
Give me joy in my heart  
Give me peace, O Lord  
Give thanks for those  
Give thanks to the Lord  
Give thanks with a grateful heart  
Give to our God immortal praise  
Give us the wings of faith

Glorious things of thee  
are spoken  
Glory be to Jesus  
Glory, love, and praise,  
and honour  
Glory to God (Peruvian Gloria)  
Glory to God!  
Glory to God above  
Glory to thee, my God, this night  
Glory to thee, O God  
Go back, go back to Galilee  
Go forth and tell  
Go, tell it on the mountain  
Go wandering in the sun  
*Go, tell everyone*  
God be in my head  
God be with you till we  
meet again  
God forgave my sin  
God has spoken – by the  
prophets  
God, in the planning  
God is good, God is great  
God is here! As we his people  
God is love: his the care  
God is love: let heaven adore him  
God is our strength from days  
of old  
God is the giver of love  
God is working his purpose out  
*God knows me*  
God moves in a mysterious way  
God of grace and God of glory  
God of life, God of love  
God of love  
*God of mercy*  
God of mercy, God of grace  
God of the Passover

*God of the poor*  
*God on earth*  
 God, our Creator  
 God rest you merry, gentlefolk  
 God save our gracious Queen  
 God that madest earth  
 and heaven  
 God the Father, name we treasure  
 God to enfold you  
 God, whose city's sure foundation  
 God, whose farm is all creation  
 God's love is deeper  
 God's Spirit is in my heart  
*God's surprise*  
 Going home, moving on  
 Goliath was big and Goliath  
 was strong  
 Good Christians all, rejoice  
 Good Christians all,  
 rejoice and sing  
 Good King Wenceslas  
 Gracious Spirit, Holy Ghost  
 Grant us the courage,  
 gracious God  
*Great big God*  
 Great God, your love has called us  
 Great is the darkness  
 Great is the Lord and most  
 worthy of praise  
 Great is thy faithfulness  
*Great love*  
 Great Shepherd of thy people  
 Guide me, O thou great  
 Redeemer

**H**  
 Hail, gladdening Light  
 Hail the day that sees him rise  
 Hail, thou once despised Jesus  
 Hail to the Lord who comes  
 Hail to the Lord's anointed  
 Hail, true body  
 Halle, halle, halle  
 Hallelu, hallelu  
*Hallelujah*  
 Hands that have been handling  
 Happy are they, they that  
 love God  
 Hark! A herald voice is calling  
 Hark, my soul, it is the Lord  
 Hark, the glad sound!  
 Hark, the herald-angels sing  
 Have faith in God, my heart  
 Have you heard the raindrops  
 He has risen  
 He is exalted  
 He is Lord  
 He is the Lord  
*Heaven is in my heart*  
 Heaven is open wide  
 Heaven shall not wait  
 Help us, O Lord, to learn  
 Help us to help each other, Lord  
 Here am I, Lord  
 Here I am  
*Here I am, Lord*  
*Here I am to worship*  
 Here in this place  
 Here is bread  
 Here, O my Lord

Here on the threshold of a  
 new beginning  
 He's got the whole world in  
 his hand  
 Hills of the north, rejoice  
*Holy and anointed One*  
*Holy, holy*  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy! Lord God almighty  
 Holy Spirit, come, confirm us  
 Holy Spirit, truth divine  
 Holy Spirit, will you be  
 Hosanna, hosanna  
*Hosanna to the Son of David*  
 How beauteous are their feet  
 How bright these glorious  
 spirits shine!  
 How deep the Father's love for us  
 How good is the God we adore  
*How great thou art*  
 How lovely on the mountains  
 How shall I sing that majesty  
 How sweet the name of  
 Jesus sounds

**I**  
 I am a new creation  
 I am the bread of life  
 I am trusting thee, Lord Jesus  
 I believe in Jesus  
 I bind unto myself today  
 I cannot tell  
 I come with joy  
*I could sing of your love for ever*  
 I danced in the morning  
 I give my hands  
 I give you all the honour  
 I give you love  
*I give you my heart*  
 I have a friend  
 I heard the voice of Jesus say  
 I love you, Lord, and I lift my voice  
 I need thee every hour  
*I really want to worship you*  
*I stand in awe*  
 I, the Lord of sea and sky  
 I watch the sunrise  
 I will offer up my life  
 I will sing the wondrous story  
*I will sing your praises*  
 I will worship  
*I worship you*  
 If I were a butterfly  
 If we only seek peace  
 If you believe and I believe  
 I'm accepted, I'm forgiven  
 I'm black, I'm white, I'm short,  
 I'm tall  
 I'm not ashamed to own my Lord  
 I'm special  
 Immortal, invisible, God only wise  
 Immortal love, for ever full  
 In bread we bring you, Lord  
 In Christ alone  
 In Christ there is no east or west  
 In full and glad surrender  
 In heavenly love abiding  
*In love for me*  
 In our day of thanksgiving

In the bleak mid-winter  
 In the Cross of Christ I glory  
 In the garden Mary lingers  
 In the Lord I'll be ever thankful  
 In the Lord is my joy  
 Inspired by love and anger  
 It came upon the midnight clear  
 It is a thing most wonderful  
*It's all about you*  
 It's me, O Lord  
 It's rounded like an orange

**J**  
*Jerusalem*  
 Jesus, grant me this, I pray  
 Jesu, Jesu, fill us with your love  
 Jesu, lover of my soul  
 Jesu, our hope, our heart's desire  
 Jesu, Son of Mary  
 Jesu, tawa pano  
 Jesu, the very thought of thee  
 Jesu, thou joy of loving hearts  
 Jesus, all for Jesus  
 Jesus, be the centre  
 Jesus bids us shine  
 Jesus calls us here to meet him  
 Jesus calls us: o'er the tumult  
 Jesus Christ  
 Jesus Christ is risen today  
 Jesus Christ is waiting  
 Jesus, good above all other  
 Jesus, humble was your birth  
 Jesus is greater  
 Jesus is King  
 Jesus is Lord! Creation's voice  
 proclaims it  
*Jesus is our God*  
*Jesus is our joy*  
 Jesus is the name we honour  
 Jesus, Jesus  
 Jesus lives! thy terrors now  
 Jesus, Lord, we look to thee  
 Jesus, Lord, we pray  
 Jesus' love is very wonderful  
 Jesus, lover of my soul  
 Jesus, Name above all names  
 Jesus, Prince and Saviour  
 Jesus put this song  
 Jesus, remember me  
 Jesus shall reign  
 Jesus shall take the highest honour  
 Jesus, stand among us  
 Jesus, stand among us in thy  
 risen power  
 Jesus the Lord said: 'I am  
 the Bread'  
 Jesus, the name high over all  
*Jesus, we are here*  
 Jesus, we celebrate your victory  
 Jesus, we have heard your Spirit  
 Jesus, where'er thy people meet  
 Join the song of praise and protest  
 Joy to the world!  
 Jubilate, everybody  
 Judge eternal, throned  
 in splendour  
 Just a closer walk with thee  
 Just as I am, without one plea

**K**  
 Keep watch with me  
 Kindle a flame  
 King of glory, King of peace  
 King of kings and Lord of lords  
 King of kings, majesty  
*Knowing you*  
 Kum ba yah

**L**  
 Laudate Dominum  
 Lead, kindly light  
 Lead us, heavenly Father, lead us  
 Led like a lamb  
 Let all mortal flesh keep silence  
 Let all the world in every  
 corner sing  
 Let everything that has breath  
 Let love be found among us  
 Let saints on earth in concert sing  
*Let the flame burn brighter*  
 Let the mountains dance and sing  
 Let there be love  
 Let us break bread together  
 Let us build a house  
 Let us praise God together  
 Let us talents and tongues employ  
 Let us, with a gladsome mind  
 Life for the poor was hard  
 and tough  
 Lift high the Cross  
 Lift up your heads  
 Lift up your hearts!  
 Lift up your voice  
 Light of the world  
*Light up the fire*  
 Light's abode, celestial Salem  
 Light's glittering morn  
 Like a candle flame  
 Like a mighty river flowing  
 Listen, let your heart keep seeking  
 Little donkey  
 Little Jesus, sweetly sleep  
*Living Lord*  
 Lo, he comes with clouds  
 descending  
 Lo, round the throne,  
 a glorious band  
 Long ago, prophets knew  
 Longing for light  
 Lord, enthroned in heavenly  
 splendour  
 Lord, for the years  
 Lord, have mercy (Ghana)  
 Lord, have mercy (Russian)  
 Lord, I come before your throne  
 of grace  
 Lord, I come to you  
 Lord, I have made thy word  
 my choice  
 Lord, I lift my hands to you  
 in prayer  
 Lord, I lift your name on high  
 Lord, it belongs not to my care  
 Lord Jesus Christ  
 Lord Jesus Christ, be present  
 Lord Jesus, think on me  
 Lord of all being  
 Lord of all hopefulness  
 Lord of all life and power  
 Lord of all, to whom alone

## Hymns Old &amp; New Revised &amp; Enlarged

A to Z of First Lines Alternative titles are indented and in italics

Lord of beauty, thine  
the splendour  
Lord of creation, to you be  
all praise!  
Lord of creation, may your  
will be done  
Lord of life  
Lord of lords and King eternal  
Lord of the boundless curves  
*Lord of the Dance*  
Lord of the future  
Lord of the worlds above  
Lord, teach us how to pray aright  
Lord, the light of your love  
Lord, there are times  
Lord, thy word abideth  
Lord, today your voice is calling  
Lord, we come to ask your healing  
Lord, we thank you for  
the promise  
Lord, we turn to you for mercy  
Lord, when I turn my back on you  
Lord, you call us to a journey  
Lord, you created  
Lord, you have my heart  
Love came down at Christmas  
Love divine, all loves excelling  
Love is his word  
Lovely in your littleness  
Love's redeeming work is done  
Loving Shepherd of thy sheep  
Low in the grave he lay

**M**

Magnificat  
*Magnificat*  
Majesty, worship his majesty  
Make me a channel of your peace  
Make way, make way  
*Mallaig Sprinkling Song*  
Mary, blessed grieving mother  
Mary had a baby  
May God's blessing surround you  
May the fragrance of Jesus fill  
this place  
May the grace of Christ  
our Saviour  
May the mind of Christ  
my Saviour  
Meekness and majesty  
Men of faith  
Morning glory, starlit sky  
Morning has broken  
Moses, I know you're the man  
*My desire*  
My faith looks up to thee  
My Father, for another night  
My God, accept my heart this day  
My God, and is thy table spread  
My God, how wonderful you are  
My God, I love thee  
My heart will sing to you  
My Jesus, my Saviour

My Lord, what love is this  
My song is love unknown  
My spirit longs for thee

**N**

Nada te turbe  
Name of all majesty  
Nearer, my God, to thee  
New every morning is the love  
New songs of celebration render  
*New Wine*  
Not far beyond the sea  
*Nothing can trouble*  
Now is eternal life  
Now let us from this table rise  
Now, my tongue, the  
mystery telling  
Now thank we all our God  
Now the green blade riseth

**O**

O come, all ye faithful  
O come, O come, Emmanuel  
O comfort my people  
O day of God, draw nigh  
O dearest Lord, thy sacred head  
O for a closer walk with God  
O for a heart to praise my God  
O for a thousand tongues to sing  
O give thanks (Kendrick)  
O give thanks (Pond)  
O God beyond all praising  
O God of Bethel, by whose hand  
O God of earth and altar  
O God, our help in ages past  
O God, unseen but ever near  
O God, you search me  
O happy band of pilgrims  
O happy day  
O, heaven is in my heart  
O holy, heavenly kingdom  
O Holy Spirit, Lord of grace  
O, how good is the Lord  
O Jesus, I have promised  
O King enthroned on high  
O let the Son of God unfold you  
O little town of Bethlehem  
O Lord, all the world belongs  
to you  
O Lord, hear my prayer  
O Lord, listen to my prayer  
O Lord, my God!  
O Lord, my heart is not proud  
O Lord of every shining  
constellation

O Lord of heaven and earth  
and sea  
O Lord, we want to praise you  
O Lord, your tenderness  
O love divine, how sweet  
thou art!  
O love, how deep, how broad,  
how high  
O love that wilt not let me go  
O my Saviour; lifted from  
the earth  
O perfect love  
O praise ye the Lord!  
O raise your eyes on high  
O sacred head, surrounded  
O strength and stay  
O, the love of my Lord  
O thou, who at thy Eucharist  
didst pray  
O thou who camest from above  
O when the saints go marching in  
O worship the King  
O worship the Lord in the beauty  
of holiness  
Of the Father's love begotten  
Oft in danger, oft in woe  
Oh, the life of the world  
On a hill far away  
On Christmas night all  
Christians sing  
On Jordan's bank the Baptist's cry  
On the day of Pentecost  
On the holy cross I see  
*Once again*  
Once in royal David's city  
Once, only once, and once for all  
One is the body  
One more step along the  
world I go  
One shall tell another  
*One who intercedes*  
One whose heart is hard as steel  
Only by grace  
Onward, Christian pilgrims  
Open our eyes, Lord  
Open the eyes of my heart  
Our blest Redeemer;  
ere he breathed  
Our Father (Caribbean)  
Our Father (Wiener)  
Our Father God in heaven  
Our God is a great big God  
Our God is so great  
Our God loves us  
*Our God reigns*  
Over all the earth  
Over the earth is a mat of green  
Over the mountains and the sea  
Overwhelmed by love

**P**  
Peace is flowing like a river  
Peace, perfect peace, in this dark  
world of sin

Peace, perfect peace, is the gift  
Peace to you  
*Power of your love*  
Praise and thanksgiving  
Praise God from whom all  
blessings flow  
Praise him on the trumpet  
Praise him, praise him,  
all his children  
Praise him, praise him, praise him  
Praise, my soul, the King of heaven  
Praise, O praise our God and King  
Praise the Lord, ye heavens,  
adore him  
Praise to God for saints  
and martyrs  
Praise to the Holiest  
Praise to the Lord, the Almighty  
Praise we now the word of grace  
Proclaim, proclaim the story  
Purify my heart  
Push, little seed  
Put peace into each other's hands  
Put thou thy trust in God

**R**

*Refiner's fire*  
Rejoice in God's saints  
Rejoice in the Lord always  
Rejoice, O land, in God thy might  
Rejoice, the Lord is King  
*Reproaches*  
Restore, O Lord  
*Resurrection breakfast*  
Ride on, ride on in majesty  
*Right where we are*  
Rise and hear! The Lord  
is speaking  
Rise and shine  
Rock of ages  
Round me falls the night

**S**

Saint Luke, beloved physician  
Salvation belongs to our God  
Sanctus, sanctus, sanctus  
Saviour; again to thy dear name  
we raise  
See, amid the winter's snow  
See him lying on a bed of straw  
See the holy table, spread for  
our healing  
Seek ye first  
Send forth your Spirit, Lord  
*Send me, Lord*  
She sits like a bird  
Shepherd divine, our wants relieve  
*Shine, Jesus, shine*  
Shout for joy and sing  
*Shout to the Lord*  
*Shout to the north*  
Show me how to stand for justice  
*Show your power*

Silent night  
 Silent, surrendered  
*Sing hosanna*  
 Sing it in the valleys  
 Sing lullaby  
 Sing, my tongue, the  
 glorious battle  
 Sing of the Lord's goodness  
*Sing praise*  
 Sing praise to God who  
 reigns above  
 Sing to God a song of glory  
 Sing we of the blessed Mother  
 Son of God, eternal Saviour  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Spirit divine, attend our prayers  
 Spirit of God  
 Spirit of God, our light amid  
 the darkness  
 Spirit of the living God  
 (Armstrong)  
 Spirit of the living God (Iverson)  
*Spirit song*  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Stay with me  
 Steal away  
*Story of love*  
 Strengthen for service, Lord  
 Such love  
 Sun of my soul, thou Saviour dear  
 Surrexit Christus  
 Sweet sacrament divine

**T**

Take me, Lord  
 Take my hands, Lord  
 Take my life, and let it be  
 Take this moment  
 Take up thy cross, the Saviour said  
 Teach me, my God and King  
 Teach me to dance  
 Tell out, my soul  
 Thank you for saving me  
 Thank you for the  
 summer morning  
 Thank you, Lord  
 Thanks be to God  
 Thanks for the fellowship  
 Thanks to God whose word  
 was spoken  
 The advent of our King  
 The angel Gabriel from  
 heaven came  
*The Beatitudes*  
*The candle song*  
 The Church of God a kingdom is  
 The Church's one foundation  
 The day of resurrection  
 The day thou gavest, Lord,  
 is ended  
 The first Nowell  
*The giving song*  
 The God of Abraham praise  
 The God of love my shepherd is  
 The God whom earth and sea  
 and sky  
 The gracious invitation

The great Creator of the world  
 The head that once was crowned  
 with thorns  
*The heart of worship*  
 The heavens declare thy  
 glory, Lord  
 The holy and the ivy  
 The King is among us  
 The King of love my shepherd is  
 The kingdom is upon you!  
 The kingdom of heaven  
*The Last Journey*  
 The Lord is King!  
 The Lord is my light  
 The Lord is my song  
 The Lord is risen indeed  
 The Lord will come and  
 not be slow  
 The Lord's my shepherd  
 (Crimond)  
 The Lord's my shepherd  
 (Townend)  
 The love we share  
*The old rugged cross*  
 The peace of the earth  
 be with you  
*The people of God*  
 The people that in darkness sat  
 The prophets spoke in days of old  
 The royal banners forward go  
 The Saviour will come,  
 resplendent in joy  
*The Servant King*  
*The servant song*  
 The Son of God proclaim  
 The Spirit lives to set us free  
 The strife is o'er; the battle done  
*The Summons*  
*The trees of the field*  
 The Virgin Mary had a baby boy  
 The wise man  
 The world is full of smelly feet  
 Thee we adore, O hidden  
 Saviour; thee  
 There are hundreds of sparrows  
 There in God's garden  
 There is a green hill far away  
 There is a land of pure delight  
 There is a longing  
 There is a Redeemer  
 There's a place where the  
 streets shine  
 There's a quiet understanding  
 There's a spirit in the air  
 There's a wideness in  
 God's mercy  
 These are the days  
 These vows of love are taken  
 Thine arm, O Lord, in days of old  
 Thine be the glory  
 Thine for ever! God of love  
 Think of a world without  
 any flowers  
 This day God gives me  
 This is my body  
 This is my desire  
 This is my will  
 This is the air I breathe  
 This is the day  
 This is the day the Lord has made

*This is your God*  
 This joyful Eastertide  
 This little light of mine  
*This thankful heart*  
 This world you have made  
 Thou art the Christ, O Lord  
 Thou art the Way; by thee alone  
 Thou didst leave thy throne  
 Thou, whose almighty word  
 Though pilgrim strangers  
 here below  
 Through all the changing scenes  
 of life  
 Through the night of doubt  
 and sorrow  
 Thuma mina  
 Thy hand, O God, has guided  
 Thy kingdom come  
 Thy kingdom come, O God  
 'Tis good, Lord, to be here  
 To be in your presence  
 To God be the glory!  
 To mock your reign,  
 O dearest Lord  
 To the name of our salvation  
 To thee, O Lord, our hearts  
 we raise

**U**

Ubi caritas  
 Unto us a boy is born

**V**

Veni, lumen cordium  
 Virgin-born, we bow before thee

**W**

Wait for the Lord  
 Wake, O wake! with  
 tidings thrilling  
 Waken, O sleeper; wake and rise  
*Walk in the light*  
 Walk with me, O my Lord  
*Water of life*  
 We are marching  
 We believe in God the Father  
 We bow down  
 We cannot measure  
 We eat the plants that grow  
 from the seed  
 We gather here  
 We give immortal praise  
 We hail thy presence glorious  
 We have a dream  
 We have a gospel to proclaim  
 We have a King who rides  
 a donkey  
 We love the place, O God  
 We plough the fields and scatter  
 We praise you, Lord  
 We pray thee, heavenly Father  
 We sing the praise of him  
 who died  
 We three kings of Orient are  
 We turn to you  
 We want to see Jesus lifted high  
 We will lay our burden down  
*We worship at your feet*  
 We'll walk the land

Were you there when they  
 crucified my Lord?  
 What a friend we have in Jesus  
 What child is this  
 When all thy mercies, O my God  
 When God almighty came  
 to earth  
 When God made the garden  
 of creation  
 When God of old came down  
 from heaven  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When I survey the  
 wondrous cross  
 When Jesus came to Jordan  
 When morning gilds the skies  
 When the music fades  
 When the Spirit of the Lord  
 Where is this stupendous  
 stranger?  
 Wherefore, O Father  
 While shepherds watched  
 Who are these like stars  
 appearing  
 Who can sound the depths  
 of sorrow  
 Who is there like you  
 Who put the colours in  
 the rainbow?  
 Who would think that what  
 was needed  
 Wide, wide as the ocean  
 Will you come and follow me  
 Will your anchor hold  
 With joy we meditate the grace  
 Within our darkest night  
*Within the reign of God*  
 Wonderful, so wonderful

**Y**

Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye servants of the Lord  
 Ye that know the Lord is gracious  
 Ye watchers and ye holy ones  
 Ye who own the faith of Jesus  
 Yesterday, today, for ever  
 You are beautiful  
 You are the centre  
 You are the King of Glory  
*You came from heaven to earth*  
 You laid aside your majesty  
 You, living Christ, our eyes behold  
 You, Lord, are in this place  
 You shall go out with joy  
 You stood there on the shoreline  
 Your love is amazing  
*You're alive*  
*You're worthy of my praise*  
 Your love's greater

## Christmas

Angels from the realms of glory  
Away in a manger  
Christians, awake!  
Ding dong! merrily on high  
Good King Wenceslas  
Hark, the herald-angels sing  
In the bleak mid-winter  
It came upon the midnight clear  
Little donkey  
Mary's boy child  
O come, all ye faithful  
O come, O come, Emmanuel  
O little town of Bethlehem  
Once in royal David's city  
On Christmas night all Christians sing  
See, amid the winter's snow  
Silent night  
The angel Gabriel from heaven came  
The first nowell  
Unto us a boy is born  
We three kings  
While shepherds watched

## A

A new commandment  
*A touching place*  
 Abba, Father, let me be  
 Abide with me  
 Above all powers, above all kings  
 Ah, holy Jesu, how hast  
   thou offended  
 All creatures of our God and King  
 All for Jesus! All for Jesus!  
 All glory, laud and honour  
 All hail the Lamb  
 All hail the power of Jesus' name  
 All heaven declares  
 All I once held dear  
 All my days  
 All my hope on God is founded  
 All over the world  
 All people that on earth do dwell  
 All praise to our redeeming Lord  
 All that I am  
 All things bright and beautiful  
 All who would valiant be  
 All you who seek a comfort sure  
 Alleluia (x 8)  
 Alleluia, alleluia, give thanks to  
   the risen Lord  
 Alleluia, alleluia, hearts to heaven  
   and voices raise

Alleluia, sing to Jesus  
*Amazing grace*  
*Amazing love*  
 And can it be  
 And did those feet in ancient time  
 And now, O Father; mindful  
   of the love  
 Angels from the realms of glory  
 Angel-voices ever singing  
 As pants the hart for  
   cooling streams  
 As the deer pants for the water  
 As we are gathered  
 As with gladness men of old  
 Ascribe greatness  
 At the Lamb's high feast we sing  
 At the name of Jesus  
 Awake, awake: fling off the night  
 Away in a manger

## B

Be still and know that I am God  
 Be still, for the presence  
   of the Lord  
 Be still, my soul  
*Be the centre*  
 Be thou my guardian and  
   my guide  
 Be thou my vision

*Beautiful one*  
 Beautiful Saviour  
 Beauty for brokenness  
 Bind us together; Lord  
 Bless the Lord, my soul  
 Blessèd assurance  
*Blessed be the Lord*  
*God Almighty*  
 Blessèd be your name  
 Blessèd city, heavenly Salem  
 Blest are the pure in heart  
 Breathe on me, Breath of God  
 Bright the vision that delighted  
 Brightest and best  
 Broken for me  
 Brother, sister, let me serve you

## C

Faithful One, so unchanging  
Father God, I wonder  
Father; hear the prayer we offer  
Father; I place into your hands  
Father in heaven,  
how we love you  
Father; Lord of all creation  
Father; we adore you  
Father; we love you  
Father welcomes all his children  
Fight the good fight  
Fill thou my life, O Lord my God  
Fill your hearts with joy  
and gladness  
Firmly I believe and truly  
Follow me  
For all the saints  
*For ever*  
For I'm building a people of power  
For the beauty of the earth  
For the fruits of his creation  
For the healing of the nations  
Forgive our sins as we forgive  
Forth in the peace of Christ  
we go  
Forth in thy name, O Lord, I go  
Forty days and forty nights  
*Freely, freely*  
From heaven you came  
From the rising of the sun

## G

Give me joy in my heart  
Give thanks to the Lord  
Give thanks with a grateful heart  
Gloria (Anderson)  
*Glorify your name*  
Glorious things of thee  
are spoken  
Glory be to Jesus  
Glory to thee, my God, this night  
Go forth and tell!  
Go, tell it on the mountain  
God be in my head  
God forgave my sin  
God is love: his the care  
God is love: let heaven adore him  
God is working his purpose out  
God moves in a mysterious way  
God of mercy, God of grace

*God of the poor*  
*God on earth*  
God rest you merry, gentlefolk  
God save our gracious Queen  
God that madest earth  
and heaven  
God's love is deeper  
Good Christians all, rejoice  
Good Christians all,  
rejoice and sing  
Good King Wenceslas  
Gracious Spirit, Holy Ghost  
Great is the darkness  
Great is the Lord and  
most worthy of praise  
Great is thy faithfulness  
*Great love*  
Guide me, O thou great  
Redeemer

## H

Hail the day that sees him rise  
Hail, thou once despised Jesus  
Hail to the Lord's anointed  
Halle, halle, halle  
Happy are they, they  
that love God  
Hark! a herald voice is calling  
Hark, the glad sound!  
Hark, the herald-angels sing  
Have you heard the raindrops  
*He has risen*  
He is exalted  
He is Lord  
He is the Lord  
Help us to help each other; Lord  
Here am I, Lord  
Here I am  
He's got the whole world in  
his hand  
*Heaven is in my heart*  
*Here I am to worship*  
*Here I am, Lord*  
Hills of the north, rejoice  
*Holy and anointed One*  
Holy, holy, holy is the Lord  
Holy, holy, holy! Lord God almighty  
*Hosanna to the Son of David*  
Hosanna, hosanna  
How deep the Father's love for us  
*How great thou art*  
How lovely on the mountains  
How shall I sing that majesty  
How sweet the name of  
Jesus sounds

## I

I am a new creation  
I am trusting thee, Lord Jesus

I believe in Jesus  
I cannot tell  
I come with joy  
*I could sing of your love for ever*  
I danced in the morning  
I give you all the honour  
I heard the voice of Jesus say  
I know that my Redeemer lives  
I lift my eyes to the quiet hills  
I love you, Lord, and I lift my voice  
I need thee every hour  
I, the Lord of sea and sky  
*I really want to worship you*  
*I stand in awe*  
I will offer up my life  
I will sing the wondrous story  
*I will sing your praises*  
I will worship  
*I worship you*  
If I were a butterfly  
I'm accepted, I'm forgiven  
Immortal, invisible, God only wise  
In Christ alone  
In Christ there is no east or west  
In full and glad surrender  
In heavenly love abiding  
In our day of thanksgiving  
In the bleak mid-winter  
It came upon the midnight clear  
It is a thing most wonderful  
It's rounded like an orange

## J

*Jerusalem*  
Jesu, grant me this, I pray  
Jesu, lover of my soul  
Jesu, the very thought of thee  
Jesu, be the centre  
Jesu bids us shine  
Jesu calls us: o'er the tumult  
Jesu Christ  
Jesu Christ is risen today  
Jesu, good above all other  
Jesu is King  
Jesu is Lord! Creation's voice  
proclaims it  
Jesu is the name we honour  
Jesu, Jesu  
Jesu lives! thy terrors now  
Jesu, Name above all names  
Jesu put this song  
Jesu, remember me  
Jesu shall reign  
Jesu shall take the highest honour  
Jesu, stand among us  
Jesu, stand among us in thy  
risen power  
Jesu, the name high over all  
Jesu, where'er thy people meet

Joy to the world!  
Jubilate, everybody  
Judge eternal, throned in  
splendour  
Just as I am, without one plea

## K

Keep watch with me  
Kindle a flame  
King of glory, King of peace  
King of kings and Lord of lords  
King of kings, majesty  
*Knowing you*  
Kum ba yah

## L

Laudate Dominum  
Lead, kindly light  
Lead us, heavenly Father; lead us  
Led like a lamb  
Let all mortal flesh keep silence  
Let all the world in every  
corner sing  
Let there be love  
*Let the flame burn brighter*  
Let us break bread together  
Let us, with a gladness mind  
Let your living water flow  
Lift high the Cross  
Lift up your hearts!  
Light of the world  
*Light up the fire*  
Light's abode, celestial Salem  
Little donkey  
*Living Lord*  
*Living water*  
Lo, he comes with clouds  
descending  
Lord, enthroned in heavenly  
splendour  
Lord, for the years  
Lord, I come to you  
Lord, I lift your name on high  
Lord Jesus Christ  
Lord Jesus, think on me  
Lord of all hopefulness  
*Lord of the Dance*  
*Lord, reign in me*  
Lord, the light of your love  
Lord, thy word abideth  
Lord, you have my heart  
Love divine, all loves excelling  
Love's redeeming work is done  
Loving Shepherd of thy sheep  
Low in the grave he lay

## M

Majesty, worship his majesty  
Make me a channel of your peace

Make way, make way  
 Man of sorrows!  
 Mary had a baby  
 May God's blessing surround you  
 Meekness and majesty  
 Men of faith  
 Morning has broken  
*My desire*  
 My God, how wonderful you are  
 My God, I love thee  
 My heart will sing to you  
 My Jesus, my Saviour  
 My Lord, what love is this  
 My song is love unknown

**N**

Name of all majesty  
 Nearer, my God, to thee  
 New every morning is the love  
*New Wine*  
 Now thank we all our God  
 Now the green blade riseth

**O**

O Breath of Life  
 O come, all ye faithful  
 O come, O come, Emmanuel  
 O for a closer walk with God  
 O for a heart to praise my God  
 O for a thousand tongues to sing  
 O give thanks  
 O God beyond all praising  
 O God of Bethel, by whose hand  
 O God, our help in ages past  
 O happy day  
 O, heaven is in my heart  
 O, how good is the Lord  
 O Jesus, I have promised  
 O let the Son of God enfold you  
 O little town of Bethlehem  
 O Lord, all the world belongs  
 to you  
 O Lord, hear my prayer  
 O Lord, my God  
 O Lord, your tenderness  
 O love, how deep, how broad,  
 how high  
 O Love that wilt not let me go  
 O perfect love  
 O praise ye the Lord!  
 O sacred head, surrounded  
 O strength and stay  
 O thou, who at thy Eucharist  
 didst pray  
 O thou who camest from above  
 O worship the King  
 O worship the Lord in the  
 beauty of holiness  
 Of the Father's love begotten  
 Oft in danger, oft in woe  
 On a hill far away  
 On Christmas night all  
 Christians sing  
 On Jordan's bank the Baptist's cry

On the holy cross I see  
*Once again*  
 Once in royal David's city  
 One more step along the  
 world I go  
 One shall tell another  
 Only by grace  
 Onward, Christian pilgrims  
 Open our eyes, Lord  
 Open the eyes of my heart  
*Our God reigns*  
 Over all the earth  
 Over the mountains and the sea  
 Overwhelmed by love

**P**

Peace is flowing like a river  
 Peace, perfect peace, is the gift  
*Power of your love*  
 Praise him on the trumpet  
 Praise him, praise him, praise him  
 Praise, my soul, the King of heaven  
 Praise the Lord, ye heavens,  
 adore him  
 Praise to the Holiest  
 Praise to the Lord, the Almighty  
 Purify my heart  
 Put peace into each other's hands

**R**

Rejoice in the Lord always  
 Rejoice, the Lord is King  
 Restore, O Lord  
 Ride on, ride on in majesty  
 Rise and shine  
 Rock of ages

**S**

Saviour, again to thy dear name  
 we raise  
 See, amid the winter's snow  
 See him lying on a bed of straw  
 Seek ye first  
 Shine, Jesus, shine  
 Shout for joy and sing  
 Shout to the Lord  
 Shout to the north  
 Show your power  
 Silent night  
*Sing hosanna*  
*Sing praise*  
 Sing, my tongue, the  
 glorious battle  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Spirit of the living God (Iverson)  
*Spirit song*  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Stay with me  
 Such love

**T**

Take my life, and let it be  
 Take up thy cross, the Saviour said  
 Teach me, my God and King  
 Teach me to dance  
 Tell out, my soul  
 Thank you for saving me  
 The advent of our King  
 The angel Gabriel from  
 heaven came  
 The Church's one foundation  
 The day of resurrection  
 The day thou gavest, Lord,  
 is ended  
 The first Nowell  
 The God of Abraham praise  
 The head that once was crowned  
 with thorns  
*The heart of worship*  
 The holly and the ivy  
 The King is among us  
 The King of love my shepherd is  
 The Lord is my song  
 The Lord's my shepherd  
 (Crimond)  
 The Lord's my shepherd  
 (Townend)  
*The old rugged cross*  
 The race that long in  
 darkness pined  
 The royal banners forward go  
*The Servant King*  
*The servant song*  
 The Spirit lives to set us free  
 The strife is o'er; the battle done  
*The Summons*  
*The trees of the field*  
 There is a green hill far away  
 There is a Redeemer  
 There's a quiet understanding  
 There's a spirit in the air  
 There's a wideness in  
 God's mercy  
 These are the days of Elijah  
 Thine be the glory  
 Think of a world without  
 any flowers  
 This is the day  
 This is the day the Lord has made  
*This is your God*  
 This joyful Eastertide  
*This thankful heart*  
 Thou didst leave thy throne  
 Thou, whose almighty word  
 Through all the changing scene  
 of life  
 Through the night of doubt  
 and sorrow  
 Thy hand, O God, has guided  
 Thy kingdom come, O God  
 To be in your presence  
 To God be the glory!  
 To the name of our salvation

**V**

Virgin-born, we bow before thee

**W**

Wait for the Lord  
*Walk in the light*  
*Water of life*  
 We are marching  
 We believe in God the Father  
 We have a gospel to proclaim  
 We have a King who rides donkey  
 We love the place, O God  
 We plough the fields and scatter  
 We sing the praise of him  
 who died  
 We three kings of Orient are  
 We want to see Jesus lifted high  
*We worship at your feet*  
 We'll walk the land  
 Were you there when they  
 crucified my Lord?  
 What a friend we have in Jesus  
 What a wonderful change  
 What kind of greatness  
 When God Almighty came  
 to earth  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When I survey the  
 wondrous cross  
 When morning gilds the skies  
 When the music fades  
 When we walk with the Lord  
 While shepherds watched  
 Who can sound the depths  
 of sorrow  
 Who put the colours in  
 the rainbow?  
 Wide, wide as the ocean  
 Will you come and follow me  
 Will your anchor hold  
 Wonderful, so wonderful

**Y**

Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye watchers and ye holy ones  
 Ye who own the faith of Jesus  
*You alone are worthy*  
 You are beautiful  
 You are the King of Glory  
*You came from heaven to earth*  
 You laid aside your majesty  
 You shall go out with joy  
*You're alive*

## A to Z of First Lines

Alternative titles are indented and in italics

### A

A new commandment  
Abba, Father; let me be  
Abide with me  
All creatures of our God and King  
All for Jesus!  
All glory, laud and honour  
All hail the power of Jesus' name  
All heaven declares  
All my hope on God is founded  
All over the world  
All people that on earth do dwell

All that I am  
All things bright and beautiful  
All who would valiant be  
All you who seek a comfort sure  
Alleluia (x8)  
Alleluia, alleluia, give thanks to  
the risen Lord  
Alleluia, alleluia, hearts to heaven  
and voices raise  
Alleluia, sing to Jesus  
Amazing grace!  
And can it be  
And did those feet in ancient time

And now, O Father; mindful  
of the love  
Angels from the realms of glory  
Angel-voices ever singing  
As pants the hart for  
cooling streams  
As the deer pants for the water  
As we are gathered  
As with gladness men of old  
At the Lamb's high feast we sing  
At the name of Jesus  
Away in a manger

### B

Be still and know that I am God  
Be still, for the presence  
*Be the centre*  
Be thou my guardian and  
my guide  
Be thou my vision  
Beauty for brokenness  
Bind us together; Lord  
Blessèd assurance  
Blessèd city; heavenly Salem  
Blest are the pure in heart

Born in the night, Mary's child  
 Breathe on me, Breath of God  
 Bright the vision that delighted  
 Brightest and best  
 Broken for me  
 Brother, sister, let me serve you

**C**  
 Christ is made the sure  
 foundation  
 Christ is our cornerstone

 Come on and celebrate  
 Come, thou Holy Spirit, come  
 Come, thou long-expected Jesus  
 Come, ye faithful, raise the anthem

 Come, ye thankful people, come  
 Crown him with many crowns

 Fight the good fight  
 Fill thou my life, O Lord my God  
 Fill your hearts with joy

 Firmly I believe and truly  
 Follow me  
 For all the saints  
 For I'm building a people of power  
 For the beauty of the earth  
 For the fruits of his creation  
 For the healing of the nations  
 Forgive our sins as we forgive

Forth in the peace of Christ we go  
 Forth in thy name, O Lord, I go  
 Forty days and forty nights  
*Freely, freely*  
 From heaven you came

 Give thanks with a grateful heart

 Go forth and tell!  
 Go, tell it on the mountain  
 God be in my head  
 God forgave my sin  
 God is love: his the care  
 God is working his purpose out  
 God moves in a mysterious way  
 God of mercy, God of grace

# Hymns Tunes in Lower Keys

Every organist knows the congregation mantra, 'we can't sing up there!' and not everyone has the skills to immediately transpose tunes down a tone or even two.

Here's the answer: a Kevin Mayhew mega collection which in many cases gives two or even three different keys for 314 hymn tunes.

The result: your congregation will be delighted that the organist has come down to their level!

*Without wishing to be blasphemous, this book has become my BIBLE – it never leaves my side during the working day!*

flame  
O happy day  
O, heaven is in my heart  
O I love you, Lord  
Oh, I was made for this  
Oh, lead me  
O Jesus, I have promised  
O let the sun of God  
enfold you  
O little town of Bethlehem  
O Lord, hear my prayer  
O Lord, how majestic is  
your name  
O Lord, my God  
O Lord, my heart is not proud  
O Lord our God  
O Lord, the clouds are  
gathering  
O Lord, you lead me  
O Lord, you're beautiful  
O Lord, your tenderness  
On a hill far away  
Once again  
Once in royal David's city  
One heart, one voice,  
one mind  
One shall tell another  
One thing I ask  
Only by grace  
Only the blood  
Only you  
Only you deserve the glory  
On this day  
On this day of happiness  
Open the doors of praise  
O the blood of Jesus  
O the blood of my Saviour  
O the deep, deep love of Jesus!  
O the glory of your presence  
O thou who camest  
from above  
Our confidence is in the Lord  
Our God is an awesome God  
Our God is awesome in power  
Our God is so great

Teach me your ways

Tell out, my soul  
Thank you for saving me  
Thank you for the cross  
Thank you for your mercy  
Thank you, Jesus  
Thank you, Lord  
That the Lamb who was slain  
The angels, Lord, they sing  
The battle belongs to  
the Lord  
The candle song  
The church's one foundation  
The cross has said it all  
The crucible for silver  
The day of his power  
The feast is ready  
The giving song  
The happy song  
The heart of worship  
The heavens shall declare  
The King of glory comes  
The Lord Almighty reigns  
The Lord is a mighty King  
The Lord is marching out  
The Lord is moving across  
this land  
The Lord is our strength  
The Lord reigns  
The Lord's my shepherd  
The old rugged cross  
The power and the glory  
The price is paid  
The promise of the Holy Spirit  
Therefore we lift our hearts  
in praise  
There is a louder shout  
to come  
There is a place of  
commanded blessing  
There is a Redeemer  
There is none like you  
There is only one Lord  
There is power in the name  
of Jesus  
There's a blessed time  
that's coming  
There's an awesome sound  
There's a place where the  
streets shine  
There's a river of joy  
There's a sound of singing  
There's a wind-blowing  
There's no one like you  
The river is here  
These are the days  
The Servant King  
The solid Rock  
The Spirit of the sovereign  
Lord  
The steadfast love of the Lord  
The strong name of Jesus  
The trees of the field  
The trumpets sound, the  
angels sing  
The wine of the kingdom  
The Word made flesh  
The world is looking for a hero  
They that wait on the Lord  
Thine be the glory  
This Child  
This grace is mine  
This, in essence, is the message  
This is my beloved Son  
This is my desire  
This is the day that the Lord  
has made  
This is the day  
This is the message of the  
cross  
This is the mystery  
This is the sweetest mystery  
This is the time  
This is your God

This kingdom  
This love  
This thankful heart  
Though I feel afraid  
Though the earth should  
tremble  
Three-part harmony  
Thunder in the skies  
To be in your presence  
To every good thing God  
is doing  
To God be the glory!  
To keep your lovely face  
Tonight  
To seek your face  
To you, O Lord, I bring  
my worship  
To you, O Lord, I lift up my soul  
Turn our hearts  
Turn the hearts  
Turn to me and be saved  
Turn your eyes upon Jesus

**U**  
Under our skin  
Undignified  
Unending love  
Unto the King

**V**  
Victory chant

**W**  
Wake up, my soul  
Wake up, O sleeper  
Warrior  
We are a people of power  
We are his children  
We are his people  
We are marching  
We are the army of God  
We await a Saviour from  
Heaven  
We believe  
We bring the sacrifice of praise  
We come into your presence  
We declare your majesty  
We do not presume  
We have a great priest  
We have prayed that you  
would have mercy  
Welcome, King of kings  
Welcome the King  
We lift up a shout  
Well, I hear they're singing in  
the streets  
We'll see it all  
We'll walk the land  
We march to the tune of a  
love-song  
We must work together  
We're in God's army  
We rejoice in the goodness of  
our God  
We rejoice in the grace of  
God  
We serve a God of miracles  
We serve a God of power  
We shall see the King  
We shall stand  
We've had a light  
We want to remain in  
your love  
We want to see Jesus lifted  
high  
We will cross every border  
We will dance  
We will magnify  
We will ride  
We will run and not grow  
weary  
We will turn the hearts

We will wait  
We will worship the Lamb of  
glory  
We worship and adore you  
We worship at your feet  
What a friend I've found  
What a friend we have in Jesus  
What kind of greatness  
What kind of love is this  
What noise shall we make  
When I feel the touch  
When I look into your holiness  
When I survey the wondrous  
cross  
When my heart is  
overwhelmed  
When peace like a river  
When the Lord brought  
us back  
When the music fades  
Where there once was  
only hurt  
Where two or three  
White horse  
Who can sound the depths  
of sorrow  
Who sees it all  
With all my heart  
With my whole heart  
With this bread  
Worship the Lord  
Worthy is the Lamb  
Worthy, O worthy are you,  
Lord

**Y**  
Yahweh  
Yet this will I call to mind  
You alone are God  
You alone are worthy of my  
praise  
You alone, Lord, are wonderful  
You are beautiful  
You are crowned with many  
crowns  
You are God, you are great  
You are Lord  
You are merciful to me  
You are mighty  
You are my King  
You are my passion  
You are my rock  
You are the Christ  
You came from heaven to  
earth  
You have broken the chains  
You have called us  
You have shown me  
You have taken the precious  
You laid aside your majesty  
You loved me as you found me  
You make my heart feel glad  
You make your face to shine  
on me  
You're alive  
You rescued me  
You're the Lion of Judah  
Your love  
Your love flows like a river  
Your love keeps following me  
Your mercy flows  
Your waves of love  
You shall go out with joy

*I am yours*  
 I behold your power and glory  
 I believe  
 I believe in Jesus  
 I belong to you  
*I bow down*  
 I can do all things  
 I come before you  
*I come by the blood*  
 I come to bow down  
 I come to you  
 I dream of tongues of fire  
 I enter the Holy of holies  
 If I could have one desire  
*If I have not love*  
 If it wasn't for your mercy  
 I fix my eyes on you  
 If you're looking for somebody  
 If your presence doesn't go with us  
 I have come to worship  
 I have found exceeding joy  
 I have heard so many songs  
 I have his word  
 I have seen a mystery  
 I heard the sound of voices  
 I just want to love  
*I know you love me*  
*I lay it down*  
 I lay my life down at your feet  
 I lift my voice  
 I live for you  
 I live my life to worship you  
*I live to worship*  
*I'll always love you*  
*I'll never stop*  
 I long for freedom  
 I long to be so close to you  
 I love to tell the story  
 I love you, Lord (Graham Kendrick)  
 I love you, Lord (John Ellis)  
 I'm amazed  
 I'm calling out to you  
 I'm coming back to you, my Father  
 I'm learning to love you  
 I'm making melody  
*Immanuel*  
 I'm trading my sorrows  
 In and out of season  
 In Christ alone
- I need thee every hour  
 I need you here  
 I never knew a sweeter name before  
 In every day that dawns  
 In him we live and move  
 In the beauty of holiness  
 In the presence of holiness  
 In the presence of your people  
 In this place  
 Into the centre  
 Into your hands  
 Into your presence we come  
 In your presence  
 In your presence  
*In your presence, O God*  
 In you we live  
 I rejoiced when they said to me  
*I rejoice in your love*  
*Irresistible*  
*I see the cross*  
 I see the Lord (Chisum/Moen)  
 I see the Lord (Oakley)  
 I stand amazed  
*I surrender*  
*It is the church*  
*It is to you I lift my eyes*  
 It's amazing  
 It's me, it's me, O Lord  
 I've had questions  
 I've thrown it all away  
 I want to be holy  
 I want to be more like you  
 I want to give you more  
 I want to hear you say  
 I was glad  
 I was made to praise you  
 I was sinking deep in sin  
 I will be a living sacrifice  
 I will bless the Lord forever  
 I will dance, I will sing  
 I will enter your house  
 I will lift my voice and sing  
 I will love you for the cross  
 I will magnify you  
 I will never be the same  
 I will not be afraid  
 I will praise him  
 I will praise you  
 I will praise you, my God  
 and King  
 I will rejoice  
*I will rejoice*  
*I will sing*  
 I will sing of your love for ever  
*I will worship*  
 I worship you (Merkel)  
 I worship you (Thompson)

 Lead me on, Lord  
*Lead me to Calvary*  
*Lead us, Lord*  
*Learning to love you*  
*Let all creation praise the Lord*  
 Let earth and heaven combine  
*Let my words be few*  
 Let's think about our God  
 Let the earth and heavens rejoice  
 Let the exile come  
 Let the living stones cry out  
 Let the name of the Lord  
 Let there be blessing  
 Let there be glory and honour and praises  
*Let us go to the house of the Lord*  
 Let worship be the fuel  
*Let your kingdom come*  
*Lift my eyes*  
 Lift up your heads  
 Lift up your heads  
 Light of my life  
 Light of the world  
*Light of the world*  
 Like a fragrant oil  
*Like eagles*  
 Like the sunshine  
 Longing for light  
 Look away to the cross  
 Looking for your presence  
*Look my way*  
 Looks like tonight  
 Lord, I am not my own  
 Lord, I come expectant  
 Lord, I come to you  
 Lord, I stand in the midst of the multitude  
 Lord, I will bow to you  
 Lord, let your glory fall  
*Lord most high*  
*Lord of the harvest*  
*Lord of the harvest*  
*Lord, send the rain*

 Lord, we come to seek your face  
 Lord, we wait  
*Lord, we welcome you*  
 Lord, what a sacrifice I see

 Oh, safe to the rock  
*Oh, that we might see your glory*  
 O Jesus, Son of God  
*O Lord, to you*  
 O Lord, you've searched me  
 O my soul  
 O my soul, arise and bless your maker  
 On bended knee  
 One day  
*One desire*  
 One God  
 One offer of salvation  
*One thing*  
*One way*  
 Only a God like you  
 Only you  
 Open my eyes that I may see  
 Open our eyes, Lord

 O soul, are you weary  
 O the blood of Jesus  
 O the blood of the Passover

 O the King is coming  
 O, to see you

Spirit of the Lord  
*Stand in the gap*  
Stand up and clap your hands  
*Stand up and give him the*  
*praise*  
Stand up, stand up for Jesus  
*Still*  
*Surrender*  
*Sweet by and by*  
*Sweeter*  
*Sweeter name*

**T** *Take me higher*  
*Take my life*  
Take not your Spirit from me  
*Take the world but give me*  
*Jesus*  
Take us to the river  
Teach us, O Lord, to number  
our days  
Tell me the stories of Jesus  
Tender Saviour  
*Thank you for the blood*  
Thank you for the cross  
*Thank you for the cross*  
Thank you, thank you for the  
blood  
*That's why I give my life*  
*The Blessing*  
The cross before me  
*The diamond turns*  
*The eyes of my heart*  
*The Father's song*  
The giver of grace  
The glory of the cross  
*The greatest gift*  
*The greatest love*  
The head that once was  
crowned with thorns  
*The heart of my King*  
The holiest place  
The image of the invisible God  
*The King is coming*  
The Lord bless you and  
keep you  
The Lord thy God  
The love of God comes close  
The power of your love  
*The promise of your cross*  
There are shadows cast across  
the sun  
Therefore the redeemed  
There is a day  
There is a higher throne  
There is a hope so sure  
*There is a new song*  
There is a place of quiet rest  
There is one name under  
heaven  
There must be more than this  
There's a call (Moen)  
There's a call (Townend)  
There's a cry  
There's a land that is fairer  
than day  
There's a light in the darkness  
There's a lot of pain  
There's a new generation  
There's a people  
There shall be showers of  
blessing  
There's nowhere else

*There will be no other*  
*The solid rock*  
The sun cannot compare  
*The voice of hope*  
The way the sun breaks  
through  
The wonder of your cross  
*The wonder of the cross*  
Think about his love  
This is a time  
This is my song of praise to you  
This is the anthem of the free  
*This is what I live to do*  
Though I've seen troubles  
Through all the changing scenes  
of life  
Through our God  
*Thy word*  
Thy word is a lamp unto  
my feet  
Times of refreshing  
*'Tis so sweet to trust in Jesus*  
Today I awake  
Today I choose  
*To honour you*  
*To the ends of the earth*  
*To the King*  
*To the one God*  
To the river  
To worship  
Trade your heavy heart  
*Trading my sorrows*  
*Trust and obey*  
Trust in the Lord  
Trust, trust in the Lord  
Turn your ear  
*Turn your eyes upon Jesus*

**U** *Unchanging*  
*Under the blood*  
*Unshamed love*  
*Unshamed*  
*Upon a cross of shame*  
URY.

**V** *Victory song*

**W** *We all bow down*  
We are a shining light  
We are called to be prophets  
We are your people  
*We believe*  
We believe in God  
We call upon your name  
We come to your mountain  
We could watch you from afar  
*We crown you now*  
We fall down  
We give glory  
We give thanks  
We have cried out  
We have nothing to give  
*We humble ourselves*  
We humbly pray  
We journey on  
Welcome in to the courts of  
the King  
*We lift up your name*  
We place you on the highest  
place  
We pray for peace  
We're here because of grace  
We're here to bless your name  
Were you there when they  
crucified my Lord?  
We see the Lord  
*We speak to the nations*  
*We stand*  
We stand and lift up our hands

We stand in the gap  
We turn our eyes to you  
*We've come to bless your*  
*name*  
We've come to praise your  
name  
We've come to sing  
We wait  
We want to see your glory  
*We will go*  
We will proclaim  
We will seek you first, Lord  
We will see the glory of the  
Lord  
*What a gift*  
What a wonderful change  
What a wonderful Saviour  
What have we to show our  
Saviour  
*What I have vowed*  
What love is this  
What wisdom once devised  
the plan  
What wondrous love is this  
When all around is fading  
When I sing my praise  
When I think about the Lord  
*When I think about you*  
When it's all been said  
and done  
When I turn my eyes  
When I was lost  
*When I worship you*  
*When the roll is called up*  
*yonder*  
When the sunlight is shining  
*When the tears fall*  
When the trumpet of the Lord  
shall sound  
When we walk with the Lord  
*Where angels fear to tread*  
Where do I go  
Where the Spirit of the Lord is  
Where would I be  
*While today is still today*  
Who can cheer the heart  
Who is like the Lord?  
Who is like you, O Lord?  
Who is moving on the waters  
Who is there like you  
Who is this who rises like  
the dawn?  
*Whole world in his hands*  
Who made the stars  
Whom have I in heaven but you?  
*Who you are*  
*Wider than the ocean*  
*Will you worship?*  
*With all faith*  
*With all I am*  
With a true heart  
With every breath  
With God all things are possible  
*Wonderful Maker*  
Wonderful, so wonderful  
Wonderful words of life  
Worship the Lord  
Worthy  
*Worthy*  
*Worthy is the Lamba*  
*Worthy of praises*  
Worthy, you are worthy

**Y** *Yesterday, today, forever*  
You  
*You alone*  
You are  
You are all that matters  
You are beautiful  
*You are beautiful*  
*You are everything*

You are exalted, Lord  
You are God  
You are God in heaven  
*You are good*  
*You are good to me*  
*You are great*  
You are my anchor  
You are my God (Henry)  
You are my God (Delavan)

You are the Lord, the famous one  
You are with You are the Lord  
You are the one  
*You are the one*  
You are the peace  
You are the perfect and  
righteous God  
You are the stone  
*You are worthy*  
You came from heaven's  
splendour  
You came into my life  
You came to earth  
You chose the cross  
You come close to the  
broken-hearted  
You forgave my sins  
You formed us from the dust  
You have been so good  
You have given me new life  
You hear, O Lord  
You hold the sea  
*You know*  
You know that I love you  
You laid down your majesty  
You led me to the cross  
You lived  
You make me lie down in  
green pastures  
You make me want to be like you  
You, O Lord, are a holy God  
*You opened up my eyes*  
Your beauty is astounding  
*Your blood says everything*  
Your call  
You're calling me  
You're marvellous  
*You're my God*  
You're my Shepherd  
You're the one who made the  
heavens  
You're the solid rock  
*You're the strength of my life*  
You're the word of God the  
Father  
Your love  
*Your love*  
Your love is deep  
Your love is everlasting  
Your love, O Lord  
Your love, your love is  
extravagant  
Your love, your mercy  
*Your loving-kindness*  
Your mercy taught us  
Your name is highly exalted  
Your name is holy  
Your name is love  
Yours is the kingdom  
Your voice has stilled  
Your voice is the voice  
Your whisper to my soul  
You said to seek  
You shaped the heavens  
You shine  
You spread out the skies  
You've had mercy on me

Angels from the realms of glory  
As with gladness men of old  
Away in a manger  
Christians awake!  
Ding dong, merrily on high!  
Go, tell it on the mountain  
God rest you merry, gentlemen  
Good Christians all, rejoice  
Good King Wenceslas  
Good news  
Good people all (*The Wexford Carol*)  
Hark, the herald-angels sing  
I saw three ships  
I wonder as I wander  
In the bleak midwinter  
Infant holy, infant lowly  
It came upon the midnight clear  
It's rounded like an orange

Joy to the world!  
Like a candle flame (*The candle song*)  
Little donkey  
Long time ago in Bethlehem  
(*Mary's boy child*)  
Mary had a baby  
Now the holly bears a berry  
(*The Sans Day Carol*)  
O come, all ye faithful  
O come, O come Emmanuel  
O little town of Bethlehem  
Of the Father's love begotten  
On Christmas night all Christians sing  
Once in royal David's city  
See, amid the winter's snow  
See him lying on a bed of straw  
(*Calypto Carol*)  
Silent night

Sing we now of Christmas (*Noël Nouvelet*)  
The angel Gabriel from heaven came  
The first Nowell  
The holly and the ivy  
The Virgin Mary had a baby boy  
There's a star in the East  
(*Rise up, shepherd, and follow*)  
Unto us a boy is born  
We three kings of Orient are  
We wish you a merry Christmas  
Welcome Jesus

Abba, Father, let me be  
All hail the Lamb  
All heaven declares  
All I once held dear  
All my days  
All over the world  
Amazing grace  
As the deer pants  
for the water  
As we are gathered  
Ascribe greatness  
Be still and know that  
I am God  
Be still, for the presence  
of the Lord  
Beauty for brokenness  
Blessed assurance  
Blessed be your name  
Colours of day  
Come, now is the time to  
worship  
Come on and celebrate  
Everyone needs compassion  
Faithful One, so unchanging  
Father God, I wonder  
Father in heaven  
For I'm building a people  
of power  
From heaven you came  
Give thanks to the Lord  
Give thanks with a grateful  
heart  
God forgave my sin  
Great is the darkness  
Great is the Lord and most  
worthy of praise  
Great is thy faithfulness  
He is exalted  
He is Lord  
Here I am  
Holy, holy, holy is the Lord  
Hosanna, hosanna  
How deep the Father's love  
for us  
I am a new creation  
I believe in Jesus  
I love you, Lord, and  
I lift my voice  
I, the Lord of sea and sky  
I will offer up my life  
I will worship  
I'm accepted, I'm forgiven  
In Christ alone  
Jesus, be the centre  
Jesus Christ  
Jesus is King

Jesus is Lord! Creation's  
voice proclaims it  
Jesus is the name we honour  
Jesus put this song  
Jesus shall take the  
highest honour  
Jubilate, everybody  
King of kings, majesty  
Let there be love  
Let your living water flow  
Light of the world  
Lord, for the years  
Lord, I come to you  
Lord, I lift your name on high  
Lord, the light of your love  
Lord, you have my heart  
Majesty, worship his majesty  
Make way, make way  
Meekness and majesty  
Men of faith  
My Jesus, my Saviour  
O give thanks  
O Lord, my God!  
Only by grace  
Open the eyes of my heart  
Our God is a great big God  
Over all the earth  
Peace to you  
Peace, perfect peace, is the gift  
Purify my heart  
Seek ye first  
Shout for joy and sing  
Spirit of the living God  
Strength will rise as we wait  
Such love  
Teach me to dance  
Tell out, my soul  
Thank you for saving me  
The Lord's my shepherd  
The Spirit lives to set us free  
The splendour of the King  
There is a Redeemer  
These are the days  
To be in your presence  
We are marching  
We believe in God the Father  
We want to see Jesus  
lifted high  
We walk the land  
When I look into your holiness  
When the music fades  
When we walk with the Lord  
Wonderful, so wonderful  
You are the King of Glory  
You laid aside your majesty  
You shall go out with joy

Abide with me  
All creatures of our God and King

All things bright and beautiful  
All who would valiant be  
All you who seek a comfort sure

Blest are the pure in heart  
Breathe on me, Breath of God  
Christ is made the sure foundation  
Come down, O Love divine  
Come, ye thankful people, come

Dear Lord and Father of mankind

God is love: his the care  
Guide me, O thou great Redeemer

Holy, holy, holy! Lord God almighty  
I danced in the morning  
Immortal, invisible, God only wise  
In Christ alone  
Jesus Christ is risen today  
Just as I am, without one plea  
King of glory, King of peace  
Lead us, heavenly Father, lead us  
Let all mortal flesh keep silence  
Let all the world in every  
corner sing  
Let us, with a glad some mind  
Lift up your hearts!  
Lord Jesus Christ  
Lord Jesus, think on me  
Lord of all hopefulness

Lord, the light of your love  
Lord, thy word abideth  
Love divine, all loves excelling

Now thank we all our God  
Now the green blade riseth  
O God, our help in ages past  
O Jesus, I have promised  
O Lord my God!  
O love, how deep, how  
broad, how high  
O love that wilt not let me go  
O praise ye the Lord!  
O worship the King  
On a hill far away  
One more step along the world I go  
Peace, perfect peace, is the gift  
Praise, my soul, the King of heaven!  
Praise the Lord, ye heavens  
adore him  
Praise to the Holiest  
Praise to the Lord, the Almighty  
Rejoice, the Lord is King  
Spirit of the living God  
Stand up and bless the Lord  
Take my life, and let it be  
Take up thy cross, the Saviour said  
Tell out, my soul  
The Church's one foundation  
The day of resurrections  
The day thou gavest, Lord, is ended  
The head that once was  
crowned with thorns  
The King of love my shepherd is  
The Lord's my shepherd (Crimond)  
The Lord's my shepherd  
(Brother James' air)  
The Spirit lives to set us free  
There is a green hill far away  
Thine be the glory  
Thou, whose almighty word  
Thy hand, O God, has guided  
We have a gospel to proclaim  
We love the place, O God  
We plough the fields and scatter  
What a friend we have in Jesus  
When I needed a neighbour  
When I survey the wondrous cross  
Wide, wide as the ocean  
Ye holy angels bright

All heaven declares  
 As the deer pants for the water  
 Be still, for the presence of the Lord  
 Be the centre  
 Beautiful one  
 Beautiful Saviour  
 Blessed be your name  
 Come, Lord Jesus  
 Come, now is the time to worship  
 Days of Elijah  
 Everlasting God  
 Faithful One, so unchanging  
 Forever  
 Give thanks with a grateful heart  
 Great is thy faithfulness  
 Here I am to worship  
 How deep the Father's love for us  
 How great is our God  
 How great thou art!  
 I really want to worship you  
 I will sing your praises  
 I will worship  
 In Christ alone  
 Jesus is our God  
 King of kings, majesty  
 Knowing you  
 Lord, for the years  
 Lord, reign in me  
 Majesty, worship his majesty  
 Make way, make way  
 Mighty to save  
 Once again  
 Only by grace  
 Open the eyes of my heart  
 Our God is a great big God  
 Power of your love  
 Refiner's fire  
 Shine, Jesus, shine  
 Shout to the Lord  
 Tell out, my soul  
 Thank you for saving me  
 The heart of worship  
 The Lord's my shepherd  
 The Servant King  
 There is a Redeemer  
 This is your God  
 This thankful heart  
 We want to see Jesus lifted high  
 You came from heaven to earth  
 You're worthy of my praise

## Seasonal Hymns and Carols

### Lent, Holy Week and Easter

All glory, laud and honour  
All you who seek a comfort sure  
Alleluia, alleluia, give thanks to  
the risen Lord  
Alleluia, alleluia, hearts to heaven  
and voices raise  
At the Lamb's high feast we sing  
Christ the Lord is risen again  
Come down, O Love divine

Come, thou Holy Spirit, come  
Come, ye faithful, raise the strain  
Forty days and forty nights  
Hail the day that sees him rise  
It is a thing most wonderful  
Jesus Christ is risen today  
Jesus lives! thy terrors now  
Lord Jesus, think on me  
Love's redeeming work is done

My God, I love thee  
Now the green blade riseth  
O dearest Lord, thy sacred head  
O sacred head  
On this day, the first of days  
Ride on, ride on in majesty  
The day of resurrection  
The head that once was crowned  
with thorns

There is a green hill far away  
The strife is o'er; the battle done  
Thine be the glory  
This joyful Eastertide  
When I survey the wondrous  
cross  
Ye choirs of new Jerusalem

### Advent and Christmas season

A great and mighty wonder  
Angels from the realms of glory  
As with gladness men of old  
Away in a manger  
Brightest and best  
Christians, awake!  
Come, thou long-expected Jesus  
Ding dong, merrily on high  
Good King Wenceslas  
Hark! a herald voice is calling  
Hark, the glad sound

Hark, the herald-angels sing  
In the bleak mid-winter  
It came upon the midnight clear  
Lo, he comes with clouds  
descending  
O come, all ye faithful  
O come, O come, Emmanuel  
O little town of Bethlehem  
O worship the Lord in the  
beauty of holiness

Of the Father's love begotten  
On Christmas night all  
Christians sing  
Once in royal David's city  
See, amid the winter's snow  
Silent night  
Songs of thankfulness and praise  
The angel Gabriel from  
heaven came  
The first Nowell

Unto us a boy is born  
We three kings  
While shepherds watched

this place  
May the grace of Christ  
our Saviour  
May the mind of Christ  
my Saviour  
Meekness and majesty  
Men of faith  
Mine eyes have seen the glory  
Morning has broken  
Moses, I know you're the man  
My faith looks up to thee  
My God, and is thy table spread  
My God, how wonderful you are  
My God, I love thee  
My heart will sing to you  
My Jesus, my Saviour  
(Shout to the Lord)  
My Lord, what love is this  
My song is love unknown

**N**  
Name of all majesty  
Nearer, my God, to thee  
New songs of celebration render  
Now let us from this table rise  
Now, my tongue, the  
mystery telling  
(Pange Lingua)  
Now, my tongue, the mystery  
telling (Tantum ergo)  
Now thank we all our God  
(Nun Danket)  
Now the green blade riseth

**O**  
O Breath of Life  
O come, all ye faithful  
O come, O come, Emmanuel  
O dearest Lord, thy sacred head  
O for a closer walk with God  
O, for a heart to praise my God  
O for a thousand tongues to sing

O God beyond all praising  
O God of Bethel, by whose hand  
O God of earth and altar  
O God, our help in ages past  
O God, unseen but ever near  
O God, you search me  
O happy band of pilgrims  
O happy day  
O, heaven is in my heart  
O Holy Spirit, Lord of grace  
O, how good is the Lord  
O Jesus, I have promised  
(Hatherop Castle)  
O Jesus, I have promised  
(Wolvercote)  
O let the Son of God enfold you  
O little one sweet,  
O little one mild  
O little town of Bethlehem  
O Lord, all the world belongs  
to you  
O Lord, my God  
(How great thou art)  
O Lord, your tenderness  
O love, how deep, how broad,  
how high  
O Love, that wilt not let me go  
O perfect love (O perfect love)  
O perfect love (Strength and stay)  
O praise ye the Lord  
O sacred head sore wounded  
O strength and stay  
O, the love of my Lord  
O thou, who at thy Eucharist  
didst pray  
O thou who camest from above  
O worship the King  
O worship the Lord in the beauty  
of holiness  
Of the Father's love begotten  
Oft in danger, oft in woe  
On a hill far away  
On Christmas night all  
Christians sing  
On Jordan's bank the Baptist's cry  
On this day, the first of days  
Once in royal David's city  
Once, only once, and once for all  
One is the body  
One more step along the  
world I go  
One whose heart is hard as steel  
(England's Lane)  
Only by grace  
Onward, Christian pilgrims  
Open our eyes, Lord  
Open the eyes of my heart  
Our blest Redeemer,  
ere he breathed

Our Father (Caribbean)  
 Our Father (Wiener)  
 Our God is a great big God  
 Our God is an awesome God  
 Our God loves us  
 Over all the earth  
 Over the mountains and the sea

**P**

Peace is flowing like a river

 blessings flow (Tallis' Canon)  
 Praise him on the trumpet  
 Praise him, praise him, praise him

 adore him  
 Praise to God for saints and  
 martyrs (Daily daily)  
 Praise to the Holiest (Gerontius)

 Praise to the Lord, the Almighty  
 Purify my heart  
 Put peace into each other's hands  
 Put thou thy trust in God

 Rejoice, O land, in God thy might  
 Rejoice, the Lord is King

 Ride on, ride on in majesty  
 (St Drostane)  
 Ride on, ride on in majesty  
 (Winchester new)  
 Rise and shine  
 Rock of ages

**S**

Salvation belongs to our God  
 Saviour; again to thy dear name  
 we raise  
 See, amid the winter's snow  
 See him lying on a bed of straw  
 See, what a morning  
 Seek ye first  
 She sits like a bird  
 Silent night  
 Sing for God's glory  
 Sing lullaby  
 Sing, my tongue,  
 the glorious battle  
 (Pange Lingua)  
 Sing, my tongue, the glorious  
 battle (St Thomas)  
 Sing of the Lord's goodness  
 Sing to God new songs of  
 worship

Sing we of the blessed Mother  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Speak, O Lord  
 Spirit of God  
 Spirit of the living God  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Strengthen for service, Lord  
 Such love  
 Sun of my soul, thou Saviour dear  
 Sweet sacrament divine

**T**

Take me, Lord  
 Take my life, and let it be  
 Take up thy cross, the Saviour said  
 Teach me, my God and King  
 Teach me to dance  
 Tell his praise in song and story  
 Tell out, my soul  
 Thank you for saving me  
 Thank you for the cross  
 Thank you, Lord  
 Thanks be to God  
 Thanks for the fellowship  
 Thanks to God, whose word was  
 spoken (Kingley Vale)  
 Thanks to God, whose word was  
 spoken (St Helen)  
 The angel Gabriel from  
 heaven came  
 The Church of God a kingdom is  
 The Church's one foundation  
 The day of resurrection  
 The day thou gavest, Lord,  
 is ended  
 The first Nowell  
 The God of Abraham praise  
 The God of love my shepherd is  
 The greatest day in history  
 The head that once was crowned  
 with thorns  
 The holly and the ivy  
 The King is among us  
 The King of love my shepherd is  
 (Dominus regit me)  
 The kingdom of heaven  
 The Lord is risen indeed (St  
 Michael)  
 The Lord's my shepherd  
 The Lord's my shepherd  
 (Townend)  
 The race that long in darkness  
 pined  
 The royal banners forward go  
 (Gonfalon Royal)  
 The royal banners forward go  
 (Vexilla regis)  
 The Spirit lives to set us free  
 The splendour of the King  
 (How great is our God)  
 The strife is o'er, the battle done  
 (Victory)

The strife is o'er, the battle done  
 (Vulpius)  
 The Virgin Mary had a baby boy  
 Thee we adore, O hidden Saviour;  
 thee (Adoro te devoto)  
 Thee we adore, O hidden Saviour;  
 thee (Ellers)  
 There are hundreds of sparrows  
 There is a green hill far away  
 There is a higher throne  
 There is a Redeemer  
 There must be more  
 There's a place where the  
 streets shine  
 There's a quiet understanding  
 There's a spirit in the air  
 There's a wideness in  
 God's mercy  
 These are the days  
 These vows of love are taken  
 Thine arm, O Lord, in days of old  
 Thine be the glory  
 Think of ever! God of love  
 Think of a world without  
 any flowers  
 This is my body  
 This is my desire  
 This is the day  
 This is the day the Lord has made  
 This joyful Eastertide  
 This little light of mine  
 This world you have made  
 Thou art the Way; by thee alone  
 Thou didst leave thy throne  
 Thou, whose almighty word  
 Three in One, and One in Three  
 Through all the changing scenes  
 of life  
 Through the night of doubt  
 and sorrow  
 Thuma mina  
 Thy hand, O God, has guided  
 Thy kingdom come!  
 Thy kingdom come, O God  
 Thy way, not mine, O Lord  
 To be in your presence  
 To God be the glory!  
 To the name of our salvation  
 To thee, O Lord, our hearts  
 we raise

**U**

Ubi caritas  
 Unto us a boy is born

**V**

Virgin-born, we bow before thee

**W**

Wake, O wake! with tidings  
 thrilling  
 Waken, O sleeper; wake and rise  
 Walking in a garden  
 We are marching in the light  
 of God  
 We believe

We bow down  
 We cannot measure  
 We eat the plants that grow from  
 the seed  
 We gather here  
 We hail thy presence glorious  
 We have a gospel to proclaim  
 We love the place, O God  
 We plough the fields and scatter  
 We pray thee, heavenly Father  
 We sing the praise of him who died  
 We three kings  
 We want to see Jesus lifted high  
 We will lay our burden down  
 Were you there when they crucified  
 my Lord?  
 What a friend we have in Jesus  
 What a wonderful change  
 What child is this  
 When a knight won his spurs  
 When all thy mercies, O my God  
 When God almighty came to earth  
 When God made the garden  
 of creation  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When I survey the wondrous  
 cross  
 (O waly, waly)  
 When I survey the wondrous  
 cross (Rockingham)  
 When I was lost  
 When morning gilds the skies  
 When our God came to earth  
 When the music fades  
 When we walk with the Lord  
 While shepherds watched  
 Who is there like you?  
 Who is this so weak and helpless  
 Who, O Lord, could save  
 themselves  
 Who put the colours in  
 the rainbow  
 Who would think that what  
 was needed  
 Wide, wide as the ocean  
 Will you come and follow me?  
 Will your anchor hold  
 Wonderful, so wonderful

**Y**

Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye servants of the Lord  
 Ye who own the faith of Jesus  
 You are beautiful  
 You are the King of Glory  
 You chose the cross  
 You laid aside your majesty  
 You shall go out with joy  
 You stood before creation

## Seasonal Hymns and Carols

### Lent, Holy Week and Easter

Alleluia, alleluia, give thanks to the  
risen Lord  
Alleluia, alleluia, hearts to heaven  
All glory, laud and honour  
All you who seek a comfort sure  
At the Lamb's high feast we sing  
Christ the Lord is risen again  
Come down, O Love divine  
Come, thou Holy Spirit, come  
Come, ye faithful, raise the strain  
Forty days and forty nights

Hail the day that sees him rise  
It is a thing most wonderful  
Jesus Christ is risen today  
Jesus lives! thy terrors now  
Lord Jesus, think on me  
Love's redeeming work is done  
My God, I love thee  
Now the green blade riseth  
O dearest Lord, thy sacred head  
On this day, the first of days  
O sacred head sore wounded

Ride on, ride on in majesty  
The day of resurrection  
The head that once was crowned with thorn  
There is a green hill far away  
The strife is o'er, the battle done  
Thine be the glory  
This joyful Eastertide  
When I survey the wondrous cross  
Ye choirs of new Jerusalem

### Advent and Christmas season

A great and mighty wonder  
Angels from the realms of glory  
As with gladness men of old  
Away in a manger  
Brightest and best  
Christians, awake!  
Come, thou long-expected Jesus  
Ding, dong, merrily on high  
Good King Wenceslas  
Hark! a herald voice is calling  
Hark, the glad sound

Hark, the herald-angels sing  
In the bleak mid-winter  
It came upon the midnight clear  
Lo, he comes with clouds descending  
O come, all ye faithful  
O come, O come, Emmanuel  
Of the Father's love begotten  
O little town of Bethlehem  
Once in royal David's city  
On Christmas night all Christians sing

O worship the Lord in the beauty  
of holiness  
See, amid the winter's snow  
Silent night  
Songs of thankfulness and praise  
The angel Gabriel from heaven came  
The first Nowell  
Unto us a boy is born  
We three kings  
While shepherds watched

## General Hymns

### A

Abba, Father, let me be  
A brighter dawn is breaking  
Ah, holy Jesu, how hast thou  
offended  
All hail the Lamb  
All hail the power of Jesus' name  
All heaven declares  
All I once held dear  
All over the world  
All praise to our redeeming Lord  
All that I am  
And can it be  
And did those feet in  
ancient time  
    A new commandment  
An upper room did our  
    Lord prepare  
Around the throne of God  
As pants the hart for  
    cooling streams  
As we are gathered  
    *A touching place*  
At the cross she keeps her station  
Awake, awake: fling off the night

### B

Be still and know that I am God  
Beloved, let us love  
Beneath the cross of Jesus  
Blessed assurance  
Blest Creator of the light  
Bread is blessed and broken  
Bread of the world in  
    mercy broken  
    *Bridegroom and bride*  
Brother, sister, let me serve you

### C

*Caribbean Lord's Prayer*  
Christ is the world's Light  
Christ's is the world  
Come, Holy Ghost, our  
    souls inspire  
Come, let us sing  
Come, let us use the grace divine  
Come, my Way, my Truth, my Life  
Creator of the starry height

### E

Earth has many a noble city  
Eternal Ruler of the  
    ceaseless round

### F

Father, I place into your hands  
Father; Lord of all creation  
Father most holy, merciful  
    and loving  
Father, we adore you  
Father, who in Jesus found us  
Filled with the Spirit's power  
Fill your hearts with joy  
    and gladness  
Follow me  
For all your saints still active  
Forgive our sins as we forgive  
For Mary, mother of our Lord  
For the fruits of his creation  
For the healing of the nations  
Forth in thy name, O Lord, I go  
From many grains  
From the very depths  
    of darkness

### G

Gather around, for the table  
    is spread  
Give thanks with a grateful heart  
Give to our God immortal praise  
Glory be to Jesus  
Glory to thee, my God, this night  
God has spoken by the prophets  
God, in the planning  
God is love: his the care  
God is love: let heaven  
    adore him  
God is working his purpose out  
    *God on earth*  
God save our gracious Queen  
God that madest earth and heaven  
God, whose farm is all creation  
God, whose love is all around us  
Go forth and tell  
Go forward, people of God today  
Going home  
Gracious Spirit, Holy Ghost  
Great is thy faithfulness  
    *Great love*

**H**

Happy are they, they that love God  
Hark, my soul, it is the Lord  
Heaven shall not wait  
Help us to help each other; Lord  
Here in this place  
Here, O my Lord  
Holy Spirit, hear us  
Holy Spirit, truth divine

**I**

I am the bread of life  
I bind unto myself today  
I cannot tell  
I come with joy  
I heard the voice of Jesus say  
I need thee every hour  
I'm not ashamed to own my Lord  
In Christ there is no east or west  
In full and glad surrender  
In the Cross of Christ I glory

**J**

Jesus, grant me this, I pray  
Jesus bids us shine  
Jesus, good above all other  
Jesus, Prince and Saviour  
Jesus, stand among us  
Jesus, stand among us in th  
risen power  
Jesu, the very thought of thee  
Jesu, thou joy of loving hearts  
Jubilate, everybody  
Judge eternal, throned  
in splendour  
Just a closer walk with thee  
Just as I am, without one plea

**L**

Lead, kindly light (two tunes)  
Let all mortal flesh keep silence  
Let saints on earth in concert sing  
Let there be love shared  
Let us talents and tongues employ  
Like a mighty river flowing  
Longing for light  
Lord, enthroned in heavenly  
splendour  
Lord of our life, and God of our  
salvation  
Lord, teach us how to pray aright  
Lord, when I turn my back on you  
Love is his word  
Low in the grave he lay

**M**

Majesty, worship his majesty  
*Mallaig Sprinkling Song*  
Man of sorrows  
May the grace of Christ  
our Saviour  
May the mind of Christ  
my Saviour  
Mine eyes have seen the glory  
My desire  
My faith looks up to thee  
My God, how wonderful you are  
My God, I love thee  
My heart will sing to you  
My Jesus, my Saviour

**N**

Nearer, my God, to thee  
New songs of celebration render  
Now let us from this table rise  
Now, my tongue, the mystery  
telling (2 tunes)  
Now thank we all our God

**O**

O for a closer walk with God  
O for a heart to praise my God  
O God beyond all praising  
O God of Bethel, by whose hand  
O God of earth and altar  
O God, unseen but ever near  
O happy day  
O Holy Spirit, Lord of grace  
O Jesus, I have promised  
O Lord, all the world belongs  
O Lord, your tenderness  
O love, how deep, how broad,  
how high  
O my Saviour, lifted from  
the earth  
On a hill far away  
One more step along the world I go  
Onward, Christian pilgrims  
Open our eyes, Lord  
O perfect love  
O thou, who at thy Eucharist  
didst pray  
Our blest Redeemer;  
ere he breathed  
Our Father

Sing we to God our Father  
Soul of my Saviour  
Spirit of God  
Such love  
Sun of my soul, thou Saviour dear

**T**

Take me, Lord  
Take my life, and let it be  
Thanks for the fellowship  
Thanks to God, whose word  
was spoken  
The Church of God a kingdom is  
The God of Abraham praise  
The God of love my shepherd is  
The King is among us  
The King of love my shepherd is  
The race that long in darkness pined  
The royal banners forward go

There's a wideness in God's mercy  
Thine arm, O Lord, in days of old  
Think of a world without  
any flowers  
This is my body  
This is the day  
This is the day the Lord has made  
Thou art the Way; by thee alone  
Thou pilgrim strangers  
here below  
Through all the changing scenes  
of life

Thy kingdom come!  
Thy way, not mine, O Lord  
To be in your presence

When morning gilds the skies  
When we walk with the Lord  
Who is this so weak and helpless  
Will you come and follow me  
Will your anchor hold

## Christmas Carols

Born in the night, Mary's child  
God rest you merry, gentfolk  
Good Christians all, rejoice  
Go, tell it on the mountain  
Infant holy, infant lowly

It's rounded like an orange  
Joy to the world!  
Little Jesus, sweetly sleep  
Long ago, prophets knew  
Love came down at Christmas

Mary had a baby  
O little one sweet,  
O little one mild  
See him lying on a bed of straw  
The holy and the ivy

The Virgin Mary had a baby boy  
What child is this  
When our God came to earth

Finished the strife  
For God so loved the world  
For I'm building a people of power

In our day of thanksgiving

In the garden Mary lingers

Inspired by love and anger

Wide, wide as the ocean

### A

A great and mighty wonder  
A man there lived in Galilee  
A safe stronghold our God is still  
A stranger once did bless the earth  
Abide with me; fast falls the  
eventide  
Again the Lord's own day is here  
All creatures of our God and King!  
All glory, laud, and honour  
All glory, laud, and honour  
(Processional)  
All hail the power of Jesus' name  
All my hope on God is founded  
All people that on earth do dwell  
All praise to thee, for thou, O King  
divine  
All things bright and beautiful  
All ye who seek for sure relief  
Alleluia, Alleluia, hearts to heaven  
and voices raise  
Alleluia, sing to Jesus  
Almighty Father, Lord most high

Almighty Father, who for us thy  
Son didst give  
An upper room did our Lord  
prepare  
And did those feet in ancient time  
And didst thou travel light, dear  
Lord  
And now, O Father, mindful of the  
love  
Angels, from the realms of glory  
Angel-voices ever singing  
Around the throne of God a band  
As Jacob with travel was weary  
one day  
As pants the hart for cooling  
streams  
As the bridegroom to his chosen  
As the disciples, when thy Son had  
left them  
As with gladness men of old  
At even, ere the sun was set  
At the cross her station keeping  
At the Lamb's high feast we sing  
At the name of Jesus

Author of life divine  
Awake, awake: fling off the night!  
Awake, my soul, and with the sun  
Awake; our souls; away, our fears  
Away with gloom, away with doubt

### B

Be thou my guardian and my guide  
Be thou my vision, O Lord of my  
heart  
Before Jehovah's awful throne  
Before the ending of the day  
Behold, the great Creator makes  
Blessed city, heavenly Salem  
Blessed city, heavenly Salem  
(Processional)  
Blest are the pure in heart  
Bread of heaven, on thee we feed  
Bread of the world in mercy  
broken  
Breathe on me, Breath of God  
Bright the vision that delighted  
Brightest and best of the sons of  
the morning

### C

Can man by searching find out God  
Captains of the saintly band  
Children of the heavenly King  
Christ for the world we sing!  
Christ is our corner-stone  
Christ is the heavenly food  
that gives  
Christ is the King! O friends rejoice  
Christ is the world's light, he and  
none other  
Christ is the world's true light  
Christ, the fair glory of the holy  
angels  
Christ the Lord is risen again  
Christ upon the mountain peak  
Christ, when for us you were  
baptized  
Christ, who knows all his sheep  
Christ, whose glory fills the skies  
Christian, dost thou see them  
Christian people, raise your song  
Christians, awake! salute the  
happy morn

Christians, lift up your hearts  
 (Praise for the Spirit)  
 Christians, lift up your hearts  
 (The House of God)  
 Christians, lift up your hearts  
 (Word and Sacrament)  
 Christians, lift your hearts and  
 voices  
 City of God, how broad and far  
 Come down, O Love divine  
 Come, gracious Spirit, heavenly  
 Dove  
 Come, Holy Ghost, our hearts  
 inspire  
 Come, Holy Ghost, our souls  
 inspire  
 Come, let us join our cheerful  
 songs  
 Come, let us with our Lord arise  
 Come, Lord, to our souls come  
 down  
 Come, O thou Traveller unknown  
 Come, pure hearts, in sweetest  
 measures  
 Come, risen Lord, and deign to be  
 our guest  
 Come, thou Holy Spirit, come  
 Come, thou long-expected Jesus  
 Come, workers for the Lord  
 Come, ye faithful, raise the anthem  
 Come, ye faithful, raise the strain  
 Come, ye thankful people, come  
 Creator of the earth and skies  
 Creator of the starry height  
 Crown him with many crowns  
 Crown with love, Lord, this glad day

**D**

Dear Lord and Father of mankind  
 Dear Lord, to you again our gifts  
 we bring  
 Dearest Jesu, we are here  
 Deck thyself, my soul, with gladness  
 Disposer supreme, and Judge of  
 the earth

**E**

Early morning, 'Come, prepare  
 him'  
 Earth has many a noble city  
 Eternal Father; strong to save  
 Eternal God, we consecrate  
 Eternal Ruler of the ceaseless  
 round  
 Every star shall sing a carol

**F**

Faithful vigil ended  
 Father all-powerful, thine is the  
 kingdom (i)  
 Father all-loving, thou rulest in  
 majesty (ii)  
 Father; hear the prayer we offer  
 Father; Lord of all Creation  
 Father most holy, merciful and  
 loving  
 Father of heaven, whose love  
 profound  
 Father of mercies, in thy word  
 Father; we thank thee who hast  
 planted  
 Father; we thank you  
 Father; who in Jesus found us  
 Fierce raged the tempest o'er  
 the deep  
 Fight the good fight with all  
 thy might  
 Fill thou my life, O Lord my God  
 Filled with the Spirit's power; with  
 one accord  
 Finished the strife of battle now  
 Firmly I believe and truly  
 For all the saints who from their  
 labours rest  
 For all thy saints, O Lord  
 For Mary, Mother of our Lord  
 For the beauty of the earth  
 For the bread which you have  
 broken  
 For the fruits of his creation  
 For the healing of the nations  
 Forgive our sins as we forgive  
 Forth in the peace of Christ we go  
 Forth in thy name, O Lord, I go  
 Forty days and forty nights  
 From all that dwell below the skies  
 From glory to glory advancing, we  
 praise thee, O Lord  
 From the eastern mountains  
 From thee all skill and science flow

**G**

Give me joy in my heart  
 Give to our God immortal praise  
 Give us the wings of faith to rise  
 Glorious things of thee are spoken  
 Glory be to Jesus  
 Glory in highest heaven  
 Glory, love, and praise, and honour  
 'Glory to God!' all heaven with joy  
 is ringing

Glory to thee, O God  
 Glory to thee, my God, this night  
 God be in my head  
 God everlasting, wonderful and  
 holy  
 God from on high hath heard  
 God is here; as we his people  
 God is light  
 God is love, and where true love is  
 God is Love: let heav'n adore him  
 God moves in a mysterious way  
 God of concrete, God of steel  
 God of grace and God of glory  
 God of love and truth and beauty  
 God of mercy, God of grace  
 God save our gracious Queen  
 God, that madest earth and  
 heaven  
 God the Father; name we treasure  
 God who created this Eden of  
 earth  
 God, who hast caused to be  
 written thy word for our learning  
 God who spoke in the beginning  
 God, whose farm is all creation  
 God, you have giv'n us power to  
 sound  
 Good Christian men, rejoice  
 and sing  
 Good is our God who made this  
 place  
 Gracious Spirit, Holy Ghost  
 Great Shepherd of thy people, hear  
 Guide me, O thou great Redeemer

**H**

Hail, gladdening Light, of his pure  
 glory poured  
 Hail the day that sees him rise  
 Hail to the Lord who comes  
 Hail to the Lord's Anointed  
 Hail, true body, born of Mary  
 Hands that have been handling  
 Happy are they, they that love God  
 Hark, a thrilling voice is sounding  
 Hark, my soul, it is the Lord  
 Hark the glad sound! the Saviour  
 comes  
 Hark, the herald-angels sing  
 Hark the sound of holy voices  
 Have faith in God, my heart  
 He that is down needs fear no fall  
 He wants not friends that hath  
 thy love  
 Help us, O Lord, to learn

Help us to help each other; Lord  
 Her Virgin eyes saw God incarnate  
 born  
 Here, O my Lord, I see thee face  
 to face  
 Hills of the North, rejoice  
 Holy, holy, holy! Lord God Almighty  
 Holy Spirit, come, confirm us  
 Hosanna in the highest (see Glory  
 in highest heaven)  
 How beauteous are their feet  
 How bright these glorious spirits  
 shine  
 How shall I sing that majesty  
 How sweet the name of Jesus  
 sounds

**I**

I come with joy to meet my Lord  
 I danced in the morning  
 I heard the voice of Jesus say  
 I vow to thee, my country, all  
 earthly things above  
 Immortal, invisible, God only wise  
 Immortal love for ever full  
 In Adam we have all been one  
 In Christ there is no east or west  
 In humble gratitude, O God  
 In our day of thanksgiving one  
 psalm let us offer  
 In the bleak mid-winter  
 It came upon the midnight clear  
 It is a thing most wonderful

**J**

Jerusalem, my happy home  
 Jerusalem the golden  
 Jesu, grant me this, I pray  
 Jesu, lover of my soul  
 Jesu, our hope, our heart's desire  
 Jesu, Son of Mary  
 Jesu, the very thought of thee  
 Jesu, thou joy of loving hearts  
 Jesu calls us: o'er the tumult  
 Jesu Christ is risen to-day  
 Jesu, good above all other  
 Jesu, humble was your birth  
 Jesu lives! thy terrors now  
 Jesu, Lord, we look to thee  
 Jesu, Lord, we pray  
 Jesu, my Lord, how rich thy grace  
 Jesu, my Lord, let me be  
 Jesu our Lord, our King and our  
 God  
 Jesu shall reign where'er the sun

Jesus, these eyes have never seen  
Jesus, we thus obey  
Jesus, where'er thy people meet  
Jesus, whose all-redeeming love  
Just as I am, without one plea

**K**  
King of glory, King of peace

**L**  
Lead, kindly Light, amid the  
encircling gloom  
Lead us, heavenly Father, lead us  
Let all mortal flesh keep silence  
Let all the world in every corner  
sing  
Let every Christian pray  
Let saints on earth in concert sing  
Let the Lord's people, heart and  
voice uniting  
Let us break bread together on  
our knees  
Let us employ all notes of joy  
Let us talents and tongues employ  
Let us, with a gladsome mind  
Life is great! so sing about it  
Lift high the Cross, the love of  
Christ proclaim  
Lift up your heads, you mighty  
gates  
Lift up your hearts! We lift them,  
Lord, to thee  
Light's abode, celestial Salem  
Light's glittering morn bedecks  
the sky  
Lo, from the desert homes  
Lo, he comes with clouds  
descending  
Lo, in the wilderness a voice  
Lo, round the throne, a glorious  
band  
Long ago, prophets knew  
Lord, as I wake I turn to you  
Lord, as we rise to leave the shell  
of worship  
Lord, be thy word my rule  
Lord, by whose breath all souls and  
seeds are living  
Lord Christ, the Father's mighty Son  
Lord Christ, we praise your  
sacrifice

Lord Christ, when first thou cam'st  
to men  
Lord Christ, who on thy heart  
didst bear  
Lord, enthroned in heavenly  
splendour  
Lord God, thou art our maker and  
our end  
Lord God, we give you thanks for  
all your saints  
Lord God, we see thy power  
displayed  
Lord God, your love has called us  
here  
Lord, I have made thy word my  
choice  
Lord, it belongs not to my care  
Lord Jesus Christ, be present now  
Lord Jesus Christ, you have come  
to us  
Lord Jesus, once you spoke to men  
Lord Jesus, think on me  
Lord of all good, our gifts we bring  
to thee  
Lord of all hopefulness  
Lord of all power; I give you my will  
Lord of all, to whom alone  
Lord of beauty, thine the splendour  
Lord of lords and King eternal  
Lord of the boundless curves of  
space  
Lord of the home, your only Son  
Lord of the worlds above  
Lord, pour thy Spirit from on high  
Lord, save thy world; in bitter need  
Lord, teach us how to pray aright  
Lord that descendedst, Holy Child  
Lord, thy word abideth  
Lord, to you we bring our treasure  
Lord, we are blind; the world of  
sight  
Love divine, all loves excelling  
Love of the Father; Love of God  
the Son  
Love's redeeming work is done  
Loving Shepherd of thy sheep

**M**  
May the grace of Christ our  
Saviour  
Morning glory, starlit sky

My Father, for another night  
My God, accept my heart this day  
My God, and is thy table spread  
My God, how wonderful thou art  
My God, I love thee; not because  
My song is love unknown  
My soul, there is a country  
My spirit longs for thee

**N**  
Nature with open volume stands  
New every morning is the love  
New songs of celebration render  
No use knocking on the window  
Not far beyond the sea, nor high  
Not for our sins alone  
Now from the altar of our hearts  
Now is eternal life  
Now join we, to praise the Creator  
Now let us from this table rise  
Now, my tongue, the mystery  
telling  
Now thank we all our God  
Now the day is over  
Now the green blade riseth

**O**  
O come, all ye faithful  
O come, all ye faithful  
(Processional)  
O come, O come, Emmanuel  
O crucified Redeemer  
O Day of God, draw nigh  
O dearest Lord, thy sacred head  
O for a closer walk with God  
O for a heart to praise my God  
O for a thousand tongues to sing  
O God, by whose almighty plan  
O God in heaven, whose loving  
plan  
O God of Bethel, by whose hand  
O God of truth, whose living word  
O God, our help in ages past  
O God, whose will is life and good  
O God, unseen yet ever near  
O happy band of pilgrims  
O heavenly Jerusalem  
O holy City, seen of John  
O Holy Father, God most dear  
O Holy Ghost, thy people bless  
O Holy Spirit, Lord of grace

O Jesus, I have promised  
O King enthroned on high  
O little town of Bethlehem  
O Lord of every shining  
constellation  
O Lord of heaven and earth  
and sea  
O Lord, we long to see your face  
O love divine, how sweet thou art  
O love, how deep, how broad,  
how high  
O my saviour, lifted  
O perfect Love, all human thought  
transcending  
O praise ye the Lord! praise him in  
the height  
O raise your eyes on high and see  
O sacred head, surrounded  
O sing a song of Bethlehem  
O sons and daughters, let us sing  
O strength and stay upholding all  
creation  
O thou not made with hands  
O thou, who at thy Eucharist  
didst pray  
O thou who camest from above  
O Trinity, most blessed light  
O what their joy and their glory  
must be  
O worship the King all glorious  
above  
O worship the Lord in the beauty  
of holiness  
Of all the Spirit's gifts to me  
Of the Father's love begotten  
Of the Father's love begotten  
(Processional)  
Oft in danger; oft in woe  
On Jordan's bank the Baptist's cry  
On the day of Pentecost  
Once in royal David's city  
Once, only once, and once for all  
Onward, Christian soldiers  
Our best Redeemer, ere he  
breathed  
Our Father; by whose name  
Our Lord, his Passion ended

**P**  
Palms of glory, raiment bright

Praise and thanksgiving be to our  
Creator

Praise and thanksgiving, Father we  
offer

Praise, my soul, the King of heaven  
Praise, O praise our God and King

Praise the Lord, rise up rejoicing  
Praise the Lord! ye heavens,  
adore him

Praise to the Holiest in the height  
Praise to the Lord, the Almighty,  
the King of creation  
Praise we now the Word of grace  
Put thou thy trust in God

## R

Reap me the earth as a harvest to  
God

Rejoice in God's saints, today and  
all days

Rejoice, O land, in God thy might  
Rejoice! the Lord is King

Ride on, ride on in majesty  
Ride on triumphantly! Behold,  
we lay

Rise and hear! The Lord is speaking  
Rise up, O men of God

Rock of ages, cleft for me  
Round me falls the night

## S

Saviour, again to thy dear name we  
raise

See the Conqueror mounts in  
triumph

Sent forth by God's blessing, our  
true faith confessing

Shepherd divine, our wants relieve  
Sing alleluia forth in duteous praise

Sing, my tongue, the glorious battle  
Sing praise to God who reigns  
above

Sing we a song of high revolt  
Sing we the praises of the great  
forerunner

Sleepers, wake! the watch-cry  
pealeth

Soldiers of Christ, arise  
Soldiers, who are Christ's below

Sometimes a light surprises  
Son of God, eternal Saviour

Son of the Lord Most High  
Songs of praise the angels sang

Songs of thankfulness and praise  
Souls of men, why will ye scatter

Spirit of mercy, truth, and love

Stand up, and bless the Lord  
Stand up, stand up for Jesus

Stars of the morning, so gloriously  
bright

Strengthen for service, Lord, the  
hands

Sun of my soul, thou Saviour dear

## T

Take my life, and let it be

Take up thy cross, the Saviour said  
Teach me, my God and King

Tell out, my soul, the greatness of  
the Lord

Ten thousand times ten thousand  
Thanks to God whose Word was  
spoken

The advent of our King

The Church of God a kingdom is  
The Church's one foundation

The day of resurrection

The day thou gavest, Lord, is ended  
The duteous day now closeth

The eternal gifts of Christ the King  
The first day of the week

The God of Abraham praise

The God of love my shepherd is  
The God who rules this earth

The God whom earth and sea  
and sky

The great Creator of the worlds  
The head that once was crowned  
with thorns

The heavenly Child in stature  
grows

The heavenly Word, proceeding  
forth

The heavens declare thy glory, Lord  
The King of love my shepherd is

'The kingdom is upon you!'  
The Lord is King! lift up thy voice

The Lord is risen indeed  
The Lord my pasture shall prepare

The Lord will come and not be  
slow

The Lord's my Shepherd, I'll not  
want

The people that in darkness sat  
The prophets spoke in days of old

The royal banners forward go  
The Son of God proclaim

The spacious firmament on high  
The strife is o'er; the battle done

The sun is sinking fast  
Thee we adore, O hidden Saviour;

thee

There in God's garden stands the  
tree of wisdom

There is a green hill far away  
There is a land of pure delight

There's a spirit in the air  
Thine arm, O Lord, in days of old

Thine be the glory, risen,  
conquering Son

Thine for ever! God of love  
This day God gives me

This is the day of light  
This is the day the Lord hath made

Thou art the Christ, O Lord  
Thou art the Way; by thee alone

Thou didst leave thy throne and  
thy kingly crown

Thou whom shepherds  
worshipped, hearing

Thou, whose almighty word  
Through all the changing scenes  
of life

Through the night of doubt and  
sorrow

Thy hand, O God, has guided  
Thy kingdom come, O God

Thy kingdom come! on bended  
knee

'Tis good, Lord, to be here  
To Christ, the Prince of Peace

To mock your reign, O dearest  
Lord

To the name of our salvation  
To thee, O Lord, our hearts we

raise  
To thee our God we fly

To us a Child of royal birth

## U

Upon thy table, Lord, we place

## V

Virgin-born, we bow before thee

## W

Walking in a garden

We are your people

We find thee, Lord, in others' need

We give immortal praise

We hail thy presence glorious

We have a gospel to proclaim

We love the place, O God

We plough the fields, and scatter

We praise you, Lord, for Jesus  
Christ

We pray thee, heavenly Father

We sing the glorious conquest

We sing the praise of him who  
died

We turn to you, O God of every  
nation

We would extol thee, ever-blessed  
Lord

Were you there when they  
crucified my Lord?

What Adam's disobedience cost  
What does the Lord require

When all thy mercies, O my God  
When Christ was lifted from the  
earth

When God of old came down  
from heaven

When I needed a neighbour; were  
you there, were you there?

When I survey the wondrous  
Cross

When Jesus came to Jordan  
When morning gilds the skies

Where high the heavenly temple  
stands

Where is this stupendous stranger  
Where love and loving-kindness  
dwell

Wherefore, O Father, we thy  
humble servants.

While shepherds watched their  
flocks by night

Who are these like stars appearing  
Who are we who stand and sing

Who would true valour see  
With joy we meditate the grace

With wonder; Lord, we see  
your works

Ye choirs of new Jerusalem  
Ye holy angels bright

Ye servants of God, your Master  
proclaim

Ye servants of the Lord  
Ye that know the Lord is gracious

Ye watchers and ye holy ones  
You, living Christ, our eyes behold

 Within the veil  
 With my whole heart  
 Wonderful grace  
 Worthy, O worthy are you, Lord  
 Worthy, you are worthy

Nobody's a nobody

O give thanks to the Lord  
O Lord, all the world belongs  
to you  
O Lord, my God  
O when the saints go marching in  
Oh! Oh! Oh! How good is  
the Lord  
One hundred and fifty-three!

One more step along the  
world I go  
Open our eyes, Lord  
Our Father (Caribbean)  
Our God is a great big God  
Our God is so great  
*Our God reigns*  
Over the earth is a mat of green

Peace is flowing like a river  
Peace, perfect peace, is the gift

Praise him, praise him,  
all his children

upon the rock  
There are hundreds of sparrows  
There is a green hill far away  
Think big: an elephant

any flowers  
This is the day  
This little light of mine  
To be in your presence

**W**  
We are marching in the light  
of God  
We have a king who rides  
a donkey  
We want to see Jesus lifted high  
When God made the garden  
of creation  
When I needed a neighbour  
When Jesus walked in Galilee  
When Jesus was my age  
When the Spirit of the Lord  
When your Father made  
the world  
Whether you're one  
Who put the colours in the  
rainbow?  
Who's the king of the jungle?  
Wiggle your fingers  
With Jesus in the boat

**Y**  
You can drink it, swim in it  
You lift your left arm high  
You shall go out with joy

## Christmas Carols

Away in a manger  
Born in the night, Mary's child  
Come and join the celebration  
Ding dong! merrily on high  
Go, tell it on the mountain  
Hark, the herald-angels sing  
Hee, haw! Hee, haw!

In the bleak mid-winter  
It was on a starry night  
Little donkey  
Mary had a baby  
O come, all ye faithful  
O little town of Bethlehem  
Once in royal David's city

See, amid the winter's snow  
See him lying on a bed of straw  
Silent night  
The angel Gabriel from  
heaven came  
The first Nowell

The holly and the ivy  
The Virgin Mary had a baby boy  
We three kings of Orient are  
We wish you a merry Christmas  
While shepherds watched

I am fearfully and wonderfully  
made  
I danced in the morning  
If I were a butterfly  
If you're feeling sad  
If you want to know why  
I have a friend  
I love the sun  
I love to be with you, Jesus  
I'm accepted, I'm forgiven  
I may live in a great big city  
I'm black, I'm white, I'm short,  
I'm tall  
I'm so small  
I'm special  
I once was frightened of spiders  
I reach up high  
I, the Lord of sea and sky

I want to be salt for Jesus  
I watch the sunrise  
I will make you fishers of men  
I will offer up my life  
I won't wander off

**J**  
Jesus Christ was born as a baby  
Jesus is greater

Abide with me  
All things bright and beautiful  
Amazing grace  
And did those feet in ancient time  
As the deer pants for the water  
Be still, for the presence  
of the Lord  
Be thou my vision  
Blessed assurance  
Come down, O love divine  
Dear Lord and Father of mankind  
Eternal Father, strong to save  
From heaven you came  
Give me joy in my heart  
Great is thy faithfulness  
Guide me, O thou great Redeemer  
He's got the whole world  
in his hand

Holy, holy, holy! Lord God almighty  
I danced in the morning  
I heard the voice of Jesus say  
Immortal, invisible, God only wise  
It is a thing most wonderful  
Jesu, lover of my soul  
(Aberystwyth)  
Jesu, lover of my soul (Hollingside)  
Just as I am, without one plea  
Kum ba yah  
Lead us, heavenly Father, lead us  
Lord Jesus Christ  
Lord of all hopefulness  
Love divine, all loves excelling  
(Blaenwern)  
Love divine, all loves excelling  
(Love divine)  
Nearer, my God, to thee

Now thank we all our God  
O God, our help in ages past  
O Jesus, I have promised  
O Lord, my God  
On a hill far away  
O praise ye the Lord!  
O worship the King  
Praise, my soul, the King of heaven  
Praise to the Lord, the Almighty  
Rock of ages  
The Church's one foundation

The day thou gavest, Lord, is ended  
The King of love my shepherd is  
(Dominus regit me)  
The King of love my shepherd is  
(St Columba)  
The Lord's my shepherd  
There is a green hill far away  
Thine be the glory  
What a friend we have in Jesus  
When I survey the wondrous cross

Come, come, come to the manger  
Come, thou long-expected Jesus

### Disc 1 – Lent

Be still, for the presence of the Lord  
Be thou my guardian and my guide  
Dear Lord and Father of mankind  
Father, hear the prayer we offer  
Forgive our sins as we forgive  
Forty days and forty nights  
He's the Saviour of my soul  
I give you love  
I need thee every hour  
Inspired by love and anger  
Jesu, grant me this, I pray  
Just as I am, without one plea  
Lift up your voice  
Lord Jesus, think on me  
Lord of our life, and God of our salvation  
Lord, teach us how to pray aright  
Lord, we turn to you for mercy  
Oft in danger, oft in woe  
Praise to the holiest  
Put thou thy trust in God  
Rock of ages  
Seek ye first  
Take up thy cross, the Saviour said  
When God almighty came to earth  
Will your anchor hold

### Disc 2 – Holy Week

Ah, holy Jesu, how hast thou offended  
All glory, laud and honour  
All hail the lamb  
All you who seek a comfort sure  
A man there lived in Galilee  
An upper room did our Lord prepare  
At the cross she keeps her station  
Beneath the cross of Jesus  
Bread of the world in mercy broken  
Come, wounded healer  
For God so loved the world  
Here is love  
Hosanna, Hosanna  
In the Cross of Christ I glory  
It is a thing most wonderful  
Jesu shall reign  
Man of sorrows  
O dearest Lord, thy sacred head  
On a hill far away  
Rejoice, the Lord is King  
See the holy table  
Sing my tongue the glorious battle  
There is a Redeemer  
Were you there?  
When I survey the wondrous cross

### Disc 3 – Easter

A brighter dawn is breaking  
Alleluia, alleluia, give thanks to the risen Lord  
Alleluia, sing to Jesus  
Awake, awake fling off the night  
Christ the Lord is risen today  
Come ye faithful, raise the strain  
Finished the strife  
From the very depths of darkness  
Good Christians all, rejoice and sing  
Heaven is open wide  
He is Lord  
I danced in the morning  
I know that my Redeemer lives  
Jesu Christ is risen today  
Jesu is Lord!  
Jesu lives! Thy terrors now  
Low in the grave he lay  
Now the green blade riseth  
The day of resurrection  
The Lord is risen indeed  
Thine be the glory  
This is the day the Lord has made  
To God be the glory  
We have a King who rides a donkey  
Ye choirs of new Jerusalem

### Hymns

Alleluia, alleluia, give thanks to the risen Lord  
All you who seek a comfort sure  
At the cross her station keeping  
At the lamb's high feast we sing  
Battle is o'er hell's armies flee

By the blood that flowed from thee  
Christ the Lord is risen today  
Come down, o love divine  
Come, Holy Ghost, Creator, come  
Forty days and forty nights  
From the depths we cry to thee  
Glory be to Jesus  
Hail the day that sees him rise  
Holy Spirit, Lord of Light  
Jesus Christ is risen today  
Lord Jesus, think on me  
Lord, who throughout these forty days  
Now the green blade riseth  
O come and mourn with me awhile  
Of the glorious body telling  
O sacred heart sore wounded  
Stay with me  
The day of resurrection  
The head that once was crowned with thorns  
There is a green hill far away  
The royal banners forward go  
Thine be the glory  
This is the day  
This joyful eastertide  
When I survey the wondrous cross

### Christmas

Angels we have heard in heaven  
As with gladness men of old  
Away in a manger  
Bethlehem, of noblest cities  
Come, come, come to the manger  
Ding dong, merrily on high  
Good King Wenceslas  
Hail to the Lord's anointed  
Hark! a herald voice is calling  
Hark, the herald-angels sing  
In the bleak mid-winter  
It came upon the midnight clear  
Let all mortal flesh keep silence  
Mary had a baby  
O come, all ye faithful  
O come, o come, Emmanuel  
Of the father's love begotten  
O little town of Bethlehem  
Once in royal David's city  
On Christmas night all Christians sing  
On Jordan's bank the baptist's cry  
See amid the winter's snow  
Silent night  
The Angel Gabriel from heaven came  
The coming of our God  
The first nowell  
The race that long in darkness pined  
Unto to us a boy is born  
We three kings of Orient are  
While shepherds watched

# Hymn Resources

## Never Let the Songs End

**Martin Leckebusch**

This collection of 124 new hymns by Martin Leckebusch highlights the vitality of contemporary hymn writing and its place in modern worship. Inspired by a vibrant tradition which stretches back several hundred years, and which has nourished Martin's own walk with God, the texts cover a broad range of themes and almost all can be sung to familiar tunes.

Hymns frequently anchor our faith in the big story of God's plan of salvation; they often remind us of our belonging to one another as well as to Christ; they help us to explore what discipleship means in different situations; and they offer possibilities in narrative, lament, reflection and other styles.

## New Hymns and Spiritual Songs

**The inspirational hymns of Nick Fawcett and Martin Leckebusch. Set to music by Kevin Mayhew**

A strong text that resonates with people's spiritual needs married to a fine tune are the necessary ingredients for a hymn that works, and we believe the pieces in *New Hymns and Spiritual Songs* more than meet that criteria. Nick Fawcett and Martin Leckebusch, both well-loved and established writers, have provided texts which have been set to music by Kevin Mayhew, a composer with a unique understanding of hymnody. In addition to the hymns there are also settings of *Glory to God and Holy, holy, holy, Lord*. The music is immensely tuneful and may be played on either the organ or keyboard, or by a music group and the accompanying CD includes each hymn in both styles.

Give me a heart that will honour you  
God of life, we come in worship  
Holy, holy, holy Lord  
Lord Jesus, plant a seed of faith  
Lord, today your voice is calling  
Lord, you created a world rich in splendour  
Lord, you have blessed me  
Peace, perfect peace  
The Brettenham Gloria  
The day will come, that glorious day  
The gracious invitation  
We owe our thanks to you, Lord

Hear what God says

He gave me eyes so I could see  
*He has made me glad*  
He is the King  
*He made me*

I love to be with you  
I'm accepted, I'm forgiven  
I'm black, I'm white  
I'm glad I'm alive  
I'm gonna click  
In the first stage of seeking  
In the upper room  
I reach up high  
Isn't it good  
I, the Lord of sea and sky  
It's me, O Lord  
I've got peace like a river  
I was so glad  
I will be with you  
I will click my fingers  
I will enter his gates  
I will sing, I will sing  
I will wave my hands  
I wonder as I wander

There are hundreds of sparrows  
*The trees of the field*  
*The vine and fig tree*  
 There are people who live  
 There is a green hill  
 There's a great big world  
 There's a rainbow in the sky  
 There's a seed  
 There's a star in the east  
 There was one  
 The Spirit lives to set us free  
*The trees of the field*  
*The vine and fig tree*  
 The voice from the bush  
 The wise man built his house  
 The world is full of smelly feet

 This world you have made

 We're going to shine  
 We thank God for the harvest  
 We three kings of Orient are  
 We will praise  
 We wish you a merry Christmas

 When God made the garden  
 of creation  
 When I needed a neighbour  
 When Jesus was my age  
 When the Spirit of the Lord  
 When your Father made the world  
 Whether you're one

 Who's the King of the jungle?  
 With Jesus in the boat

 A butterfly, an Easter egg  
 A little ship was on the sea  
 A man there lived in Galilee  
 A new commandment  
 A still small voice  
 A stranger walked along the shore  
 A wiggly, waggly worm  
 Abba, Father; let me be  
 Ain't listenin' to no temptation  
 All night, all day  
 All of the people  
 All over the world  
 All that I am  
 All the flowers are waking  
 All the nations of the earth  
 All things bright and beautiful  
 Alleluia  
 Alleluia, Alleluia, give thanks to the risen Lord  
 Amazing grace  
 And everyone beneath the vine and fig tree  
 And God said

Anytime, anywhere  
 Are you wired up  
 As I look around me  
 As the deer  
 Autumn days  
 Away in a manger

**B**

 Big man  
 Biggest isn't always best  
 Bind us together; Lord

Find a little seed  
Fisherman Peter on the sea  
Fishes of the ocean  
5000 + hungry folk  
Follow me  
Follow my leader  
For ever I will live my life by faith  
For God so loved the world  
For I'm building a people  
of power  
For the fruits of his creation  
For the measure of the treasure  
Forward in faith  
Freely, freely  
Friend of sinners  
Friends, all gather here in a circle  
From heaven you came  
From my knees to my nose  
From the darkness came light  
From the tiny ant

**G**  
Girls and boys, leave your toys  
Give me joy in my heart

Give thanks to the Lord  
Give thanks with a grateful heart  
Give us hope, Lord  
Gives! Gives! Gives!  
Gloria  
Glorify your name  
Glory, glory in the highest  
Glory to God  
Go tell everyone  
Go, tell it on the mountain  
Go wandering in the sun  
God Almighty set a rainbow  
God be in my head  
God forgave my sin  
God has promised  
God is faithful  
God is good, God is great  
God is love  
God is so good  
God is very great  
God knows me  
God loves me  
God loves you  
God made a boomerang  
God made the colours  
God, our Father, gave us life  
God sends a rainbow  
God turned darkness into light  
God who made the earth  
God, you can use me

God's love is deeper  
God's not dead  
God's people  
God's Spirit is in my heart  
Goliath was big and Goliath  
was strong  
Gotta get out and scatter  
some seed

**H**  
Halle, halle, halle  
Hallelu, hallelu  
Hallelu, hallelu, hallelujah  
Hands, hands, fingers, thumbs  
Hark, the herald-angels sing  
Harvest samba  
Have we made our God  
too small?  
Have you got an appetite?  
Have you heard  
Have you heard the raindrops  
He gave me eyes so I could see  
He has made me glad  
He has risen  
He invites us to his banqueting  
table  
He is Lord  
He is the King  
He made me  
He made the eyes of the blind  
man see  
Hee, haw! Hee, haw!  
He'll be there  
Here I am, Lord  
Here we come to Bethlehem  
He's alive!  
He's got the whole world in  
his hand  
Hey, now, everybody sing  
Hi diddle de hi hi  
Ho, ho, ho, hosanna  
Holy Hokey  
Holy Spirit, Holy Spirit  
Hosanna  
Hosanna to the Son of David  
How did Moses cross the  
Red Sea?  
How great is our God  
How great thou art  
How lovely on the mountains

**I**  
I am cold, I am ice  
I am fearfully and wonderfully  
made  
I am H-A-P-P-Y  
I am the bread of life  
I believe in Jesus  
I could sing of your love for ever  
I could sing unending songs  
I danced in the morning  
I feel spring in the air today  
I give my hands  
I gotta home in gloryland  
I have a friend  
I have seen the golden sunshine  
I listen, and I listen

I love the sun  
I love to be with you  
I may live in a great big city  
I may speak  
I once was frightened  
I planted a seed  
I reach up high  
I, the Lord of sea and sky  
I want to be a blooming tree  
I want to be a tree that's  
bearing fruit  
I want to be salt for Jesus  
I watch the sunrise  
I will always follow Jesus  
I will bring to you  
I will click my fingers  
I will enter his gates  
I will make you fishers of men  
I will offer up my life  
I will sing, I will sing  
I will sing your praises  
I will wave my hands  
I wonder as I wander  
If I go to the furthest place  
if I were a butterfly  
If I were an astronaut  
If you're feeling sad and weary  
I'm a pow pow powerpack!  
I'm accepted, I'm forgiven  
I'm black, I'm white, I'm short,  
I'm tall  
I'm going to paint  
I'm gonna click  
I'm putting God's armour on  
I'm putting my hand in your hand  
I'm singing your praise, Lord  
I'm so small  
I'm special  
In everything that I do  
In the bleak midwinter  
In the morning early  
In the upper room  
In your name  
Isn't it good  
It takes an almighty hand  
It was on a starry night  
It's a beautiful day in springtime  
It's a new day  
It's me, it's me, its me  
It's me, o Lord  
It's rounded like an orange  
I've got peace like a river  
I've got that joy, joy, joy, joy

Take my life, and let it be  
Teach me to dance  
Teach me to trust you  
Tell me who made all of creation  
Thank you for the summer  
morning  
Thank you, Lord  
The angel Gabriel from  
heaven came  
The beatitudes  
The bell of creation  
The best gift  
The children's band  
The clock tells the story of time  
The donkey's Christmas carol  
The farmer comes to scatter  
the seed

The first Nowell  
The fruit of the Spirit  
The God of Abraham praise  
The golden cockerel  
The happy song  
The holly and the ivy  
The ink is black, the page is white  
The journey of life  
The King is among us  
The King of love my shepherd is  
The kingdom of heaven  
The little drummer boy  
The Lord is risen today!  
The Lord's my shepherd  
The school rule song  
The seed song  
The Servant King  
The sheep song  
The Spirit lives to set us free  
The trees of the field  
The vine and fig tree  
The Virgin Mary had a baby boy  
The voice from the bush  
The wiggly waggly song  
The wise man built his house  
upon the rock  
The wise may bring their learning  
The world is full of smelly feet  
There are hundreds of sparrows  
There is a green hill  
There is singing in the desert  
There is so much to discover  
There was one, there were two  
There's a great big world  
out there  
There's a rainbow in the sky  
There's a seed  
There's a star in the east  
There's a time to laugh  
Think big; an elephant  
Think of a world without  
any flowers  
Think of all the things we lose  
This is an important matter  
This is the day  
This little light of mine  
This thankful heart  
Tick tock  
Time for everything  
To be with you  
Today  
Together  
Travel on  
Trust and obey  
Turn back the clocks  
Two little eyes

**U**  
Under our skin  
Unto us a child is born

**W**  
Wake up!  
Walk in the light  
Water  
Water of life  
We are climbing  
We are here together  
We are marching in the light  
of God  
We are one family together  
We can plough and dig the land  
We don't believe the devil's lie

We eat the plants that grow from  
the seed  
We have a gospel to proclaim  
We have a King who rides a  
donkey  
We plough the fields, and scatter  
We thank God for the harvest  
We three kings of Orient are  
We want to see Jesus lifted high  
We will praise  
We wish you a merry Christmas  
Well done!  
We're a bright light together  
We're the kids of the King  
What a mighty God we serve  
What kind of man was this  
What noise shall we make  
When a knight won his spurs  
When God made the garden  
of creation  
When I needed a neighbour  
When I think about the cross  
When Jesus walked in Galilee  
When Jesus was my age  
When the Spirit of the Lord  
When the time is right  
When the winter day is dying  
When we walk with the Lord  
When your Father made  
the world  
Whether you're one  
While shepherds watched  
Who made the twinkling stars?  
Who put the colours in  
the rainbow?  
Who spoke words of wisdom  
and life?  
Whoopah, wahey!  
Who's the king of the jungle?  
Wide, wide as the ocean  
Wiggle your fingers  
Wired up  
With Jesus in the boat  
Worship the King  
Would you walk by on the  
other side  
Wouldn't it be funny

**Y**  
Yesterday, today, for ever  
You are the best  
You are the King of glory  
You came from heaven to earth  
You can build a wall around you  
You can drink it, swim in it  
You lift your left arm high  
You must do for others  
You never put a light under a  
dirty old bucket  
You ride on the wings of  
the wind  
You shall go out with joy  
You're alive  
You've got to move

 A new commandment  
 Any time, anywhere  
 As earth that is dry

 At this time of giving  
 Away in a manger

 God was born on earth  
 Goliath was big and Goliath was strong  
*Go, tell everyone*  
 Go, tell it on the mountain  
 Go, the Mass is ended  
*Gotta get out and scatter*  
*Gotta put the world to rights*  
 Go wandering in the sun  
 Great indeed are your words

**H**  
 Hail Mary, full of grace  
 Halle, halle, halle  
 Hallelu, hallelu

Hang on  
 Hark, the herald-angels sing  
 Have you heard the raindrops  
 Hear what God says  
 Heaven invites you to a party  
 Hee, haw! Hee, haw!  
 He gave me eyes so I could see  
*He has made me glad*  
 He is the King  
*He has made me*  
*Here I am, Lord*  
 He's got the whole world in his hand  
 He's the same today  
 Hey, now, everybody sing  
 Holy God  
 Holy, holy, holy  
 Holy, holy, holy is the Lord  
 Holy, holy, holy is the Lord  
 (Ballantine)  
 Holy, holy, holy Lord (Rizza)

 How lovely on the mountains

**I**  
 I am the bread of life (Konstant)  
 I am the bread of life (Toolan)  
 I come like a beggar  
 I danced in the morning  
 I feel spring in the air to day  
 If I am lacking in love  
 If I were a butterfly  
 If I were an astronaut  
 I give my hands  
 I have a friend  
*I have loved you*  
 I love to be with you  
 I'm accepted, I'm forgiven  
 I'm black, I'm white, I'm short, I'm tall  
 In bread we bring you, Lord  
 In the bleak mid-winter  
 In the love of God and neighbour  
 In the upper room  
 In you, my God  
 I reach up high  
 Isn't it good  
 I, the Lord of sea and sky  
 I've got peace like a river  
 I want to build my life on the Lord  
 I was so glad  
 I watch the sunrise  
 I will be with you  
 I will bless the Lord  
 I will click my fingers  
 I will enter his gates  
 I will sing, will sing  
 I will wave my hands  
 I wonder as I wander

We're going to shine like the sun  
We thank God for the harvest  
We three kings of Orient are  
We will praise  
We wish you a merry Christmas  
What kind of greatness  
What kind of man was this  
Whatever you do  
When God made the garden  
of creation  
When I needed a neighbour  
When is he coming  
When Jesus was my age  
When the day grows cold  
When the Spirit of the Lord  
When we eat this bread  
When your Father made this world  
Where are you bound, Mary?

While shepherds watched  
Who made the corn grow?  
Who put the colours in the rainbow?  
Who's the king of the jungle?  
With Jesus in the boat

And can it be  
And did those feet in ancient time  
And now, O Father, mindful of the love  
Angels from the realms of glory  
Angel-voices ever singing  
As pants the hart for cooling streams  
As the deer pants for the water  
As we are gathered

At the Lamb's high feast we sing  
At the name of Jesus  
Awake, awake: fling off the night  
Away in a manger

From the rising of the sun

Give me joy in my heart  
Give thanks to the Lord  
Give thanks with a grateful heart  
Gloria (Anderson)

Glory to thee, my God, this night  
Go forth and tell!  
Go, tell it on the mountain  
God be in my head  
God forgave my sin  
God is love: his the care  
God is love: let heaven adore him  
God is working his purpose out  
God moves in a mysterious way  
God of mercy, God of grace  
God of the poor  
God on earth  
God rest you merry, gentfolk  
God save our gracious Queen  
God that madest earth and heaven  
God's love is deeper  
Good Christians all, rejoice  
Good Christians all, rejoice and sing

Great is the darkness  
Great is the Lord and most worthy of praise

Great is thy faithfulness  
Great love  
Guide me, O thou great Redeemer

### H

Hail the day that sees him rise  
Hail, thou once despisèd Jesus  
Hail to the Lord's anointed  
Halle, halle, halle  
Happy are they, they that love God  
Hark! a herald voice is calling  
Hark, the glad sound!  
Hark, the herald-angels sing  
Have you heard the raindrops  
He has risen  
He is exalted  
He is Lord  
He is the Lord  
Help us to help each other, Lord  
Here am I, Lord  
Here I am, Lord  
He's got the whole world in his hand  
He's the Saviour of my soul  
Heaven is in my heart  
Here I am to worship  
Here I am, Lord  
Hills of the north, rejoice  
Holy and anointed One  
Holy, holy, holy is the Lord  
Holy, holy, holy! Lord God almighty  
Hosanna to the Son of David  
Hosanna, hosanna  
How deep the Father's love for us  
How great thou art  
How lovely on the mountains  
How shall I sing that majesty  
How sweet the name of Jesus sounds

### I

I am a new creation  
I am trusting thee, Lord Jesus  
I believe in Jesus  
I cannot tell  
I come with joy  
I could sing of your love for ever  
I danced in the morning  
I give you all the honour  
I heard the voice of Jesus say  
I know that my Redeemer lives  
I lift my eyes to the quiet hills  
I love you, Lord, and I lift my voice  
I need thee every hour  
I, the Lord of sea and sky  
I really want to worship you  
I stand in awe  
I will offer up my life  
I will sing the wondrous story  
I will sing your praises  
I will worship  
I worship you  
If I were a butterfly  
I'm accepted, I'm forgiven  
Immortal, invisible, God only wise  
In Christ alone  
In Christ there is no east or west  
In full and glad surrender  
In heavenly love abiding  
In our day of thanksgiving  
In the bleak mid-winter  
In the Lord I'll be ever thankful  
It came upon the midnight clear  
It is a thing most wonderful  
It's rounded like an orange

 Let us break bread together  
 Let us, with a gladsome mind  
 Let your living water flow  
 Lift high the Cross  
 Lift up your hearts!  
 Light of the world  
 Light up the fire

 Loving Shepherd of thy sheep  
 Low in the grave he lay

 Men of faith  
 Morning has broken  
 My desire

 My heart will sing to you  
 My Jesus, my Saviour  
 My Lord, what love is this  
 My song is love unknown

 Nothing can trouble  
 Now thank we all our God  
 Now the green blade riseth

**O**  
 O Breath of Life  
 O come, all ye faithful  
 O come, O come, Emmanuel  
 O for a closer walk with God  
 O for a heart to praise my God  
 O for a thousand tongues to sing  
 O give thanks (Pond)  
 O God beyond all praising  
 O God of Bethel, by whose hand  
 O God, our help in ages past  
 O happy day  
 O, heaven is in my heart  
 O, how good is the Lord  
 O Jesus, I have promised  
 O let the Son of God enfold you  
 O little town of Bethlehem  
 O Lord, all the world belongs to you  
 O Lord, hear my prayer  
 O Lord, my God  
 O Lord, my heart is not proud  
 O Lord, your tenderness  
 O love, how deep, how broad,  
 how high  
 O Love that wilt not let me go  
 O perfect love  
 O praise ye the Lord!  
 O sacred head, surrounded  
 O strength and stay  
 O thou, who at thy Eucharist  
 didst pray  
 O thou who camest from above  
 O worship the King  
 O worship the Lord in the beauty  
 of holiness  
 Of the Father's love begotten  
 Oft in danger, oft in woe  
 On a hill far away  
 On Christmas night all Christians sing  
 On Jordan's bank the Baptist's cry  
 On the holy cross I see  
 Once again  
 Once in royal David's city  
 One more step along the world I go  
 One shall tell another  
 Only by grace  
 Onward, Christian pilgrims  
 Open our eyes, Lord  
 Open the eyes of my heart  
 Our God reigns  
 Over all the earth  
 Over the mountains and the sea  
 Overwhelmed by love

**P**  
 Peace is flowing like a river  
 Peace, perfect peace, is the gift  
 Peace to you  
 Power of your love  
 Praise him on the trumpet  
 Praise him, praise him, praise him  
 Praise, my soul, the King of heaven  
 Praise the Lord, ye heavens, adore him  
 Praise to the Holiest  
 Praise to the Lord, the Almighty  
 Purify my heart  
 Put peace into each other's hands

**R**  
 Rejoice in the Lord always  
 Rejoice, the Lord is King  
 Restore, O Lord  
 Ride on, ride on in majesty  
 Rise and shine  
 Rock of ages

**S**  
 Saviour, again to thy dear name  
 we raise  
 See, amid the winter's snow  
 See him lying on a bed of straw  
 Seek ye first  
 Shine, Jesus, shine  
 Shout for joy and sing  
 Shout to the Lord  
 Shout to the north  
 Show your power  
 Silent night  
 Silent, surrendered  
 Sing hosanna  
 Sing praise  
 Sing, my tongue, the glorious battle  
 So you would come  
 Songs of praise the angels sang  
 Songs of thankfulness and praise  
 Soul of my Saviour  
 Spirit of the living God (Iverson)  
 Spirit song  
 Stand up and bless the Lord  
 Stand up, stand up for Jesus  
 Stay with me  
 Such love  
 Surrexit Christus

**T**  
 Take my life, and let it be  
 Take up thy cross, the Saviour said  
 Teach me, my God and King  
 Teach me to dance  
 Tell out, my soul  
 Thank you for saving me  
 The advent of our King  
 The angel Gabriel from heaven came  
 The Church's one foundation  
 The day of resurrection  
 The day thou gavest, Lord, is ended  
 The first Nowell  
 The God of Abraham praise  
 The head that once was crowned  
 with thorns  
 The heart of worship  
 The holly and the ivy  
 The King is among us  
 The King of love, my shepherd is  
 The Lord is my song  
 The Lord's my shepherd (Crimond)  
 The Lord's my shepherd (Townend)  
 The old rugged cross  
 The power of your love  
 The race that long in darkness pined  
 The royal banners forward go  
 The Servant King  
 The servant song  
 The Spirit lives to set us free  
 The strife is o'er; the battle done  
 The Summons  
 The trees of the field

There is a green hill far away  
 There is a Redeemer  
 There's a quiet understanding  
 There's a spirit in the air  
 There's a witness in God's mercy  
 These are the days of Elijah  
 Think be the glory  
 Think of a world without any flowers  
 This is the day  
 This is the day the Lord has made  
 This is your God  
 This joyful Eastertide  
 This thankful heart  
 Thou didst leave thy throne  
 Thou, whose almighty word  
 Through all the changing scene of life  
 Through the night of doubt and  
 sorrow  
 Thy hand, O God, has guided  
 Thy kingdom come, O God  
 To be in your presence  
 To God be the glory!  
 To the name of our salvation

**U**  
 Ubi caritas

**V**  
 Virgin-born, we bow before thee

**W**  
 Wait for the Lord  
 Walk in the light  
 Water of life  
 We are marching  
 We believe in God the Father  
 We have a gospel to proclaim  
 We have a King who rides a donkey  
 We love the place, O God  
 We plough the fields and scatter  
 We sing the praise of him who died  
 We three kings of Orient are  
 We want to see Jesus lifted high  
 We worship at your feet  
 We'll walk the land  
 Were you there when they crucified  
 my Lord?  
 What a friend we have in Jesus  
 What a wonderful change  
 What kind of greatness  
 When God Almighty came to earth  
 When I feel the touch  
 When I look into your holiness  
 When I needed a neighbour  
 When I survey the wondrous cross  
 When morning glids the skies  
 When the music fades  
 When we walk with the Lord  
 While shepherds watched  
 Who can sound the depths of sorrow  
 Who put the colours in the rainbow?  
 Wide, wide as the ocean  
 Will you come and follow me  
 Will your anchor hold  
 Within our darkest night  
 Wonderful, so wonderful

**Y**  
 Ye choirs of new Jerusalem  
 Ye holy angels bright  
 Ye servants of God  
 Ye watchers and ye holy ones  
 Ye who own the faith of Jesus  
 You alone are worthy  
 You are beautiful  
 You are the centre  
 You are the King of Glory  
 You came from heaven to earth  
 You laid aside your majesty  
 You, Lord, are in this place  
 You shall go out with joy  
 You're alive

### A

Abba, Father, let me be  
Above all powers, above all kings  
All hail the Lamb  
All heaven declares  
All I once held dear  
All my days  
All over the world  
All that I am  
Alleluia, alleluia, give thanks to the  
risen Lord  
Amazing grace  
As the deer pants for the water  
As we are gathered  
Ascribe greatness

### B

Be still and know that I am God  
Be still, for the presence of the Lord  
Be the centre  
Beautiful one  
Beautiful Saviour  
Beauty for brokenness  
Before the world began  
Bind us together, Lord  
Bless the Lord, my soul  
Blesséd assurance  
Blessed be the Lord God Almighty  
Blesséd be your name  
Broken for me

### C

Christ triumphant  
Clap your hands, all you people

For I'm building a people of power  
Freely, freely  
From heaven you came  
From the rising of the sun

### G

Glorify your name  
God forgave my sin

of praise  
Great is thy faithfulness  
Great love

How deep the Father's love for us  
How great thou art!  
How lovely on the mountains

### I

I am a new creation  
I believe in Jesus  
I could sing of your love for ever  
I give you all the honour  
I love you, Lord, and I lift my voice

I stand in awe  
I, the Lord of sea and sky  
I will offer up my life  
I will sing your praises  
I will worship

I'm accepted, I'm forgiven  
If I were a butterfly  
In Christ alone
